Work on this 4.556 km long bridge (36 x 123m x 64m) commenced on 3rd February 2003 and was dedicated to the nation on 12th March 2016 by Hon'ble Prime Minister. I was fortunate of being involved with this project during its last phase till commissioning. Documenting experiences during construction is a good practice. The present book is a step towards this, which deals with the various aspects encountered during construction and covers entire technical aspects since stage of conception till completion, including in-course changes, improvements supported by design drawings.
