River Of Memories An Appalachian Boyhood:

River of Memories David Lee Thompson, 2002 David Lee Thompson has produced a caring and introspective personal account of the vanishing Appalachian culture This way of life existed for over twelve generations teaching its people the importance of family community and religion Thompson's old home place now empty and lonely holds faint whispers of what was once alive with laughter and reminiscences His boyhood memories of life on Bowen Creek represent the last vestiges of a time and place now nearly extinct Dr Alan B Gould Executive Director The John Deaver Drinko Academy Marshall University From the first pioneers who struggled west to make a home among our hills and hollows our families have been our culture's backbone The portrait of Appalachian life David Thompson paints is one familiar to generations of southern West Virginians It is a history that should be saved and valued U S Representative Nick Rahall WV As readers journey along in David Thompson's River of Memories they uncover truths about themselves and gain a better understanding about life in Appalachia This is especially true for those of us who have strong ties with its people helping us appreciate our heritage even more Shawn W Coffman M D Huntington Internal Medicine Group **Journal of Appalachian Studies**, 2003

Appalachian Heritage, 1998 **Kentucky** James C. Klotter, 1996-01-01 The first comprehensive history of Kentucky during the first half of the twentieth century presenting a sweeping view of these crucial years when the forces of continuity and change competed for primacy in the state **James Still** Ted Olson, Kathy H. Olson, 2007-10-23 Best known as the author of the acclaimed novel River of Earth 1940 Alabama native James Still is one of the most critically acclaimed writers of Appalachian literature This compilation of scholarly essays new and reprinted from hard to find sources exploring Still's literary work is the first book length collection of its kind and features contributions from leading scholars and writers including Wendell Berry Fred Chappell Jim Wayne Miller Jeff Daniel Marion Diane Fisher Dean Cadle and Hal Crowther The book explores the full range of Still's literary interests with separate chapters devoted to River of Earth his short stories poetry folkloric writings and writings for children **Publications of the American Folklife Center**, 1977

Appalachian Journal, 2000 A regional studies review **Inquiring about Cultures** Roger C. Owen, 1972 Vista Del Mar Neal Snidow, 2016-06-01 This remarkable book joins the company of self work deep acts of memory that serve to illuminate the present by shining the clear light of careful regard on the past The book finds company in the work of D J Waldie's Holy Land Didion's Slouching Towards Bethlehem and the profound My Struggle by Karl Ove Knausgaard In 1996 Neal Snidow found himself at a personal impasse as he and his wife struggled in vain to have a child Locked in sadness at their predicament in mid career as a college teacher and unpublished writer and at the first daunting steps of open adoption as a kind of solace Neal began taking black and white photos of his old neighborhood in southern California The film was slow the camera on a tripod the process awkward and the goal no more than Garry Winogrand's famous dictum that he made pictures to find out what something will look like photographed But as this process unfolded and the images began to

accumulate slowly but surely the pictures unlocked the past and he began to delve into family history opening out the secret and the unspoken and evoking the lost pleasures and losses of the beach town where he had grown up The chapters that followed like the photos that now accompanied them were quietly observant of an ordinary surface around which gathered an aura of struggle gaiety and loss He titled the book *Vista Del Mar* for the street that ran past his old apartment to the edge of the Pacific and gave it the subtitle a memoir of the ordinary in testimony to the everydayness of the experiences he explored The chapters move back and forth in time and place to Virginia to a homestead in Wyoming to depression era Nebraska to the Second World War Aunts uncles ancestors beach denizens characters of film noir and finally a miraculous new baby all populate the pages which despite the struggles they relate conclude on a major chord of reconciliation and hope
