Road Songs Music Of The Great Lakes:

Music of the First Nations Tara Browner, 2010-10-01 This unique anthology presents a wide variety of approaches to an ethnomusicology of Inuit and Native North American musical expression Contributors include Native and non Native scholars who provide erudite and illuminating perspectives on aboriginal culture incorporating both traditional practices and contemporary musical influences Gathering scholarship on a realm of intense interest but little previous publication this collection promises to revitalize the study of Native music in North America an area of ethnomusicology that stands to benefit greatly from these scholars cooperative community oriented methods Contributors are T Christopher Aplin Tara Browner Paula Conlon David E Draper Elaine Keillor Lucy Lafferty Franziska von Rosen David Samuels Laurel Sercombe and Judith Vander Great Lakes and Midwest Catalog Partners Book Distributing, 2004 Great Lakes Recruit , 1917 Our Navy, the Standard Publication of the U.S. Navy , 1918 **Wisconsin Library Bulletin** , 1975 Music and the Road Gordon E. Slethaug, 2017-12-02 Brian Wilson and The Beach Boys Bob Dylan Bruce Springsteen and Paul Simon these familiar figures have written road music for half a century and continue to remain highly regarded artists But there is so much more to say about road music This book fills a glaring hole in scholarship about the road and music In a collection of 13 essays *Music and the Road* explores the origins of road music in the blues country western and rock n roll the themes of adventure freedom mobility camaraderie and love and much more in this music the mystique and reality of touring as an important part of getting away from home creating community among performers and building audiences across the country from the 1930s to the present and the contribution of music to popular road films such as *Bonnie and Clyde* *Easy Rider* *Thelma and Louise* and *On the Road* **Making Music in Music City** John Markert, 2023-08-18 At least since the rise of the Nashville sound in the 1950s Tennessee s capital city has attracted numerous books and articles offering insight into the celebrity machine known as Music City But behind the artist in the limelight are a host of support personnel and contributors who shape the artist s music Of these myriad occupations within the music industry only two have received significant attention executives at the major labels and elite songwriters who have forged a path to the top of the charts In *Making Music in Music City* sociologist John Markert compiles and assesses more than one hundred interviews with industry professionals whose roles have been less often examined producers publishers songwriters management studio musicians and more The book naturally pivots around the country music industry but also discusses Nashville s role in other forms of modern music such as rock Christian and rap Markert s in depth interviews with key music professionals provide a fresh perspective on the roles of critical players in Nashville s music industry This book sheds light not only on the complexities of the industry and the occupational changes taking place but on the critical role of those who work behind the scenes to shape the music that ultimately reaches the public Through firsthand accounts *Making Music in Music City* analyzes just what it takes to create produce and disseminate the Nashville sound Music Clubs Magazine , 1950 **Catalog of Copyright Entries** Library of Congress.
