Riverside Preachers:

The History of the Riverside Church in the City of New York Peter J. Paris, John W. Cook, James Hudnut-Beumler, Lawrence Mamiya, 2004-05-01 It was from the pulpit of the Riverside Church that Martin Luther King Jr first publicly voiced his opposition to the Vietnam War that Nelson Mandela addressed U S church leaders after his release from prison and that speakers as diverse as Cesar Chavez Jesse Jackson Desmond Tutu Fidel Castro and Reinhold Niebuhr lectured church and nation about issues of the day The greatest of American preachers have served as senior minister including Harry Emerson Fosdick Robert J McCracken Ernest T Campbell William Sloane Coffin Jr and James A Forbes Jr and at one time the New York Times printed reports of each Sunday s sermon in its Monday morning edition For seven decades the church has served as the premier model of Protestant liberalism in the United States Its history represents the movement from white Protestant hegemony to a multiracial and multiethnic church that has been at the vanguard of social justice advocacy liberation theologies gay and lesbian ministries peace studies ethnic and racial dialogue and Jewish Christian relations A collaborative effort by a stellar team of scholars *The History of the Riverside Church in the City of New York* offers a critical history of this unique institution on Manhattan s Upper West Side including its cultural impact on New York City and beyond its outstanding preachers and its architecture and assesses the shifting fortunes of religious progressivism in the twentieth century *Prophetic Preaching* Leonora Tubbs Tisdale, 2010-08-09 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale s work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake **The Riverside Preachers**, 2012-10-01 The historic Riverside Church in New York City has been blessed with great preachers Harry Emerson Fosdick Robert J McCracken Ernest T Campbell and William Sloane Coffin Jr Issued in honor of the 135th anniversary of the birthday of Dr Harry Fosdick this updated edition includes twenty sermons by these first four preaching ministers *The War That Never Was* Kenneth W. Kemp, 2020-05-29 One of the prevailing myths of modern intellectual and cultural history is that there has been a long running war between science and religion particularly over evolution This book argues that what is mistaken as a war between science and religion is actually a pair of wars between other belligerents one between evolutionists and anti evolutionists and another between atheists and Christians In neither of those wars can one align science with one side and religion or theology with the other This book includes a review of the encounter of Christian theology with the pre Darwinian rise of historical geology an account of the origins of the warfare myth and a careful discussion of the salient historical events on which the myth makers rely the Huxley Wilberforce exchange the Scopes Trial and the larger anti evolutionist campaign in which it was embedded and the more recent curriculum wars

precipitated by the proponents of Creation Science and of Intelligent Design Theory *Divine Therapeia and the Sermon*
 Neil Pembroke,2013-09-19 Therapeutic preaching is badly in need of rehabilitation Administering mini doses of psychological self help from the pulpit simply will not do Therapeutic preaching that is theocentric draws listeners more deeply into God s healing love It involves setting up a creative conversation between divine and human therapy In a novel and deeply insightful way Neil Pembroke shows how metaphors and analogues drawn from psychotherapy can be employed to draw out the power in divine therapeia **A Sense of Being Called** Richard Stoll Armstrong,2011-01-01 Dick Armstrong was thoroughly committed to his promising future as a major league baseball front office executive until something happened that completely changed his life and steered him in a totally new direction In A Sense of Being Called Armstrong tells the story of what he calls his Damascus Road experience an awesome encounter with the God he had always believed in but had never given the slightest thought to serving The dramatic theophany initiated a remarkable pilgrimage of faith in which he and his supportive wife Margie learned how God guides provides for and equips those who respond to the divine call What the unbelieving world would label coincidence Dick and Margie viewed as the miraculous providence of God of a God whose timing they came to understand is often surprising and always perfect As the doors to entering seminary kept opening or closing in unpredictable ways Dick was eventually led to Princeton Theological Seminary where he met then president John A Mackay who was to have a powerful impact on Dick s life Dick and Margie s departure from the Baltimore Orioles and their transition to becoming a full time seminary couple was traumatic Their five and a half year old son died on the Seminary s convocation day The poignant story of Ricky s death provides another inspirational illustration of how God is able to work for good even in the death of a child with those who are called according to God s purpose The three years at seminary were transformational for Dick Armstrong who traces the often humorous events leading to his ordination and call to be the pastor of the Oak Lane Presbyterian Church of Philadelphia Armstrong s hope is that this book will move readers to consider how God has been at work in their lives and will awaken in them their own sense of being called *Why We Preach* Eben Kanukayi Nhiwatiwa,2016-09-01 This book is the first of two volumes on Preaching in the African Context For both seasoned preachers and beginners including students in seminaries Bible colleges and universities this first volume explores why we preach and the principles of contextual preaching in Africa Nhiwatiwa demonstrates that contextual preaching serves as the most appropriate way of communicating the gospel in Africa it can connect with and engage the minds of people in effective ways Read these volumes to see why preaching is an urgent aspect of ministry that can open new horizons and give fresh outlook for the future **A Serious House** Martin Camroux,2024-04-30 The church is in deep trouble maybe in its death throes Losing touch with the church has meant a break with the Western cultural past its history its music its art its literature much of which cannot fully be understood without its religious heritage But something more important than any of that is in danger of being lost The church is a deeply imperfect and frustrating organization but within it community is experienced values are

