LAWRENCE STONE

Road To Divorce England 1530 1987

Stephen Michael Cretney

Road To Divorce England 1530 1987:

Road to Divorce Lawrence Stone, 1995 Lawrence Stone is one of the world's foremost historians. In such widely acclaimed volumes as *The Crisis of the Aristocracy*, *The Family*, *Sex and Marriage in England* and *The Open Society* he has shown himself to be a provocative and engaging writer as well as a master chronicler of English family life. Now with *Road to Divorce* Stone examines the complex ways in which English men and women have used, twisted and defied the law to deal with marital breakdown. Despite the infamous divorce of Henry VIII in 1529 Britons before the 20th century were predominantly in Stone's words a non-divorcing and non-separating society. In fact before divorce was legalized in 1857 England was the only Protestant country with virtually no avenue for divorce on the grounds of adultery, desertion or cruelty. Yet marriages did fail and in *Road to Divorce* Stone examines a goldmine of court records in which witnesses speak freely about love, sex, adultery and marriage; memoirs, correspondence and popular imaginative works to reveal how lawyers and the laity coped with marital discord. Equally important in tracing the history of divorce Stone has discovered a way to recapture the slow, irregular and tentative evolution of moral values concerning relations between the sexes as well as the consequent shift from concepts of patriarchy to those of sexual equality. He thus offers a privileged, indeed almost unique insight into the interaction of the public spheres of morality, religion and the law. Written by the foremost historian of family life *Road to Divorce* provides the first full study of a topic rich in historical interest and contemporary importance, one that offers astonishingly frank and intimate insights into our ancestors' changing views about what makes and breaks a marriage.

Routledge Handbook of Family Law and Policy John Eekelaar, Rob George, 2020-07-26 Changes in family structures, demographics, social attitudes and economic policies over the last 60 years have had a large impact on family lives and correspondingly on family law. The Second Edition of this Handbook draws upon recent developments to provide a comprehensive and up-to-date global perspective on the policy challenges facing family law and policy round the world. The chapters apply legal, sociological, demographic and social work research to explore the most significant issues that have been commanding the attention of family law policymakers in recent years. Featuring contributions from renowned global experts, the book draws on multiple jurisdictions and offers comparative analysis across a range of countries. The book addresses a range of issues including the role of the state in supporting families and protecting the vulnerable children's rights and parental authority, sexual orientation, same-sex unions and gender in family law and the status of marriage and other forms of adult relationships. It also focuses on divorce and separation and their consequences, the relationship between civil law and the law of minority groups, refugees and migrants and the movement of family members between jurisdictions, along with assisted conception, surrogacy and adoption. This advanced level reference work will be essential reading for students, researchers and scholars of family law and social policy as well as policymakers in the field.

Law and Government in England during the Long Eighteenth Century D. Lemmings, 2011-10-28 Over the long eighteenth century English

governance was transformed by large adjustments to the legal instruments and processes of power This book documents and analyzes these shifts and focuses upon the changing relations between legal authority and the English people New Men in Trollope's Novels Dr Margaret Markwick,2013-04-28 New Men in Trollope s Novels challenges the popular construction of Victorian men as patriarchal despots and suggests that hands on fatherhood may have been a nineteenth century norm Beginning with an evaluation of the evidence for cultural determinations of masculinity during Trollope s times Markwick sets the stage with a discussion of the religious philosophical and educational influences that informed the evolution of Trollope s personal views of masculinity as he grew from boyhood into later manhood Her treatment of his novels drawing on a wide selection from across the oeuvre shows that sensitive examination of Trollope s texts discovers him advancing a startlingly modern model of manhood under a veneer of conformity Trollope s independent views on child rearing education courtship marriage parenthood and gay men are also discussed within the context of Victorian culture in this witty original and immensely knowledgeable study of Victorian masculinity **Contemporary Family Law** Susan S. M. Edwards,Judith Bray,2025-01-21 Taking a fresh and modern approach Contemporary Family Law Principles and Practice gives students all the information they need to develop a clear understanding of this fascinating area of the law Covering the very latest developments in family law each chapter uses contemporary cases as a window to introducing core legal concepts principles and developments emphasising the dynamism and evolving nature of family law in which practitioners campaigners law reformers and students all play their part Key features include Developments in family law are considered not only from a vantage point of judicial decision making but also from the perspective of the contribution made by solicitors barristers and experts This encourages students to develop a sense of their own potential agency when as future practitioners they represent their clients and engage in law reform In considering legal argument and case determination the book places equality front and centre including access to justice Each chapter provides further reading with online links and URLs and a set of self test questions including problem scenarios and discursive essay questions Each form of assessment reflects the levels of educational attainment and mirrors testing techniques relevant to academic examination and legal professional and vocational practice courses This uniquely contemporary textbook will be essential reading for all students of family law

