River Of God A New History Of Christian Origins:

The River of God Gregory J. Riley, 2003-03-04 Where did Christianity come from Acclaimed author Gregory Riley embarks on a remarkable journey in this readable and persuasive account of the origins of Christianity Riley demonstrates that early Christians held widely differing beliefs about God Jesus the Devil and the human soul and follows these beliefs back to their sources in Greek science and philosophy and the religions of the ancient Middle East An expert on the context in which Christianity arose Riley maps out a new understanding of the forging of Christianity and conveys a vital message for today about the true nature of Christian faith as inherently diverse The River of God Gregory John Riley, 2001 The Origin of Heresy Robert M. Royalty, 2013-05-07 Heresy is a central concept in the formation of Orthodox Christianity Where does this notion come from This book traces the construction of the idea of heresy in the rhetoric of ideological disagreements in Second Temple Jewish and early Christian texts and in the development of the polemical rhetoric against heretics called heresiology Here author Robert Royalty argues one finds the origin of what comes to be labelled heresy in the second century In other words there was such a thing as heresy in ancient Jewish and Christian discourse before it was called heresy And by the end of the first century the notion of heresy was integral to the political positioning of the early orthodox Christian party within the Roman Empire and the range of other Christian communities This book is an original contribution to the field of Early Christian studies Recent treatments of the origins of heresy and Christian identity have focused on the second century rather than on the earlier texts including the New Testament The book further makes a methodological contribution by blurring the line between New Testament Studies and Early Christian studies employing ideological and post colonial critical methods The Ocean of God Roland Faber, 2019-06-29 The Ocean of God conveys the proposition that the future of religions if they will not want to contribute to the destruction of humanity will become transreligious Based on the assumption that the spiritual impulse of humanity cannot simply be eradicated religiosity will persist in transreligious forms as secularizations naturalizations and transhumanist dreams only envision such transformations but fall short in their ability to replace the force of spirituality to further civilized peace of human existence on Earth and its future in evolutionary ecological and cosmological dimensions In relating the contributions of religious pluralism to the concept of the unity of religions which have arisen in this new axial age for overcoming the checkered history of religions in furthering peace the program of a polyphilic pluralism with its transreligious discourse based on the insight of the fundamental relativity of religious truth and the special contributions of process philosophy and theology as well as the Bah universe of thought analyses and projects a new religiosity or spirit enabling religions to overcome their deepest motives of strife and warfare Rethinking Ghosts in World Religions Muzhou Pu, 2009 The central theme of this volume is to re examine the received concepts and images of ghosts in various religious cultures ranging from the Ancient Near East and Egypt to the Old Testament the Classical Era Early Medieval and Early Modern Europe Early India and Medieval China As a religious

phenomenon the realm of ghosts has been less studied than the realm of the divine Through a collaborative effort by scholars from different disciplines this volume proposes a multi cultural approach to construct a wider and complicated picture of the phenomenon of ghosts and spirits in human societies and to have a grasp of the various problems involved in understanding the phenomenon of ghost *This Is My Flesh* Jae Hyung Cho,2022-01-28 In John 6 51 59 John describes the Eucharist of Jesus by modeling Dionysus In particular John 6 53 unless you eat the flesh of the Son of Man and drink his blood you have no life in you is one of the most difficult verses found anywhere in the Bible To explain this a new approach is needed when one consistently contemplates why John uses flesh instead of body and This is my flesh instead of This is my body The Dionysiac ritual of eating and tearing raw flesh shows cannibalistic elements Unlike other negative descriptions of cannibalism in ancient literature Dionysus is described as both an eater and a giver of raw flesh By reevaluating the negative term of cannibalism John positively applies this Dionysiac cannibalism to the Eucharistic words in 6 51 59 Because emphatically and slightly ironically scholars arguments show that John 6 is still a hard teaching of Jesus Jesus hard saying 6 60 is a consequence of this cannibalistic language and the ambiguous features of Dionysus *The Biblical Tour of Hell* Matthew Ryan Hauge,2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in Odyssey Book 11 the literary model par excellence of postmortem revelation in antiquity **The Garden of Reality** Roland Faber,2018-06-20 The Garden of Reality contemplates the relativity of religious truth religious pluralism transreligious discourse postmodern cosmology and multireligious mysticism Its transreligious approach aims at a future multireligious peaceful society in an ecological and cosmic context It proposes that the future of humanity is bound to conviviality with itself and the Earth that the deepest religious motivations of existing together are relative to one another and that transreligious relativity is essential to the conviction of religions that their motivations experiences and conceptualities are meaningful real and true By engaging diverse voices from poststructuralism to Sufism Dzogchen and philosophical Daoism from conceptual frameworks of Christianity and Hinduism to mystical and postmodern cosmology current cosmopolitanism and interreligious and interspiritual discourses but especially understudied contributions of process thought and the Bahá'í religion this book

suggests that multireligious conviviality must listen to the universal relevance of a multiplicity of minority voices Its polyphilic pluralism affirms the mutual immanence and co creative nature of religions and spiritualities with the universal in sistance of divine or ultimate reality in the cosmos Embracing a relativistic and evolutionary paradigm in an infinite cosmos of creative becoming religions must cope with events of novelty that disturb and connect transcend and contrast the continuum of their truth claims but must avoid conflict as religious diversity is enveloped by an ever folding landscape of ultimate reality

