**Ceremony and Ritual in Parliament** Shirin M. Rai, 2013-10-18 *Ceremony and Ritual in Parliament* breaks new ground in the study of legislatures It combines mainstream historical and social science approaches with cultural theory to consider how parliamentary ritual is constructed through ceremony space and socialisation The focus is on the marginalised groups especially women and members of ethnic minorities who seek inclusion as representatives in democratic legislatures This book assesses aspects of the role that ceremony and ritual in legislatures play especially but not exclusively in their gendered and racialised dimensions Within this broad frame it considers the impact of space identity ritual and or ceremony on the institutional form of parliament how power is shaped within it how the behaviour of members is facilitated constrained and shaped how power and rituals interact to and how they impinge upon the relationships between representative institutions and citizens Contributions are theoretical and empirical comparative or single country studies of national or sub national legislatures They have interdisciplinary historical or postcolonial perspectives that contribute to this emerging field in the study of parliaments This book was previously published as a special issue of the *Journal of Legislative Studies*

**Black Women's Christian Activism** Betty Livingston Adams, 2018-04-03 2017 Wilbur Non Fiction Award Recipient Winner of the 2018 Author s Award in scholarly non fiction presented by the New Jersey Studies Academic Alliance Winner 2020 Kornitzer Book Prize given by Drew University Examines the oft overlooked role of non elite black women in the growth of northern suburbs and American Protestantism in the first half of the twentieth century When a domestic servant named Violet Johnson moved to the affluent white suburb of Summit New Jersey in 1897 she became one of just barely a hundred black residents in the town of six thousand In this avowedly liberal Protestant community the very definition of the suburbs depended on observance of unmarked and fluctuating race and class barriers But Johnson did not intend to accept

the status quo Establishing a Baptist church a year later a seemingly moderate act that would have implications far beyond weekly worship Johnson challenged assumptions of gender and race advocating for a politics of civic righteousness that would grant African Americans an equal place in a Christian nation Johnson's story is powerful but she was just one among the many working class activists integral to the budding days of the civil rights movement Focusing on the strategies and organizational models church women employed in the fight for social justice Adams tracks the intersections of politics and religion race and gender and place and space in a New York City suburb a local example that offers new insights on northern racial oppression and civil rights protest As this book makes clear religion made a key difference in the lives and activism of ordinary black women who lived worked and worshiped on the margin during this tumultuous time **White Logic, White Methods** Tukufu Zuberi, Eduardo Bonilla-Silva, 2008-05-02 In this collection of essays the authors examine how racial considerations have affected the way social science is conducted how issues are framed and data is analyzed With an assemblage of leading scholars White Logic White Methods explores the possibilities and necessary dethroning of current social research practices and demands a complete overhaul of current methods towards multicultural and pluralist approach to what we know think and question **Arts & Humanities Citation Index**, 2002 Religious Diversity Today Jean-Guy A. Goulet, Liam D. Murphy, Anastasia Panagakos, 2015-12-01 This insightful three volume set examines faith through the social and cultural perspective of anthropology sociology and religious studies shedding light on the role of religion in the human experience Why is human suffering and the existence of evil part of the human experience How does religious doctrine establish one's identity In what ways does religion interact with and shape the social order This thought provoking work ponders these questions and explores the concept of religion from various perspectives as a tool for self and community based spiritual awareness as a set of practices that translates faith into interaction with others and as a cornerstone of society for those who seek to harness or hinder its influence Written in accessible and inviting language each volume focuses on a particular dimension of religion The first book examines religious experience in the modern world and explores suffering in religious faiths the second volume centers around ritual and pilgrimage and the last book analyzes the controversial relationship between religion and societies The content features such thought provoking topics as death and green burials sexuality and sex trade and how and why evil manifests in the human experience Handbook of Cultural Psychology, First Edition Shinobu Kitayama, Dov Cohen, 2010-01-04 Bringing together leading authorities this definitive handbook provides a comprehensive review of the field of cultural psychology Major theoretical perspectives are explained and methodological issues and challenges are discussed The volume examines how topics fundamental to psychology identity and social relations the self cognition emotion and motivation and development are influenced by cultural meanings and practices It also presents cutting edge work on the psychological and evolutionary underpinnings of cultural stability and change In all more than 60 contributors have written over 30 chapters covering such diverse areas as food love religion intelligence language

*The Anthropology of Latin America and the Caribbean* Harry Sanabria, 2015-09-16 The first single authored comprehensive introduction to major contemporary research trends issues and debates on the anthropology of Latin America and the Caribbean The text provides wide and historically informed coverage of key facets of Latin American and Caribbean societies and their cultural and historical development as well as the roles of power and inequality Cymeme Howe Visiting Assistant Professor of Cornell University writes The text moves well and builds over time paying close attention to balancing both the Caribbean and Latin America as geographic regions Spanish and non Spanish speaking countries and historical and contemporary issues in the field I found the geographic breadth to be especially impressive Jeffrey W Mantz of California State University Stanislaus notes that the contents reflect the insights of an anthropologist who knows Latin America intimately and extensively

