The Lost Boys of Sudan Mark Bixler, 2013-05-01 In 2000 the United States began accepting 3,800 refugees from one of Africa's longest civil wars They were just some of the thousands of young men known as Lost Boys who had been orphaned or otherwise separated from their families in the chaos of a brutal conflict that has ravaged Sudan since 1983 The Lost Boys of Sudan focuses on four of these refugees Theirs however is a typical story one that repeated itself wherever the Lost Boys could be found across America Jacob Magot Peter Anyang Daniel Khoch and Marko Ayii were among 150 or so Lost Boys who were resettled in Atlanta Like most of their fellow refugees they had never before turned on a light switch used a kitchen appliance or ridden in a car or subway train much less held a job or balanced a checkbook We relive their early excitement and disorientation their growing despondency over fruitless job searches adjustments they faced upon finally entering the workforce their experiences of post-9/11 xenophobia and their undying dreams of acquiring an education As we immerse ourselves in the Lost Boys' daily lives we also get to know the social services professionals and volunteers celebrities community leaders and others who guided them with occasional detours toward self-sufficiency Along the way author Mark Bixler looks closely at the ins and outs of U.S. refugee policy the

politics of international aid the history of Sudan and the radical Islamist underpinnings of its government America is home to more foreign born residents than ever before the Lost Boys have repaid that gift in full through their example of unflagging resolve hope and faith

The End of Where We Begin Rosalind Russell,2023-10-12 Winning the 2021 Moore Prize for writing that promotes the values consistent with the advancement of human rights and dignity an account of the true stories of three refugees fleeing the civil war in South Sudan A beautiful moving and important book Simon Reeve author One Day in September Veronica is a teenager when civil war erupts in South Sudan the world s youngest country Lonely and friendless after the death of her father she finds solace in her first boyfriend and together they flee across the city when fighting breaks out On the same night Daniel the son of a colonel also makes his escape but finds himself stranded beside the River Nile alone and vulnerable Lilian is a young mother who runs for her life holding the hand of her little boy Harmony until a bomb attack wrenches them apart and she is forced to trek on alone After epic journeys of endurance these three young people s lives cross in Bidi Bidi in Uganda the world s largest refugee camp There they meet James a counselor who helps them find light and hope in the darkest of places In a gripping true life narrative Rosalind Russell tells their stories with uplifting empathy and tenderness

Body of Victim, Body of Warrior Cabeiri deBergh Robinson,2013-03-08 This book provides a fascinating look at the creation of contemporary Muslim jihadists Basing the book on her long term fieldwork in the disputed borderlands between Pakistan and India Cabeiri deBergh Robinson tells the stories of people whose lives and families have been shaped by a long history of political conflict Interweaving historical and ethnographic evidence Robinson explains how refuge seeking has become a socially and politically debased practice in the Kashmir region and why this devaluation has turned refugee men into potential militants She reveals the fraught social processes by which individuals and families produce and maintain a modern jihad and she shows how Muslim refugees have forged an Islamic notion of rights a hybrid of global political ideals that adopts the language of human rights and humanitarianism as a means to rethink refugees positions in transnational communities Jihad is no longer seen as a collective fight for the sovereignty of the Islamic polity but instead as a personal struggle to establish the security of Muslim bodies against political violence torture and rape Robinson describes how this new understanding has contributed to the popularization of jihad in the Kashmir region decentered religious institutions as regulators of jihad in practice and turned the families of refugee youths into the ultimate mediators of entrance into militant organizations This provocative book challenges the idea that extremism in modern Muslim societies is the natural by product of a clash of civilizations of a universal Islamist ideology or of fundamentalist conversion

Race-ing Fargo Jennifer Erickson,2020-10-15 Tracing the history of refugee

settlement in Fargo North Dakota from the 1980s to the present day *Race in Fargo* focuses on the role that gender religion and sociality play in everyday interactions between refugees from South Sudan and Bosnia Herzegovina and the dominant white Euro American population of the city Jennifer Erickson outlines the ways in which refugees have impacted this small city over the last thirty years showing how culture political economy and institutional transformations collectively contribute to the racialization of white cities like Fargo in ways that complicate their demographics *Race in Fargo* shows that race religion and decorum prove to be powerful forces determining worthiness and belonging in the city and draws attention to the different roles that state and private sectors played in shaping ideas about race and citizenship on a local level Through the comparative study of white secular Muslim Bosnians and Black Christian Southern Sudanese *Race in Fargo* demonstrates how cross cultural and transnational understandings of race ethnicity class and religion shape daily citizenship practices and belonging