The Nigerian Nation and Religion. Hyacinth Kalu, 2011-06-15 This book which is the first of a three volume series of interfaith relationships in Nigeria presents Nigeria as a multi ethnic and multi religious nation with religion controlling almost every aspects of life It highlights the deep rooted religious divide in Nigeria and looks into various ways that we can move beyond the religious bitterness existing among the three dominant religions in Nigeria African traditional religion Islam and Christianity and live work and co exit peacefully with one another as sisters and brothers Although this volume begins with the history of Nigeria as nation its primary interest and indeed the interest of the entire series is not with the politics economics and culture of the Nigerian people per se its primary focus is the religion of the people Hence it is a study of African Traditional Religion Islam and Christianity in Nigeria The focus is not the theological and dogmatic principles and faith life of these religions nor the individual and various sects within these religions rather these religions are studied from the standpoint of interfaith encounter and relationships as a requisite for peace unity and harmony in Nigeria

The Gospels of the Marginalized Marvin W. Meyer, 2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth

The Conceptual Worlds of the Fourth Gospel Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over and under and through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond These ideas did not originate in a vacuum They have recurred and been repeated before and after the writing of the Fourth Gospel For this reason we will examine the meaning of its words and themes in the context of its Jewish Greco-Roman milieu Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament the Dead Sea Scrolls Philo and other relevant writings Such parallels will help to determine the meaning of a word or expression the translation of a particular language determining any direct influences upon the Fourth Gospel parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity

Minjung and Process Hiheon Kim, 2009 This book reconstructs the legacy of Korean minjung theology by reformulating its essential ideas in a dialogue with process thought In a minimal sense this study is a theological reinterpretation of the doctrine of the minjung messiah an idea which historically suffered from a misunderstanding that minjung theology created a messianic confusion while replacing christology and soteriology by a radical anthropology This erroneous conception occurred when the idea was placed within the philosophically dualistic framework of traditional doctrines in which the work of minjung is totally separated from the work of Christ In order to avoid such a dualistic understanding the author critically adopts process panentheism and makes minjung ideas more communicable and more comprehensive in current theological religious and philosophical debates Beyond defending the idea of the minjung messiah he also argues for an inclusive minjung hermeneutics that promotes the

fundamental insight of minjung theology in philosophical clarity Through minjung hermeneutics minjung theology expands its practical concern and overcomes the theoretical nihilism in postmodern studies *Miracles and Wonder* Elaine Pagels, 2025-04-01 From a renowned National Book Award winning scholar an extraordinary new account of the life of Jesus that explores the mystery of how a poor young man inspired a religion that reshaped the world Early in her career Elaine Pagels changed our understanding of the origins of Christianity with her work in *The Gnostic Gospels* Now in the culmination of a decades long career she explores the biggest subject of all Jesus In *Miracles and Wonder* she sets out to discover how a poor young Jewish man inspired a religion that shaped the world The book reads like a historical mystery with each chapter addressing a fascinating question and answering it based on the gospels Jesus s followers left behind Why is Jesus said to have had a virgin birth Why do we say he rose from the dead Did his miracles really happen and what did they mean The story Pagels tells is thrilling and tense Not just does Jesus comes to life but his desperate hunted followers do as well We realize that some of the most compelling details of Jesus s life are the explanations his disciples created to paper over inconvenient facts So Jesus wasn t illegitimate his mother conceived by God Jesus s body wasn t humiliatingly left to rot and tossed into a common grave no he rose from the dead and was seen whole by his followers Jesus isn t a failed messiah his kingdom is a metaphor he lives in us These necessary fabrications were the very details and promises that electrified their listeners and helped his followers numbers grow In *Miracles and Wonder* Pagels does more than solve a historical mystery She sheds light on Jesus s enduring power to inspire and attract **Biblical Research**, 2003 Journal of the Chicago Society of Biblical Research **Flames of Love** Heath Bradley, 2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united *After Crucifixion* Craig Keen, 2013-11-19 This is an extraordinary text It addresses no small number of traditional theological concerns However it addresses them mindful of the earthiness of life Thus this is also a book that is concerned to address questions of migration brain physiology emotional trauma time love and death It is written not to satisfy a bloodless lust for the resolution of puzzles It is written with confidence that tangible bodies think Thus there is an earthy quality to its writing both in what it addresses and how it is addressed The manner of *After Crucifixion* may be imagined as a moment in which in some unpretentious underground venue the deep resonant percussions of subwoofers roll as a carnal wave across the chest and throat before they become the bass

line in a conscious musical thought After Crucifixion has been written for the ears the chest the throat no less than for focused deliberate disciplined thought But it is written in particular for bodies befriended by the Mystery of life and death in the carnal event of the crucifixion resurrection of the Galilean peasant Jesus who unhands the fruit of the knowledge of good and evil and thus invites us to join him in prayer *Asian Contextual Theology for the Third Millennium* Paul S Chung, Veli Matti Karkkainen, Kim Kyoung-Jae, 2010-03-25 In this volume an attempt is undertaken to highlight the genesis progress and transformation of Asian contextual theology of minjung introducing its historical point of departure its development and its transformation in light of younger Korean and Korean American scholars endeavors In this regard the new Asian contextual theology which is emerging strives to integrate both minjung and the wisdom of World Religions into its own framework and direction assuming the character of a public theology and remaining humble and open before God s mystery while featuring its association with minjung in a holistic way
