## Ritual Sins:

**Ritual Sins** Anne Stuart, 2020-04-25 Rachel Connery has come to the Foundation of Being to find the truth about her mother's death what has happened to all her money and what secrets lie behind the smiling placid members of what Rachel considers a cult Luke Bardell is as bad as a man can be a liar swindler convicted murderer and cult leader So why is she so attracted to him There's evil at the Foundation but Rachel can't tell where it's coming from the holier than thou members or Luke Bardell himself Luke is involved in something very wrong but is he the real source of evil And is she a total fool to believe that he's someone worth loving *Ritual Sins* Anne Kristine Stuart, 1997 Investigating the cult she believes robbed her of her inheritance Rachel comes under the spell of its charismatic leader

**Impurity and Sin in Ancient Judaism** Jonathan Klawans, 2004 Jonathan Klawans shows how the link between moral impurity and physical defilement as understood by the ancient Hebrews can be followed through to St Paul and the Christian era when the need for ritual purity was finally rejected *The Sacrifice of Christ Scripturally and Rationally Interpreted ... Second Edition, Fourth Thousand, Corrected and Enlarged* Edward HIGGINSON, 1848

*Contemporary Creed* John Morris, 2012-05-16 Unlike Richard Dawkins the Revised Edition Contemporary Creed sees no conflict between evolution and God faith and modern science But what sort of God creates a violent universe with a Big Bang almost 14 billion years ago and appears to do little or nothing to prevent built in suffering and natural disasters like earthquakes famines disabled children and cancers The Christian God leaves a lot unexplained Some writers give superficial answers whereas Morris who helps care for his own handicapped grandson gets to the root of difficulties and succeeds in finding credible pathways through sixty problems of Christian beliefs and ethics He writes for believers and unbelievers for Christians like himself who admit their doubts and for atheists and agnostics interested in life's big questions His unusual format of 90% prose and 10% original poetry is entertaining and the style straightforward everyday language offering conclusions that are often open ended undogmatic His systematic theology becomes a brief A-Z that may be read in any order for individual Bible study or by house groups that want a provocative structure for lively discussion

**Houses of the Holy** Robert M. Price, 2025-02-25 In a shrinking world in which religion has become as much a motivation for war and terror as an inspiration for saintliness and benevolence it is more important than ever that we understand faiths other than our own Where did they come from How did they begin Were their legendary founders real historical individuals How do their beliefs shape their actions Which faiths are mutations of older ones Many otherwise helpful introductory volumes cover only the most populous religions and fearing most readers will shy away from going deeply into important detail they wind up grossly oversimplifying By contrast Robert M Price's Houses of the Holy fills in these blanks comprehensively and does so in clear straightforward language without cheating the necessary complexity Here you will find fascinating coverage of a full dozen religious faiths including several you have likely never even heard of

**The Methodist Review Quarterly ,1910      The Methodist Review ,1910      Sharing Your Faith With A Muslim**

Abdiyah Akbar Abdul-Haqq,1980-08-01 This is the book for you if you are serious about communicating the truth of the Gospel to Muslims It is thorough It is authoritative It is written by a third world Christian whose father was a convert from Islam It is the contention of the author that an effective evangelistic approach to the adherents of Islam must be based upon a study of Christ as He is found in both Scripture and the Koran Christ then becomes the bridge between the two faiths Such a search is to Abdul Haqq the natural means of introducing the Savior Having seen Christ on the pages of the Bible he moves on to a presentation of the great issues of sin salvation and the nature of God as the final pressing points to raise in efforts to win Muslim friends and neighbors to Jesus      **Bwiti** James W Fernandez,2019-01-29 We cannot the author argues

adequately understand the religious imagination without knowing the historical social and cultural matrices from which it arises Accordingly his book explores the Fang culture of Gabon as a set of contexts from which emerges the Bwiti religion In addition to experience with missionary Christianity Bwiti uses a great reservoir of images and ideas from its own past Professor Fernandez analyzes how they are recreated into a compelling religious universe an equatorial microcosm Part I a detailed ethnographic account of Fang culture after colonial encounter addresses the attendant problems The author discusses the European influence on the self concept of the Fang family life and kinship and political and economic relationships Part II analyzes in greater detail the religious implications of European administration and missionary efforts In Part III the author shows how the malaise and increasing isolation of part of Fang culture achieve some assuagement of the Bwiti religion which seeks a reconciliation of the past and present James W Fernandez is Professor of Anthropology at Princeton University and author of many studies in this discipline Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

of Matthew's intense interest in Jesus' Davidic Messiahship and the Jewish Shepherd King traditions surrounding King David it is argued that the lost sheep of the house of Israel refers to remnants of the former northern kingdom of Israel who continued to reside in the northern region of the ideal Land of Israel
