THE RIVER WHY

ONE MAN'S STRUGGLE TO CATCH HIS DREAMS

River Why

James Wilkinson Dale

River Why:

The River Why David James Duncan, 2015-09-08 The classic novel of fly fishing and spirituality republished with a new Afterword by the author Since its publication in 1983 The River Why has become a classic David James Duncan's sweeping novel is a coming of age comedy about love nature and the quest for self discovery written in a voice as distinct and powerful as any in American letters Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path Taking refuge in a remote cabin he sets out in pursuit of the Pacific Northwest's elusive steelhead But what begins as a physical quarry becomes a spiritual one as his quest for self knowledge batters him with unforeseeable experiences Profoundly reflective about our connection to nature and to one another The River Why is also a comedic rollercoaster Like Gus the reader emerges utterly changed stripped bare by the journey Duncan so expertly navigates

Bridge Over The River Why David Cooper, Deborah Cooper, 2018-04-09 In Bridge Over the River Why the Coopers have succeeded in a dual task documenting their own journey through the grief of losing their son Eli by suicide while at the same time providing a valuable resource for anyone who has had to face the same terrible tragedy They start with the premise that doing and feeling are the key components of moving forward and have a core message to deliver as bereaved parents we want you to know this is survivable This short book blends the personal inquiry of David and Deborah populated with meaningful quotations and practical advice They challenge readers to harness their own resilience and list a series of brief tips ranging from how to talk to friends the more we talk about the loss the more real it becomes talk about your child often Keeping Eli's name in day to day conversation helped them move forward There are different ways to carry on the legacy of a loved one Some keep a photo album while others focus on sponsoring a memorial lecture or a scholarship In their search for meaning the Coopers are committed to addressing a significant gap in the mental health services for people like Eli by establishing Eli's Place a rural residential treatment and transition centre dedicated to holistic therapeutic techniques for young adults As a psychiatrist working in the fields of depression and suicide I am inspired by this initiative and believe this is an important step in building strong partnerships between persons who have lived through serious mental health challenges and those who provide professional care Sidney H Kennedy MD Professor of Psychiatry University of Toronto Arthur Sommer Rotenberg Chair in Suicide and Depression Studies St Michael's Hospital This book is an excellent guide for parents and others grappling with a suicide loss The Coopers are an authentic compassionate pair of voices that speak from their lived experience Cross the bridge and take the journey with them A journey of tears and ultimately hopefulness Alex Shendelman Program Manager The Survivor Support Program Distress Centres Toronto and a survivor of suicide loss
