## **Rival Heavens:**

Under Heaven's Brow Ward Hunt Goodenough, 2002 For the people of Chuuk and for students of religion and Micronesian culture this book pulls together and makes available in English the somewhat scattered published accounts largely in German along with Goodenough's own as yet unpublished information about religious beliefs and ritual practices in pre-Christian Chuuk. The materials are presented in a way that seeks to document and illustrate a particular approach a functional one to understanding the kinds of human concerns that give rise to religious behavior. Simply to describe traditional beliefs and rituals without the relevant social background information leaves the reader without any feeling for what were the emotional concerns engendered by life in Chuukese society that ritual practices helped people address. Ward Goodenough offers a theoretical introduction, the necessary background information about Chuuk and the ways in which members of Chuukese society experienced themselves and their fellows, the world view and overall set of beliefs providing the intellectual framework within which ritual practices were formulated and understood and the various bodies of ritual practices. He concludes the book with a summary that pulls together how the rituals described appear to relate to the emotional concerns that growing up and living in Chuuk tended to create.

**A Deafening Silence in Heaven** Thomas E. Sniegowski, 2015-10-06 From the New York Times bestselling author of the *Fallen* series comes a new Remy Chandler novel. He was once known as the angel Remiel. But generations ago Boston PI Remy Chandler renounced Heaven and chose to live on Earth, hiding among us humans, fighting to save our souls. Remy Chandler is hovering on the brink of death, surrounded by friends who are trying to ward off those who would take advantage of his vulnerability. Unbeknownst to them, the greatest threat to Remy is one they can't fight: God himself. The Almighty dispatches Remy far beyond their reach to an alternate universe where there has been an apocalyptic catastrophe, the Unification. Only as he hunts down the source of this calamity does it become clearer and clearer that the person responsible for the tragedy may have been none other than Remy himself. And while he searches for a way to stop his world from

following in the footsteps of the doomed alternate reality enemies are massing in his universe For the Unification is at hand  
 and this time Remy may be powerless to affect its outcome     *Atkinson's Casket* ,1837     **The Complete Poetical Works
