Road Rash Dharma Kelleher, 2022-06-14 Can she help a young woman escape a doomsday sex cult before it s too late Shea Stevens hates feeling useless But a motorcycle accident has left her with an injured knee and a nasty case of road rash leaving her unable to build a new bike for an upcoming competition When the daughter of a friend disappears into a suspected cult the battered biker chick is determined to intervene before the woman is lost forever Infiltrating the organization Shea uncovers the cult's horrifying plans and tries desperately to convince the na ve woman to leave But the cult's powerful brainwashing forces Shea to take drastic measures pushing her broken body beyond its limits as doomsday approaches Can Shea rescue the young woman before the cult executes its final deadly scheme or will she too be seduced by their twisted indoctrination Road Rash is the nail biting fourth novel in the Shea Stevens Outlaw Biker series If you enjoy harrowing psychological suspense full throttle action and queer women who kick ass you will love Dharma Kelleher's roller coaster conclusion to the series Buy Road Rash today and join Shea as she dives deep into the murky waters of freedom manipulation and soul crushing consequences **Sign of the Slaver** Sharina Harris, 2023-08-29 Full Metal Alchemist meets Vampire Diaries in this fun and clever dark academia series High school is supposed to be about studying socializing and marching band practice Not fighting vampires Then one night flipped my world inside out now my life sucks But it isn t all bad I m at a slaver academy learning things like the real origin of vamps and how to make serious weapons out of thin air Every last one of them will pay for what they did I m doing great Until I come face to face with the actual vampire prince and I m not sure of anything anymore Vampires are supposed to be soul sucking demons But Khamari is something else He s intelligent and reasonable and he seems to know things about me that could change everything He s also hiding something big even from his own kind And when a threat from an ancient evil is so extreme that a vampire will team up with a slayer to take it down it isn t just my need for revenge that s at stake anymore It s the whole damn world The American Slayer Society series is best enjoyed in order Reading Order Book 1 Sign of the Slayer Book 2 Soul of the Stone Hasta Luego, San **Diego** Jean F. Andrews, 1991 Learning disabled Donald and his deaf friend Matt are kidnapped by crooks who have stolen rare cockatoos from the San Diego Zoo while his older sister is involved in a Hispanic boy s abuse by his father **Tinker Tales** Allan Lowson, 2008-10-29 The first Tinker Tale popped out over fifteen years ago and they just keep a coming Die Schwarzwitwe Black Widow starts this collection introducing Tinker and a couple of ongoing characters Magic John a gutter mage and Red the Ted a psychic bruiser of advancing years It also introduces the theme of magic as Tinker begins his reluctant evolution into a magician with an exorcism This one is for Vincent fans Other characters follow In Hard Iain a warrior Pict ancestor vectors into Tinker via a miscegenated motorcycle precipitating a fiery immolation Death in the unlikely form of a young girl thumbs a lift from Tinker in Free Ride and him to introduces Anarch the irascible personification of Freedom Problems with law and order follow plus a gifting that effectively ensures a hands off with Death Iain resurfaces in

Pictoglyph to tell the tale of his heroic demise set Tinker a heavy task and leave his mark In Death in the Dam a cute little Reaper comes to claim an old friend from Tinker's misspent youth who s run out of road Away with the fairies at Underhill's annual market Buyer Beware finds Tinker buying a pup amongst other things and rescuing a maiden from goblins Bonzo the pup shows his stuff in Boodgie Woodgie when Tinker takes him busking and the Law butts in The next tale Alfie has Tinker acting as advocate for an old sinner while a demon prosecutes and Death sits in judgement Lastly in Time Passages a trip to the past discovers Tinker confronting his younger self and Jean the ill fated love of his life A choice to make and a life at stake Sadder wiser hopefully Tinker faces the future perhaps in Tinker Tales Two Regular readers of Back Street Heroes magazine may have seen some of these stories before some of the characters may even seem vaguely familiar Actually there is a fair bit of reality in the mix fact frequently being no stranger to fiction Resemblance to anyone living dead or ethereal is but coincidental Anyone offended by Tinker or any other character should remember they re the stuff of which dreams are made and who can claim to control a dream Literate biker fiction may seem oxymoronic some may be surprised they can actually read Tinker Tales attempts not only to entertain but to counter the negative reputation motorcycling and magic has acquired Unrepentant Peter Edwards, 2014-04-01 In this explicit first hand account a If the author succeeds in that it is enough biker who spent 46 years as a member of the Hells Angels and Satan's Choice invites bestselling author Peter Edwards into the story of life lived as we ve only imagined it A kid raised by his father s fists on the wrong side of a blue collar town Lorne Campbell grew up watching the local bikers ride past making him wonder what that kind of freedom and power would feel like He soon found out At the age of 17 he became the youngest ever member of the Satan's Choice Motorcycle Club and spent the next 5 decades living a life for which he does not ask forgiveness only that his story finally be told and that his family finally understand what drove him to live the way he did With moments of terror and humour great sadness and the simple pleasures of camaraderie and the open road Unrepentant is a book like none other Born Under a Bad Sign Max Razo, 2009-09 Book Review A born again s harrowing autobiography retraces his path from an emotionally impoverished childhood through a successful criminal career and finally to the redemption of the confessional Razo assures his reader that his story will be unembellished with no false modesty or undue embarrassment and after the first few pages it s clear he will keep his word Razo begins his meditation with his earliest memories of growing up working class in the dusty sunny atmosphere of post war San Diego Despite the city's burgeoning diversity and sense of opportunity his veteran father's American Indian heritage runs the family into trouble and teaches Razo some early lessons on the harsh realities of American culture Though his family does help keep him in school for a while his mother and father are over extended with Razo and his five sisters Though the emotions run hot between his mother and father usually it seems between rage and a begrudging commitment there is little feeling left over for the children Razo doesn t shirk from any topic and provides some unique insights into the awkward presexuality that develops between the members of such a large cloister of siblings especially

