stream of consciousness paragraphs and introduces each by a black silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true Rapture River is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times *Hidden Water -- A Search for Truth on the Colorado River* Pasquale De Marco, 2025-04-19 *Hidden Water A Search for Truth on the Colorado River* is a fascinating exploration of the story of James White and his controversial journey through the Grand Canyon White claimed to have made the daring journey two years before John Wesley Powell's famous expedition but his story was met with skepticism at the time and largely forgotten until recently In recent years there has been a renewed interest in White's story and historians and explorers have been trying to piece together what really happened during his journey some believe that White did indeed make it through the canyon while others believe that his story was a hoax The truth about James White's journey may never be known but his story is a reminder of the indomitable spirit of exploration It is a story about the power of dreams the challenges of the unknown and the enduring legacy of the Grand Canyon This book examines the evidence for and against White's claims and it looks at the impact his story has had on the exploration of the canyon It explores the broader themes of exploration truth and the human spirit Whether or not you believe that James White made it through the Grand Canyon his story is a fascinating one It is a story that will stay with you long after you finish reading it *Hidden Water A Search for Truth on the Colorado River* is a must read for anyone interested in the history of the Grand Canyon exploration or the human spirit If you like this book write a review on google books *Hidden History of the Toe River Valley* Michael C. Hardy, 2023 The Toe River winds its way past the peaks of Mount Mitchell carving the valley that bears its name Mineral mines go back to the earliest days of Yancey County and encouraged industrialists to come to the region Mitchell County's Bakersville experienced violent unrest in 1892 with a riot and lynching but did they actually happen The section of the Blue Ridge Parkway that runs through Avery County was left incomplete for years because a property dispute with the owner of Grandfather Mountain take a journey along forgotten rail lines and discover abandoned communities and sites whose histories have shaped this valley's story just as the river has shaped its landscape North Carolina historian and author Michael C Hardy explores the hidden historical gems of the region
