Refugee Law And Policy A Comparative And International Approach Carolina:

Refugee Law and Policy Karen Musalo,2007 **Refugee law and policy : a comparative and international approach** Karen Musalo,Jennifer Moore,Richard A. Boswell,2004 **Refugee Law and Policy** Karen Musalo,Jennifer Moore,Richard A. Boswell,Annie Daher,2018 An Introduction to International Refugee Law M. Rafiqul Islam,Md. Jahid Hossain Bhuiyan,2013-05-15 The book is designed to provide an overview of the development meaning and nature of international refugee law The jurisprudence on the status of refugees loss and denial of the refugees status non refoulement asylum problems and challenges of refugee protection the law of return and the right of return critical refugees and immigration law and the role of international organizations in protection of refugees are revisited in the context of contemporary realities The relationship between armed conflict climate change and human right violations induced refugees and the existing international refugee regime emerging will be succinctly highlighted and analysed in the book This lucidly written and timely book will be immensely helpful to anyone grappling with the demonstrated inadequacies of international refugee law in real life situations today and desirous of the reorientation of its meaning and scope to cater for the changing needs and shared expectation of the international community in the 21st century *Refugees and Rights* Mary Crock,2017-05-15 This collection focuses on refugees victims of trafficking and others who cross borders seeking protection from anthropogenic or natural disasters Essays cover a broad range of topics from the refugee s rights to due process and the substance of entitlements at law to refugee rights in relation to disability and sexual orientation and across fields such as administrative processes social and cultural rights family reunion detention and the right of return Articles also cover the rights discourse outside traditional Western theatres This volume is a companion to Mary Crock s volume Migrants and Rights *Refugee Law and Policy* Karen Musalo,2005 Refuge from Inhumanity? War Refugees and International Humanitarian Law David Cantor,Jean-François Durieux,2014-07-10 This book contributes to a long standing but ever topical debate about whether persons fleeing war to seek asylum in another country war refugees are protected by international law It seeks to add to this debate by bringing together a detailed set of analyses examining the extent to which the application of international humanitarian law IHL may usefully advance the legal protection of such persons This generates a range of questions about the respective protection frameworks established under international refugee law and IHL and specifically the potential for interaction between them As the first collection to deal with the subject the eighteen chapters that make up this unique volume supply a range of perspectives on how the relationship between these two separate fields of law may be articulated and whether IHL may contribute to providing refuge from the inhumanity of war **The Oxford Handbook of Law and Anthropology** Marie-Claire Foblets,Mark Goodale,Maria Sapi gnoli,Olaf Zenker,2022-04-01 The Oxford Handbook of Law and Anthropology is a ground breaking collection of essays that provides an original and internationally framed conception of the historical theoretical and ethnographic interconnections of law and anthropology Each of the chapters in

immigrant group and every era in U S history are fully documented and examined through detailed analysis of social legal political economic and demographic factors Hot topic issues and controversies from Amnesty to the U S Mexican Border are covered in depth Archival and contemporary photographs and illustrations further illuminate the information provided And dozens of charts and tables provide valuable statistics and comparative data both historic and current A special feature of this edition is the inclusion of more than 80 full text primary documents from 1787 to 2013 laws and treaties referenda Supreme Court cases historical articles and letters

Human Rights and Business Denise Wallace,2014-11-27 This book addresses the ever more urgent question as to whether individuals indigenous peoples or other vulnerable groups should be entitled to remedies under international law for violations of their human rights by transnational corporations Using the tools of policy oriented jurisprudence the author analyzes in great historical and cross cultural detail the various claims involved including the status of corporations and their purpose and growth beyond borders in the era of globalization countervailing demands for respect and rights of individuals and groups the changing role of the nation state in international law movements for corporate social responsibility and corporate accountability trends in decision both domestically and internationally as well as voluntary codes Her appraisal of past decisions and suggestions leads her to conclude that only binding international legal remedies against transnational corporations can fully address the legitimate claims of individuals or groups