when there is only one male to go around It s a brave choice and makes good on Razo's promise of full disclosure Through the machinations of poverty prison drugs and kung fu Razo eventually impresses a major player with his martial arts and so finds himself one of Hell's Angels and on his way toward an illicit seven figure salary These years aren't overworked with analysis and even when some regret seeps in it seems a bit half hearted he was having fun after all The ragged emotions of such a life though familiar territory in fiction and nonfiction alike are still made interesting by their sheer detail and a narrative voice that isn t polished enough to hide the author s hell bent and engaging character Razo s life is colorful to be sure and he was even a successful off roading champion for a spell but the real interest is Razo's unlikely negotiations of the mortal pitfalls of the drug trade amid so many murdered and murderous friends Skeptical readers will conclude the author was saved more by a plea deal than by holy intervention but it s Razo s story and there is no doubting that he s told it as he lived it A harrowing willful account of a life led hard and fast Kirkus Discoveries The Dead and the Beautiful Cheryl Crane, 2014-08-05 When Ryan Melton husband of television star Diara Elliot is found murdered realtor and amateur detective Nikki Harper sorts through a tangled web of lies to find the truth before she becomes the next target Diseases Theodore J. Sabol, 2013-05-10 Adoptee A Childhood of Torment The true story of an adopted child abused beaten taunted and humiliated Released this week this book reveals a very different side of the Catholic Ursuline Order of Sisters and of one of the largest Cathoic churchs in the Cleveland Diocese St Charles Catholic Church during the 1960 s Unlike the priests of the Catholic Church the abuse of the Ursuline Sisters was not sexual but physical mental and verbal The author Joseph M Sabol spent the first years of his life in abusive foster homes and was eventually adopted through the Catholic Charities of Cleveland Ohio This book

delves into his search for and discovery of his biological parents His biological mother was a victim of statutory rape by a married 28 yr old man yet she refused to sign away her parental rights forcing them to put Joseph in foster care The constant taunting of some of the kids who lived on Dorothy Avenue in Parma Ohio eventually caused extremely violent reactions from Joseph His propensity for violence forced an evaluation at the Cleveland Clinic for mental illness His adoptive parents John and Tilly Sabol lovingly took Joseph in to their home and adopted him The struggles of raising a severely abused child proved out to be a challenging task which the Sabols refused to give up on Joseph's adoptive mother Tilly demanded accountability from the nuns who added to the already abused child to the point of a physical confrontation The values of a good Christian family and tough discipline eventually broke the cycle of violence Joseph went on to graduate from high school and then Penn State University with 2 degrees in Business as well as a Graduate Degree in Medicine from the Biosystems Institue for Respiratory Therapy in Phoenix Arizona He is Board Certified by the American Medical Society Joseph no longer practices Respiratory Therapy but enjoyed a hobby of breeding some of the best lines of Doberman Pinschers in the world During that time he wrote over 100 articles for E Zine Articles and attained Platimun Expert Author status on June 4th 2008 Joseph still lives in Parma with his wife and Doberman Pinscher Escape from Ancient Egypt A.K.
