Angeles in California Creating a series of river biographies Coates gives voice to each of these bodies of water exploring how rivers nurture us provide cultural and economic opportunities and pose threats to our everyday lives He challenges recent narratives that paint rivers as the victims of abuse pollution and damage at the hands of humans focusing on change rather than devastation Describing how humans and rivers form a symbiotic and sometimes mutually destructive relationship Coates argues that rivers illustrate the limits of human authority and that their capacity to inspire us is as strong as our ability to pollute them An intimate portrait of the way these bodies of water inform our lives A Story of Six Rivers will make us reconsider the streams and tributaries we traverse each day

River Dreams Ian Tyrrell, 2018-03-01 In the beginning there was the river before the beach before the drain before the dredging before the dams before numerous other actions that altered the stream River Dreams reveals the complex history of the Cooks River in south eastern Sydney a river renowned as Australia's most altered and polluted While nineteenth century developers called it improvement the sugar mill tanneries and factories that lined the banks of Sydney's Cooks River had drastic consequences for the health of the river Local Aboriginal people became fringe dwellers and over time the river became severely compromised with many ecosystems damaged or destroyed Later a large section was turned into a concrete canal and in the late 1940s the river was rerouted for the expansion of Sydney Airport While much of the river has been rehabilitated in recent decades by passionate local groups and through government initiatives it continues to be a source of controversy with rapid apartment development placing new stresses on the region River Dreams is a timely reminder of the need to tread cautiously in seeking to dominate or ignore our environment A beautiful book that reminds us that Australians are river people as much as we are bush or coast dwellers IAN HOSKINS