Trauma Selma Leydesdorff, 2017-09-29 Traumatic experiences and their consequences are often the core of life stories told by survivors of violence In *Trauma Life Stories of Survivors* leading academics explore the relationship between the experiences of terror and helplessness that have caused trauma the ways in which survivors remember and the representation of these memories in the language and form of their life stories International case studies include the migration of Ethiopian Jews to Israel the life stories of Guatemalan war widows violence in South Africa persecution of political prisoners in South Africa and the former Czechoslovakia lynching in the Mississippi Delta resistance in Zimbabwe s liberation war sexual abuse and the ongoing Irish troubles The volume reveals the complexity of remembering and forgetting traumatic experiences and shows that survivors are likely to express themselves in stories containing elements that are imaginary fragmented and loaded with symbolism *Trauma Life Stories of Survivors* is a groundbreaking work of relevance across the social sciences This new perspective on trauma will be of particular importance to researchers in psychology history women s studies anthropology sociology and cultural studies

The Health of Refugees Pascale Allotey, Daniel Reidpath, 2019-01-03 At the moment over 65 million people are forcibly displaced from their homes The reasons for movement range from extreme weather conditions and environmental disasters to war civil and political crises to the need for basic economic survival Amongst these 65 million people are those that have been forced to leave a country that is no longer willing or able to offer protection and those who are displaced within their own country s borders In order to improve conditions for displaced people all over the globe we need to look at the reason behind their move as this defines their migration status under international law In its turn the migration status affects the requirements of other countries to grant asylum and the individual s right to protection and support The definition of migration status and its implications has created tension in the public debate on refugees for decades and is today more relevant than ever In *The Health of Refugees Public Health Perspectives from Crisis to Settlement* the challenges and vulnerabilities created from this debate are addressed by public health policy makers clinical practitioners and researchers An analysis of public health international law

the history of migration and the media's role in refugee health it is a comprehensive and critical work with a strong message in favour of international and interdisciplinary cooperation. With a focus on what international obligations entail when it comes to refugees and migrants the authors present a reinforced take on our collective responsibility to leave no one behind. *The Health of Refugees: Public Health Perspectives from Crisis to Settlement* traces the health repercussions on individuals and populations from the moment of forced mass movement due to conflict and other disasters through to the process of resettlement in other countries. These issues are addressed within the context of other global public health priorities and are part of the book's critical analysis not only of the particular vulnerabilities created by mobility but also how these interact and intersect with existing considerations across gender and age in health systems and international law. With a wider geographical area and case studies from all over the globe as a basis for the studies presented this is a fully updated edition with new material discussing the current political landscape. A truly multidisciplinary book *The Health of Refugees* is ideal for public health practitioners, researchers and postgraduate students. It is also an important work for those involved in non-governmental organisations, international aid and international development. Furthermore it provides a critical background for clinicians, mental health workers and policymakers from health, welfare and migration. *Anthropology Matters, Third Edition* Shirley A. Fedorak, 2017-04-05. The third edition of this bestselling book introduces readers to anthropology and the world around it by connecting important concepts to current global issues. A question-based approach encourages readers to understand specific issues in a broader cross-cultural context while building an appreciation for anthropology's role in developing global citizenship. This edition has been updated and revised throughout including discussion of technology, design, anthropology and the effects of social media on cultural change. As well, two new chapters, one on global responsibility for refugees and the other on human trafficking as a form of modern-day slavery, make the text particularly relevant.

Anthropology Matters Shirley A. Fedorak, 2017-01-01. *Anthropology Matters* places the study of anthropology concretely in the world that surrounds it. It takes a question-based approach to introducing important anthropological concepts by embedding those concepts in contemporary global issues that will interest students. The third edition of this popular text has been updated throughout and includes two new chapters: globalization and transnational mobility and the responsibility of the global community to refugees. The book has also been revised and updated throughout to reflect current events and popular topics including the impact of social media on social, political and religious systems; interviews with women who veil and discussion of design anthropology. *Out of America* Keith B. Richburg, 1998. This soul-searching personal journey into the African American identity written by an award-winning reporter for the Washington Post takes readers behind today's cultural battlefields. *Map* *The Boston Globe Index*, 2001. **Race of Time** Daniel Chaffee, Samuel Han, 2015-11-17. Charles Lemert is one of the most renowned critics of social theory and theorists today. The editors of this book have offered and contextualised many of his best essays and situated them against the backdrop of American sociology.

