Ritual Gone Wrong Kathryn T. McClymond, 2016-04-01 The discipline of religious studies has historically tended to focus on discrete ritual mistakes occurring in the context of individual performances as outlined in ethnographic or sociological studies scholars have largely overlooked the extensive discussions of ritual mistakes that exist in the religious literature of indigenous traditions And yet ritual mistakes ranging from the simple to the complex happen all the time and they continue to carry ritual weight even when no one seriously doubts their impact on the efficacy of a ritual In Ritual Gone Wrong Kathryn McClymond approaches ritual mistakes as an integral part of ritual life and argues that religious traditions can accommodate mistakes and are often prepared for them McClymond shows that many traditions even incorporate the regular occurrence of errors into their ritual systems developing a substantial literature on how rituals can be disrupted how these disruptions can be addressed and when disruptions have gone too far Offering a series of case studies ranging from ancient India to modern day Iraq and from medieval allegations of child sacrifice to contemporary Olympic ceremonies McClymond explores the numerous ways in which ritual can go wrong and demonstrates that the ritual is by nature fluid supple and dynamic simultaneously adapting to socio cultural conditions and in some cases shaping them

Rituals Of Blood Orlando Patterson, 1998 In the first essay Patterson analyzes the very latest survey data to delineate the different attitudes behaviors and circumstances of Afro American men and women dissecting both the external and internal causes for the great disparities he finds In the second essay Patterson focuses on the lynching of Afro American boys and men during the decades after Reconstruction particularly on the substantial number of cases that constituted apparent ritual human sacrifice As no one has done before Patterson reveals how the complex interplay between Christian sacrificial symbolism and the deep recesses of post bellum Southern culture resulted in some of the most shameful barbaric events in American history The third essay brings us into the late twentieth century with an investigation of the various images of Afro American men portrayed by the media From the demigod Michael Jordan to the demon Colin Ferguson to the demigod turned demon O J Simpson and the crossers of racial and gender boundaries Michael Jackson and Dennis Rodman all contribute to the cultural complications of our contemporary society *Rituals of Blood* advances Patterson's new model of ethnic relations that opens American society to a new and freer dialogue

Gordon,1994-12-01 **Ritual, Play, and Belief in Evolution and Early Human Societies** Colin Renfrew,Iain

Morley,Michael Boyd,2018 This book presents unique new insights into the development of human ritual and society through our heritage of play and performance **The Curse of Eve, the Wound of the Hero** Peggy McCracken,2010-11-24 In *The Curse of Eve the Wound of the Hero* Peggy McCracken explores the role of blood symbolism in establishing and maintaining the sex gender systems of medieval culture Reading a variety of literary texts in relation to historical medical and religious discourses about blood and in the context of anthropological and religious studies McCracken offers a provocative examination of the ways gendered cultural values were mapped onto blood in the Middle Ages As McCracken demonstrates blood is gendered when that of men is prized in stories about battle and that of women is excluded from the public arena in which social and political hierarchies are contested and defined through chivalric contest In her examination of the conceptualization of familial relationships she uncovers the privileges that are grounded in gendered definitions of blood relationships She shows that in narratives about sacrifice a father s relationship to his son is described as a shared blood whereas texts about women accused of giving birth to monstrous children define the mother s contribution to conception in terms of corrupted often menstrual blood Turning to fictional representations of bloody martyrdom and of eucharistic ritual McCracken juxtaposes the blood of the wounded guardian of the grail with that of Christ and suggests that the blood from the grail king s wound is characterized in opposition to that of women and Jewish men Drawing on a range of French and other literary texts McCracken shows how the dominant ideas about blood in medieval culture point to ways of seeing

modern values associated with blood in a new light and how modern representations in turn suggest new perspectives on medieval perceptions

Raising the Devil Bill Ellis, 2014-07-11 Raising the Devil reveals how the Christian Pentecostal movement right wing conspiracy theories and an opportunistic media turned grassroots folk traditions into the Satanism scare of the 1980s During the mid twentieth century devil worship was seen as merely an isolated practice of medieval times But by the early 1980s many influential experts in clinical medicine and in law enforcement were proclaiming that satanic cults were widespread and dangerous By examining the broader context for alleged cult activity Bill Ellis demonstrates how the image of contemporary Satanism emerged during the 1970s Blaming a wide range of mental and physical illnesses on in dwelling demons a faction of the Pentecostal movement became convinced that their gifts of the spirit were being opposed by satanic activities They attributed these activities to a cult that was the evil twin of true Christianity In some of the cases Ellis considers common folk beliefs and rituals were misunderstood as evidence of devil worship In others narratives and rituals themselves were used to combat satanic forces As the media found such stories more and more attractive any activity with even remotely occult overtones was demonized in order to fit a model of absolute good confronting evil Ellis s wide ranging investigation covers ouija boards cattle mutilation graveyard desecration and diabolical medicine the psychiatric community s version of exorcism He offers a balanced view of contentious issues such as demonic possession satanic ritual abuse and the testimonies of confessing ex Satanists A trained folklorist Ellis seeks to navigate a middle road in this dialog and his insights into informal religious traditions clarify how the image of Satanism both explained and created deviant behavior

Adult Bible Studies Spring 2022 Theme Follow The lessons this quarter are confined to two units so that we can observe the season of Lent Authentic discipleship involves imitating Jesus and we must begin with an understanding of Jesus as Messiah and the kingdom to which he invites us to belong We soon discover as we follow Jesus that his kingdom turns our expectations totally upside down As we walk with Jesus we must admit that we sometimes totally miss the mark Yet Christ forgives us restores us and equips us to live into our identities as Christ followers As his followers we have responsibilities and opportunities to help grow the kingdom One way is through stewardship a concept that is much broader than we may think Our role involves using not only our physical resources but indeed our very lives as grace filled cohabitants in God's marvelous creation

Unit 1 The Mark You Make Discipleship in Mark's Gospel is often described as the way of the cross because of the repeated emphasis upon following Jesus on the way to Jerusalem and the command to take up one's cross and follow Jesus Mark 8:34 In this season when we commemorate Jesus' journey to Jerusalem we give our attention to various aspects of discipleship we find in Mark's Gospel Scriptures Mark 8:27-38 Mark 9:38-50 Mark 10:35-45 Mark 11:12-14 20-25 Mark 13:5-8 28-37 Mark 14:27-42 Mark 16:1-8

Spiritual Practice Reflection and self examination

Unit 2 The Steps You Take Creation care has become a prominent topic of discussion in Christian congregations and seminaries during the last couple of decades While disagreement exists about human responsibility for climate change and to what extent we should limit human activity for the purpose of preservation of endangered species and habitats Scripture makes clear that God takes pleasure in creation and that our role as stewards requires that we appreciate creation and take our responsibility as stewards seriously Scriptures Psalm 104 Leviticus 25:1-13 Deuteronomy 14:22-29 Job 38:4-11 Joel 2:18-26 Romans 8:19-22 2 Corinthians 9