*Who is an Indian?* Maxmillian C. Forte, 2014-01-31 Who is an Indian This is possibly the oldest question facing Indigenous peoples across the Americas and one with significant implications for decisions relating to resource distribution conflicts over who gets to live where and for how long and clashing principles of governance and law For centuries the dominant views on this issue have been strongly shaped by ideas of both race and place But just as important who is permitted to ask and answer

this question This collection examines the changing roles of race and place in the politics of defining Indigenous identities in the Americas Drawing on case studies of Indigenous communities across North America the Caribbean Central America and South America it is a rare volume to compare Indigenous experience throughout the western hemisphere The contributors question the vocabulary legal mechanisms and applications of science in constructing the identities of Indigenous populations and consider ideas of nation land and tradition in moving indigeneity beyond race

**Interpersonal Relations Across the Life Course** Timothy J Owens, J. Jill Sutor, 2007-09-05 This volume number 12 is subtitled Interpersonal Relations across the Life Course It is inspired by the increased awareness in recent years of the way in which structural and psychosocial dimensions of the life course shape interpersonal relations Interest in this issue has included both the maintenance of long term relationships that may span many phases of the life course and the development of relationships that are specific to particular phases The volume is a combination of invited and author initiated papers all anonymously peer reviewed that seeks to present a cohesive source of information on the multiform nature and influences of interpersonal relations from a variety of perspectives theoretical frames and substantive areas Contributions reflect Macro micro linkages and interpersonal relations i e age structures social institutions and race ethnicity Parenting across the life course Parent adult child relations and transitions Transitions in non kin relationships Social relationships and well being

Decentering International Relations Doctor Meghana Nayak, Professor Eric Selbin, 2013-04-04 Decentering International Relations seeks to actively confront resist and rewrite International Relations IR a heavily politicized field that is deeply centered in the North West and privileges certain perspectives pedagogies and practices Is it possible to break the chain of signifiers that always leads IR studies back to the US and its European allies Through engagement with a variety of theories ranging beyond the usual mainstream versus critical alternative binary and conversations with scholars activists and students the authors invite the reader to participate in an accessible yet provocative experiment to decentre the North West when we learn study and do IR In particular they examine how the pressing issues of human rights globalization peace and security and indigeneity are simultaneously normative inventions meant to sustain particular power structures and sites for insurgent and subversive attempts to live IR at the margins Selbin and Nayak have written a remarkable and provocative re envisioning of a globally important subject

*Multicultural Jurisprudence* Marie-Claire Foblets, Alison Dundes Renteln, 2009-01-16 As individuals travel across borders societies have become more and more pluralistic The result of increased migration is the interaction among cultural communities and inevitably clashes between state law and customary law These cultural conflicts have given rise to a new multicultural jurisprudence In this volume scholars grapple with the immense challenges judges are currently experiencing everywhere To what extent can and should courts accommodate litigants requests by taking their cultural backgrounds into account This collection brings together powerful examples of the cultural defense in many countries in Western Europe North America and elsewhere It shows the ubiquity of this defense contrary to the mistaken

impression that it has been invoked principally in the United States This book makes the case for undertaking studies of the use of the cultural defense in jurisdictions all over the world where this has not been previously documented Many of the chapters concentrate on criminal cases including homicide in the context of honour crimes provocation based on loss of face or witchcraft killings Some deal with other areas of law such as asylum jurisprudence family law and housing policy They show in concrete cases how cultural claims have arisen and how legal systems wrestle with these arguments It is clear that judges have had considerable difficulty handling many of the cultural claims The authors demonstrate persuasively the need to reconsider the proper use of cultural evidence in legal proceedings Those interested in the ways in which expertise influences the disposition of cases will find this book compelling      Media Agoras Sofie Van Bauwel, Bart Cammaerts, Iñaki Garcia-Blanco, 2009-01-14 Media Agoras Democracy Diversity and Communication is a collection of essays presenting some of the most up to date perspectives on the study of the role media play in the construction of a more inclusive and respectful society From theoretical debates on the role played by media in fostering participatory practices in the public sphere to more empirically based analyses of the media policy production content and reception in relation to democratic possibilities and diversity this book presents a critical overview of such crucial debates in contemporary European societies      By Their Fruits Ann FARMER, 2008 Though controversial in subject By Their Fruits presents an important examination of not only the history of abortion legislation but also the history and impact of the Eugenics movement

The Top Books of the Year Rituals Of Race Pb 1999 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