Disorder in the Court George Robb,Nancy Erber,1999-06 At the turn of the century a spate of sensational trials kept French and English readers spellbound and ignited bitter tugs of war over marriage and divorce laws women s rights temperance gay prostitution and lesbian literature The chapters in Disorder in the Court each focus on a specific high profile trial and the public debates surrounding it in order to address the role of the state in regulating sexual morality The authors draw on police archives records of coroners inquests magistrates courts and news coverage to bring to life social conflicts sparked by differing ideologies of class gender and sexuality Also explored is the role of the police and scientific methods of criminology in an era when working class marital conflicts were resolved by an axe blow unwanted middle class spouses

were dispatched with an arsenic diet and government agents scanned sensational novels or loitered in Paris urinals in search of vice

Widowhood in Medieval and Early Modern Europe Sandra Cavallo, Lyndan Warner, 2014-07-30 This new collection of essays brings together brand new research on widowhood in medieval and early modern Europe The volume opens with an introductory chapter by the Editors which looks generally at the conditions and constructions of widowhood in this period This is followed by a range of essays which illuminate different dimensions of widowhood across Europe in England Italy France Germany and Spain A particular attraction of the volume is the attention given to widowers and the comparisons made between the male and female experience of widowhood It is an exciting reinterpretation of the subject which will do much to undo the traditional stereotype of the widow Contributing to the volume are Jodi Bilinkoff Giulia Calvi Sandra Cavallo Isabelle Chabot Julia Crick Amy Erikson Dagmar Freist Elizabeth Foyster Margaret Pelling Pamela Sharpe Tim Stretton Barbara Todd and Lyndan Warner

Women, Agency and the Law, 1300-1700 Bronach Kane, 2015-10-06 Based on close readings of both public and private documents court records churchwarden accounts depositions diaries letters and pamphlets this collection of essays presents the largely untold story of non elite women and their dealings with the law

An Imperial State at War Lawrence Stone, 2013-10-18 The study of eighteenth century history has been transformed by the writings of John Brewer and most recently with *The Sinews of Power* he challenged the central concepts of British history Brewer argues that the power of the British state increased dramatically when it was forced to pay the costs of war in defence of her growing empire In *An Imperial State at War* edited by Lawrence Stone himself no stranger to controversy the leading historians of the eighteenth century put the Brewer thesis under the spotlight Like *The Sinews of Power* itself this is a major advance in the study of Britain's first empire

Madness and Society in Eighteenth-Century Scotland R. A. Houston, 2000-02-03 How did people view mental health problems in the eighteenth century and what do the attitudes of ordinary people towards those afflicted tell us about the values of society at that time Professor Houston draws upon a wide range of contemporary sources notably asylum documents and civil and criminal court records to present unique insights into the issues around madness including the written and spoken words of sufferers themselves and the vocabulary associated with insanity The links between madness and a range of other issues are explored including madness gender social status religion and witchcraft in addition to the attributed causes of derangement such as heredity and alcohol abuse This is a detailed yet profoundly humane and compassionate study of the everyday experiences of those suffering mental impairments ranging from idiocy to lunacy and an exploration into the meaning of this for society in the eighteenth century