Migration, Citizenship and the Challenge for Security A. Innes,2015-04-07 This study focuses on the field of security studies through the prism of migration Using ethnographic methods to illustrate an experiential theory of security taken from the perspective of migrants and asylum seekers in Europe it effectively offers a means of moving beyond state based and state centric theories in International Relations

Reimagining Human Rights William R. O'Neill,2021-01-07 In Reimagining Human Rights William O'Neill presents an interpretation of human rights from below showing how victims of atrocity can embrace the rhetoric of human rights to dismantle old narratives of power and advance new ones Topics covered include race and mass incarceration immigration and refugee policy and ecological responsibility

The Future of Asylum in the European Union Flora A.N.J. Goudappel,Helena S. Raulus,2011-08-31 This book is based on a conference on the future of the European asylum policy at Erasmus School of Law in Rotterdam the Netherlands After a challenge set by the Dutch State Secretary for Justice Ms Nebahat Albayrak the contributions to this book focus on human rights aspects of the European asylum policy and the way the EU Member States need to cooperate in the future in order to reach results The authors are scholars policy makers and representatives of NGOs In this way many different aspects of the problems are put forward In the introduction and the conclusion the editors evaluate the results of this broad cooperation Valuable for academics practitioners policymakers and NGO s involved with European asylum policy issues

Transformation of Civil Justice Alan Uzelac,Cornelis Hendrik (Remco) van Rhee,2018-09-03 National civil justice systems are deeply rooted in national legal cultures and traditions However in the past few decades they have been increasingly influenced by integration

processes at the regional supra national and international level As a by product of the emergence of economic and political unions and globalisation processes there is pressure to harmonise or even unify the way in which national civil justice systems operate In an attempt to create a genuine area of justice new unified procedures are being developed which operate in parallel with national civil procedures and sometimes even strive to replace them As a reaction to the forces that endeavour to harmonise and unify procedural laws and practices an opposing trend is gaining momentum one that insists on diversity and pluralism of national civil procedures This book focuses on the evolution of procedural reforms in various jurisdictions and the ongoing transformation of national civil justice systems *The Caribbean Social Justice Agenda* Marlon Anatol, Mark Kirton, Ashaki L. Dore, 2023-04-04 This book is committed to the issues related to social justice in the Caribbean and seeks to increase dialogue among practitioners unions labor activists academics policy makers and other individuals from across the social sciences and humanities It is purposely multidisciplinary in orientation intending to cover issues related to work workers labor and related topics as well as social organizational and institutional aspects of work and industrial relations It aims to set the tone for discourse on a wide range of issues related to the future of work and sustainable Caribbean development social justice industrial relations governance systems social protection social dialogue cooperatives and community empowerment the future of education migration and security among others nationally and regionally This work represents contemporary scholarly contributions from researchers presenting original and innovative research that contribute to the theory practice and public policy dimensions of work migration labor industrial relations and related issues **Christianity and the Law of Migration** Silas W. Allard, Kristin Heyer, Raj Nadella, 2021-09-05 This collection brings together legal scholars and Christian theologians for an interdisciplinary conversation responding to the challenges of global migration Gathering 14 leading scholars from both law and Christian theology the book covers legal perspectives theological perspectives and key concepts in migration studies In Part 1 scholars of migration law and policy discuss the legal landscape of migration at both the domestic and international level In Part 2 Christian theologians ethicists and biblical scholars draw on the resources of the Christian tradition to think about migration In Part 3 each chapter is co authored by a scholar of law and a scholar of Christian theology who bring their respective resources and perspectives into conversation on key themes within migration studies The work provides a truly interdisciplinary introduction to the topic of migration for those who are new to the subject an opportunity for immigration lawyers and legal scholars to engage Christian theology an opportunity for pastors and Christian theologians to engage law and new insights on key frameworks for scholars who are already committed to the study of migration
