Refugio Del Abuso Sanidad Y Esperanza Para Mujeres Abusadas:

Refugio del abuso Catherine Clark-Kroeger, Nancy Nason-Clark, 2008-05-18 Hay esperanza para la mujer que ha sido maltratada Nancy Nason Clark y Catherine Clark Kroeger conocen el dolor de la mujer que ha sido maltratada especialmente el singular dolor de las mujeres que crean que no les pasar a algo. En este práctico y directo libro ellas dan respuesta a las interrogantes que enfrentas. Cómo si necesito ayuda. Cuánto de mi historia podrá contar. Dónde encuentro apoyo espiritual como víctima de abuso. Cómo aprendo a confiar en Dios de nuevo. El consejo de ellas es firme respaldado por la experiencia profesional de Nason Clark como socióloga y la de Kroeger como erudita bíblica. Juntas suplen aquí y ahora y paso a paso el consejo que necesitas para empezar una jornada sanadora y obtener una percepción bíblica que alimente tu alma de modo que te mantengas en el camino de la integridad. *Religion and Intimate Partner Violence* Nancy Nason-Clark, Barbara Fisher-Townsend, Catherine Holtmann, Stephen McMullin, 2018 Intimate partner violence is a complex ugly fear inducing reality for large numbers of women around the world. When violence exists in a relationship safety is compromised shame abounds and peace evaporates. Violence is learned behavior and it flourishes most when it is ignored minimized or misunderstood. When it strikes the homes of deeply religious women they are more vulnerable more likely to believe that their abusive partners can and will change less likely to leave a violent home temporarily or forever often reluctant to seek outside sources of assistance and frequently disappointed by the response of the religious leader to their call for help. These women often believe they are called by God to endure the suffering to forgive and to keep on forgiving their abuser and to fulfill their marital vows until death do us part. Concurrently many batterers employ explicitly religious language to justify the violence towards their partners and sometime they manipulate spiritual leaders who try to offer them help. *Religion and Intimate Partner Violence* seeks to navigate the relatively uncharted waters of intimate partner violence in families of deep faith. The program of research on which it is based spans over twenty five years and includes a wide variety of specific studies involving religious leaders congregations battered women men in batterer intervention programs and the army of workers who assist families impacted by abuse including criminal justice workers therapeutic staff advocacy workers and religious leaders. The authors provide a rich and colorful portrayal of the intersection of intimate partner violence and religious beliefs and practices that inform and interweave throughout daily life. Such a focus on lived religion enables readers to isolate examine and evaluate ways in which religion both augments and thwarts the journey towards justice accountability healing and wholeness for women and men caught in the web of intimate partner violence.