Wives Not Slaves Kirsten Sword, 2024-05-31 *Wives not Slaves* begins with the story of John and Eunice Davis a colonial American

couple who in 1762 advertised their marital difficulties in the New Hampshire Gazette a more common practice for the time and place than contemporary readers might think John Davis began the exchange after Eunice left him with a notice resembling the ads about runaway slaves and servants that were a common feature of eighteenth century newspapers John warned neighbors against entertaining her or harbouring her or giving her credit Eunice defiantly replied If I am your wife I am not your slave With this pointed but problematic analogy Eunice connected her individual challenge to her husband's authority with the broader critiques of patriarchal power found in the politics religion and literature of the British Atlantic world Kirsten Sword's richly researched history reconstructs the stories of wives who fled their husbands between the mid seventeenth and early nineteenth centuries comparing their plight with that of other runaway dependents *Wives not Slaves* explores the links between local justice the emerging press and transatlantic political debates about marriage slavery and imperial power Sword traces the relationship between the distress of ordinary households domestic unrest and political unrest shedding new light on the social changes imagined by eighteenth century revolutionaries and on the politics that determined which patriarchal forms and customs the new American nation would and would not abolish

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

Broken Engagements Saskia Lettmaier, 2010-02-11 The common law action for breach of promise of marriage originated in the mid seventeenth century but it was not until the nineteenth century that it rose to prominence and became a regular feature in law courts and gossip columns By 1940 the action was defunct it was inconceivable for a respectable woman to bring such a case before the courts What accounts for this dramatic rise and fall This book ties the story of the action's prominence and decline between 1800 and 1940 to changes in the prevalent conception of woman her ideal role in society sexual relations and the family It argues that the idiosyncratic breach of promise suit and Victorian notions of ideal femininity were inextricably and fatally entwined It presents the nineteenth century breach of promise action as a codification of the Victorian ideal of true womanhood and explores the longer term implications of this infusion of mythologized femininity for the law in particular for the position of plaintiffs Surveying three consecutive time periods the early nineteenth century the high Victorian and the post Victorian periods and adopting an interdisciplinary approach that combines the perspectives of legal history social history and literary analysis it

argues that the feminizing process by shaping a cause of action in accordance with an ideal at odds with the very notion of women going to law imported a fatal structural inconsistency that at first remained obscured but ultimately vulgarized and undid the cause of action. Alongside more than two hundred and fifty real life breach of promise cases the book examines literary and cinematic renditions of the breach of promise theme by artists ranging from Charles Dickens to P G Wodehouse to expose the subtle yet unmistakable ways in which what happened and what changed in the breach of promise courtroom influenced the changing representation of the breach of promise plaintiff in nineteenth and early twentieth century literature and film.

Analysing Families Alan Carling, Simon Duncan, Rosalind Edwards, 2005-07-05 With contributions from the UK and North America this book directly addresses the social processes responsible for the changes in the family role looking at how social policy interacts with what families actually do.

Masculinity, Law and Family Richard Collier, 2002-11-01 Masculinity Law and Family examines the construction of masculinity in a variety of areas of law pertaining to the family. Throughout Richard Collier integrates recent theoretical developments in legal studies with a social theory of gender the family and the social construction of masculinity. After an overview of theoretical positions and a critique of traditional legal theory Richard Collier focusses on the legal regulation of homosexuality and transsexualism to show how confined the view of masculine sexuality is in legal discourses. These arguments are further elaborated in a discussion of non consummation adultery and divorce as well as fatherhood and paternity. Masculinity Law and Family is of central importance to our understanding of the social and political dimension of masculinity.

Family Law in the Twentieth Century Stephen Michael Cretney, 2003 The law governing family relationships has changed dramatically in the course of the 20th century and this book drawing extensively on both published and archival material and on legal as well as other sources gives an account of the processes and problems of reform.

The Private Correspondence of Jane Lady Cornwallis Bacon, 1613-1644 Jane Cornwallis Bacon, 2003 The readiness of families such as this to write directly rather than to dictate through secretaries makes the literary outcome more personal and intimate more expressive of inner feelings and shared sensibility. In consequence the letters carry their own truth across the ages.