nurtured and God's presence in the world is embodied in a people. The church carries the story of Jesus; it tells the story of who we are; it calls us to give away our lives to others and to find love as life's central meaning. We have crossed a cultural divide. Before, if you did not hold traditional religious beliefs and belong to a church, you felt obliged to explain yourself. Now the pressure is to explain why you do. This is my answer. Where Cross the Crowded Ways Campbell, 2005-08-16. In this revised edition of a classic collection of congregational prayers, Ernest T. Campbell demonstrates the value and creative potential of thoughtfully prepared public prayers. Originally crafted for use in The Riverside Church, New York City, these pastoral prayers continue to engage with the concerns of contemporary life and the richness of religious faith. They will be an invaluable resource both for those who plan worship services and for those who seek to deepen their personal prayer lives.

Veracity and Verse James A. Forbes, 2025. A culled collection of writings by James Forbes, the first Black senior minister at Riverside Church in New York City. He broke barriers of Black leadership in mainline Christian denominations and brought preaching styles of the Black church to white pulpits. A triumphant story told in his own verse and documented narrative history.

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17. Uniquely authoritative and wide-ranging in its scope, The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church. It contains over 6,500 cross-referenced A-Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject, from theology, churches and denominations, patristic scholarship and the Bible to the church calendar and its organization, popes, archbishops, other church leaders, saints and mystics. In this new edition, great efforts have been made to increase and strengthen coverage of non-Anglican denominations, for example, non-Western European Christianity, as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe. In particular, there have been extensive additions with regards to the Christian Church in Asia, Africa, Latin America, North America, and Australasia. Significant updates have also been included on topics such as liturgy, Canon Law, recent international developments, non-Anglican missionary activity, and the increasingly important area of moral and pastoral theology, among many others. Since its first appearance in 1957, the ODCS has established itself as an essential resource for ordinands, clergy, and members of religious orders, and an invaluable tool for academics, teachers, and students of church history and theology, as well as for the general reader.

Leland Ryken and Benjamin Hernandez and many more *Contemporary African American preaching P3040*, L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories. Portraying the many approaches that are empowering preaching in African American churches today, Bond shows how different theological perspectives produce different methods of sermon preparation and delivery, different strategies for selecting illustrative material, and even different ways of beginning and ending sermons. Her goal is not to lift up the right way to preach in the African American tradition but to show the richness and nuance contained within this powerful cultural expression.

Crossover Preaching Jared E. Alcántara, 2015-10-08 In our increasingly pluralistic and multicultural society, there is a need for preaching that is capable of crossing cultural boundaries and engaging multiple contexts. Jared Alcántara's exciting new work proposes an intercultural and improvisational account of preaching in conversation with the legacy of Gardner C. Taylor.

Keeping Alive the Rumor of God Martin Camroux, 2020-08-21 Can't you hear those little bells tinkling? Down on your knees. They're bringing the sacraments to a dying God. wrote Heinrich Heine in 1834. It took a while, but today it is happening. Across the Western world, the traditional picture of God is dying, and institutional religion is collapsing. Today we are trying something never done before: living with no agreed narrative that tells us who we are and with a materialist view of life. It isn't enough. An idea of God may have died, but the mystery of our human life is of an inner depth which is not simply physical or material. Marvel, mystery, wonder, beauty, love, the numinous, the *mysterium tremendum*, remain the essence of who we are. What I am trying to do is describe this experience in such a way that those who have not had it can get a glimpse of it from inside and understand how it can give a life meaning and purpose. This is explored through a liberal Christian tradition committed to social justice and honest exploration. Scripture is vital to this, but so are art, poetry, music, and beauty. When most people are looking the other way, we must keep the rumor of God alive.

The Relational Pulpit Scott W. Alexander, 1993 Includes personal profiles, methods for effective sermon writing, and suggestions for improving the speaker-audience connection.

The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, *The Encyclopedia of Christian Literature* is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 biobibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian literature, and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools, as well as to the growing body of Christian readers and