The breadth of Lemert's work doesn't stop at an academic engagement with theoretical debates such as globalisation or postmodernism but cuts right to the heart of abiding social issues. His work is focused and continues to probe pressing questions such as the rise of vulnerabilities in an era of new capitalism. By weaving together personal narrative, research, lucid explanations and a dynamic engagement with social theory of old and new, his unique prose renders accessible complex theoretical debates.

Leonard Maltin's Movie Guide Leonard Maltin, 2017-11-28 Previously published as Leonard Maltin's 2015 Movie Guide, this capstone edition includes a new Introduction by the author. Note: No new reviews have been added to this edition. Now that streaming services like Netflix and Hulu can deliver thousands of movies at the touch of a button, the only question is: What should I watch? Summer blockbusters and independent sleepers, the masterworks of Alfred Hitchcock, Billy Wilder and Martin Scorsese, the timeless comedy of the Marx Brothers and Woody Allen, animated classics from Walt Disney and Pixar, the finest foreign films ever made. This capstone edition covers the modern era while including all the great older films you can't afford to miss and those you can't find from box office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically and complete with all the essential information you could ask for. With nearly 16,000 entries and more than 13,000 DVD listings, Leonard Maltin's Movie Guide remains head and shoulders above the rest. The New York Times Also included are a list of mail order and online sources for buying and renting DVDs and videos, official motion picture code ratings from G to NC-17, and Leonard's list of recommended films.

A History of Genocide in Africa Timothy J. Stapleton, 2017-04-17 Based on a series of detailed case studies, this book presents the history of genocide in Africa within the specific context of African history, examining conflicts in countries such as Burundi, Democratic Republic of Congo, Namibia, Rwanda, and Sudan. Why has Africa been the subject of so many accusations related to genocide? Indeed, the number of such allegations related to Africa has increased dramatically over the past 15 years. Popular racist mythology might suggest that Africans belong to tribes that are inherently antagonistic towards each other and therefore engage in tribal warfare which cannot be rationally explained. This concept is wrong, as Timothy J. Stapleton explains in *A History of Genocide in Africa*: the many conflicts that have plagued post-colonial Africa have had very logical explanations, and very few of these instances of African warring can be said to have resulted in genocide. Authored by an expert historian of Africa, this book examines the history of six African countries: Namibia, Rwanda, Burundi, Democratic Republic of Congo, Sudan, and Nigeria, in which the language of genocide has been mobilized to describe episodes of tragic mass violence. It seeks to place genocide within the context of African history, acknowledging the few instances where the international legal term genocide has been applied appropriately to episodes of mass violence in African history and identifying the many other cases where it has not, and instead the term has been used in a cynical manipulation to gain some political advantage. Readers will come to understand how, to a large extent, genocide accusations related to post-colonial Africa have often served to prolong wars and cause greater loss of life. The book also clarifies how, in areas of Africa where genocides have actually occurred, there appears

to have been a common history of the imposition of racial ideologies and hierarchies during the colonial era which when combined with other factors such as the local geography demography religion and or economics resulted in tragic and appalling outcomes The History of Ethiopian Immigrants in the United States in the Twentieth Century, 1900-2000 Solomon Addis Getahun,2005 **Pornography and Genocide** Thomas Trzyna,2019-06-14 One out of every thirty five women born is killed for cultural or sexual reasons In the twentieth century more women were killed for those reasons than all the people who died in wars Women everywhere live in the higher stages of Gregory Stanton s eight stage genocide scale Pornography contributes to the peril whether in the form of battlefield rape films the rape chants of frat boys or the massive distribution of violent images on the web and through other media The United Nations definition of genocide must be changed to recognize women as a targeted group Pornography and Genocide pulls together the evidence from legal scholars and a myriad of contemporary studies and news accounts from around the world It is time to face the war against women

World Refugee Survey ,1993 **Creating Spiritual and Psychological Resilience** Grant H. Brenner,Daniel H. Bush,Joshua Moses,2010-12-20 Creating Spiritual and Psychological Resilience explores the interface between spiritual and psychological care in the context of disaster recovery work drawing upon recent disasters including but not limited to the experiences of September 11 2001 Each of the three sections that make up the book are structured around the cycle of disaster response and focus on the relevant phase of disaster recovery work In each section selected topics combining spiritual and mental health factors are examined when possible sections are co written by a spiritual care provider and a mental health care provider with appropriate expertise Existing interdisciplinary collaborations creative partnerships gaps in care and needed interdisciplinary work are identified and addressed making this book both a useful reference for theory and an invaluable hands on resource
