Miyazaki's Animism Abroad Eriko Ogiwara-Schuck, 2014-10-21 After winning an Oscar for Spirited Away the Japanese director Hayao Miyazaki's animated films were dubbed into many languages Some of the films are saturated with religious themes distinctive to Japanese culture How were these themes or what Miyazaki describes as animism received abroad especially

considering that they are challenging to translate This book examines how American and German audiences grounded on Judeo Christian traditions responded to the animism in Miyazaki s Nausicaa of the Valley of the Wind 1984 My Neighbor Totoro 1988 Princess Mononoke 1997 Spirited Away 2001 and Ponyo on the Cliff by the Sea 2008 By a close reading of adaptations and film reviews and a study of transitions in their verbal and visual approaches to animism this book demonstrates that the American and German receptions transcended the conventional view of an antagonistic relationship between animism and Christianity With the ability to change their shapes into forms easily accessible to other cultural arenas the anime films make a significant contribution to inter religious dialogue in the age of secularization *Female Exorcist in Ming Dynasty* Shi Yieleven,2019-11-06 Six years A bizarre murder case had occurred in Zhenjiang City People had been killed one after another The manner in which they died was extremely horrifying The Embroidered Uniform Guard knew of Lu Zhannan so they led their subordinate the Embroidered Uniform Commandant to investigate On the way back to Jinling City Lu Zhinan ran into a monster and was saved by the female Heavenly Master Fang Miao and the two of them got to know each other In the Great Ming Dynasty where prosperity and vicissitudes coexisted many bizarre things happened While it seemed like a coincidence it was actually inextricably linked Fang Miaomiao and Lu Zhennan again and again in the long journey of beheading demons and demons life and death and mutual love *The Religious Nile* Terje Oestigaard,2018-07-30 The Nile is arguably the most famous river in the world For millennia the search for its source defeated emperors and explorers Yet the search for its source also contained a religious quest a search for the origin of its divine and life giving waters Terje Oestigaard reveals how the beliefs associated with the river have played a key role in the cultural development and make up of the societies and civilizations associated with it Drawing upon his personal experience and fieldwork in Africa including details of rites and ceremonies now fast disappearing the author brings out in rich detail the religious and spiritual meanings attached to the life giving waters by those whose lives are so bound to the river Part religious quest part exploration narrative the author shows how this mighty river is a powerful source for a greater understanding of human nature society and religion **Myths & Legends of China** Edward Theodore Chalmers Werner,2023-10-01 Myths and Legends of China by E T C Werner Myths and Legends of China by E T C Werner is a collection of folktales myths and legends from Chinese culture The book offers insights into the rich cultural heritage of China presenting stories of gods heroes and supernatural beings Werner s collection preserves the oral traditions and imaginative narratives that have captivated generations Key Aspects of the Book Myths and Legends of China Cultural Heritage The book showcases the myths and legends that have been passed down through generations in Chinese culture offering a window into the country s folklore Mythical Characters Werner s collection introduces readers to the gods heroes and mythical creatures that populate Chinese mythology Symbolism and Meaning Myths and Legends of China invites readers to explore the symbolism morals and cultural significance embedded in these timeless narratives E T C Werner presents a tapestry of Chinese myths and

It contains numerous myths, folk tales, and legends about gods, animals, dragons, the Fox, legends, the Monkey, and tales including some obscure folklore. Written from a sociological point of view, it reveals a western look at Chinese history and their myths and legends. **Genesis in Japan** Thomas Dabbs, 2013-10-01

Genesis in Japan rises from a journal of reflections that were collected by the author while teaching the Bible to Japanese university students in Tokyo. It relates the diverse responses to the Bible that rebound subtly but forcefully back to the teacher from these students' extraordinary responses in that they are simple, pure, ordinary, and entirely disorienting. Teaching and learning the Bible in Japan has led the author to another view of the Bible, one that stands in stark contrast with the Bible in the Bible-heavy culture that was the author's beginning at a small crossroads in central South Carolina. Migration, Borders, and Borderlands John Aerni-Flessner, Grey Magaiza, Munyaradzi Mushonga, Chitja Twala, 2023-10-24

Compiling various perspectives from borderlands across the SADC region, *Migration, Borders, and Borderlands: Making National Identity in Southern African Communities*, edited by Munyaradzi Mushonga, John Aerni-Flessner, Chitja Twala, and Grey Magaiza, provides a synthesis of the experiences of borderland residents in this economically and socially integrated region. This book reframes debates around nationalism and belonging in southern Africa as it uses the idea of a borderscape to argue that nations are made at the border and in the contestations that take place in the borderlands. Understanding borders and bordering in the SADC region is crucial to understanding how policies made in oft-distant national capitals have played out among borderlands residents over time. The contributors present why national citizens in SADC so often end up in countries distant from where they were born and reside and why leaders need to be cognizant of this. Exploring gender history, policy, and the ways that people have moved across borders despite a myriad of restrictions stretching from the early twentieth century to the present, this collection centers the voices and experiences of the most marginal to make the plea for a more humane border regime in Southern Africa and globally. *Memory and Instruction* David Baine, 1986

The Geomantic Year Richard Leviton, 2006-11 The spiritual world blesses the Earth at least 58 times a year; here's how you can join the party. Do you think folklore customs about solstices and equinoxes and other regular celebration days are quaint holdovers from the past? Not so. Do you sometimes wish there were a way to include the entire planet in a meditation practice? There is, and it's called the geomantic year. At least 58 times a year, the spiritual world, angels, archangels, Ascended Masters, Star Angels, even the Supreme Being, tunes in to the Earth, blesses, and even heals it in real time, day-long events. Our planet is constantly receiving input from the cosmos and heavenly realms. It's all part of a rhythmic maintenance calendar in which the Earth is enlivened and all of humanity is invited to participate. This book shows you how. What kinds of events? On Epiphany, January 6, the Christ focuses on the planet to birth his Light. On Bifrost, Paints the Planet, April 10, the Great Bear constellation envelopes

the Earth in 14 rays of light On Michaelmas September 29 the Archangel Michael cleanses the Earth's sacred sites and all their plumbing Other events in the geomantic year involve stars Nature Spirits holy mountains River gods Pleiadians Hollow Earth dwellers Grail Kings volcano spirits the Great Mother and much more The Geomantic Year documents 58 festival dates that focus on the Earth through its sacred sites and it provides 58 simple meditations to help you participate And it offers 12 informative essays linking Earth energies with hot topics such as the Illuminati and world control parallel universes the world's gold supply the Ghost Dance the Fall of Man Earth and climate changes and the apocalyptic year 2012 Why not get out your appointment book and pencil in a few dates the Earth's expecting you The Stones of Venice, Volume 1 (Of 3) John
