## Road To Camlann:

*Road to Camlann* Rosemary Sutcliff, 1994-11-01 Can the Fellowship of the Round Table survive Mordred's treachery After years of Arthur's fair rule evil has come to Camelot Mordred Arthur's illegitimate son is determined to destroy the Round Table and gain the throne for himself He will use whatever tools he can mutiny force even the rumors of a love between Lancelot and Queen Guenevere In the end there is only one place for the battle to be lost or won the bleak plain of Camlann where Arthur and his knights of the Round Table fight for their lives Sutcliff is superb in the fluency with which she re-creates a period her characters come alive and her style is intense and flowing in this grave and poignant conclusion Bulletin of the Center for Children's Books starred review Other than Malory I can think of no better introduction to the whole sweep of Arthurian stories School Library Journal starred review *The Road to Camlann* Rosemary Sutcliff, 1986 **The Road to**

University of Chicago. Center for Children's Books, 1986-08 Designed to aid adults parents teachers librarians in selecting from the best of recent children's literature this guide provides 1 400 reviews of books published between 1979 and 1984 This volume carries on the tradition established by Zena Sutherland's two earlier collections covering the periods from 1966 to 1972 and 1973 to 1978 Her 1973 edition of *The Best in Children's Books* was cited by the American School Board Journal as one of the outstanding books of the year in education Liminality, Transgression and Space Across the World Basak

Tanulku, Simone Pekelsma, 2024-03-05 This book analyses various forms of liminality and transgression in different geographies and demonstrates how and why various physical and symbolic boundaries create liminality and transgression Its focus is on comprehending the ways in which these borders and boundaries generate liminality and transgression rather than viewing them solely as issues It provides case studies from the past and present allowing readers to connect subjects periods and geographies It consists of theoretical and empirical chapters that demonstrate how borders and liminality are interconnected The book also benefits from the power of several visual essays by artists to complete the theoretical and empirical chapters which demonstrate different forms of liminality without need of much words The book will be of interest to researchers and students working in the fields of urban and rural studies urban sociology cities and communities urban and regional planning urban anthropology political science migration studies human geography cultural geography urban anthropology and visual arts *The Battles of King Arthur* Tony Sullivan, 2022-07-20 The ninth century *Historia Brittonum* is the first source that mentions Arthur and lists twelve battles including the famous Badon Hill Much ink has been spilt debating the identity and location of Arthur This book will demonstrate that some of the battles can indeed be located with some confidence Rather than fit a specific theory as to his identity the battles are placed in the fragmenting provincial political and military context of the late fifth and early sixth century Britain At a time of rapid changes in cultural identity and

a significant increase in Germanic material culture and migration These battles might be expected to be found along borders and in zones of potential conflict Yet this is not what is discovered In addition the simplistic idea of Romano Britons holding back invading Anglo Saxons is found wanting Instead we discover a far more nuanced political and cultural situation One with increasing evidence of continuation of land use and the indigenous population The most Romanised and urbanised regions of the south and east are the very areas that experienced the arrival of Germanic settlement The conclusion gives the reader a new insight into what sort of man Arthur was and the nature of the battles he fought Hawk of May Gillian Bradshaw,2010-09-01 Intelligent and imaginative even the magic convinces Mary Renault author of *The King Must Die* On The Path Toward Greatness Every Hero Makes a Choice Legends sing of Sir Gawain one of the most respected warriors of King Arthur's reign and one of the greatest champions of all time But this is not that story This is the story of Gwalchmai middle son of the beautiful infinitely evil sorceress Morgause and gifted student of her dark magical arts A story of an uncertain man doubting his ability to follow his elder brother's warrior prowess and seeking to find his own identity by bonding with his frightening and powerful mother Disappointed in himself and despised by his father Gwalchmai sets out on a journey that will lead him to the brink of darkness A tale of loss redemption and adventure Hawk of May brings new depth and understanding to Sir Gawain the legend of King Arthur and the impact of choices made and the consequences that follow A welcome new light on the horizon of popular Arthurian legend delightful a strong sense of love and mysticism a ripping adventure tale Booklist Will appeal to those who have enjoyed Tolkien's works Library Journal Compelling splendid vibrant exhilarating a novel that seduces us into accepting sorcery and sanctity in King Arthur's England New York Times Book Review

**Re-visioning Historical Fiction for Young Readers** Kim Wilson,2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re-visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist's potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers Children's

Book Award Handbook Diana F. Marks, 2006-03-30 Diana Marks looks at children's and young adult book awards in depth. The history, award criteria, and a biography of the person behind each of the well-known awards is included. Also of interest are lists of the winners in each category, teaching and exploration activities, reproducible teaching aides, and a timeline of events leading up to the establishment of the award. Information about well-known awards is accompanied by information on the lesser-known Pura Belpré, Jane Addams, etc. Information is formatted in quick, easy-to-read tables and charts suitable for classroom duplication. Although some of this information is available online, this is a one-stop handbook that contains lesser-known awards and offers activities for enriching the study of each award, whether well-known or not. **The New Arthurian Encyclopedia** Norris J. Lacy, Geoffrey Ashe, Sandra Ness Ihle, Marianne E. Kalinke, Raymond H. Thompson, 2013-09-05 First published in 1996. Now updated with a new information-packed 40-page Supplement covering the years 1990-1995, this unique Encyclopedia highlights the World of King Arthur from its origins in Dark Age Britain to the present day when Arthurian novels, films, and music continue to appear around the world at an astonishing rate. The Supplement, which provides five full years of coverage not available anywhere else, enhances the usefulness of more than 1,300 entries on all aspects of the Arthurian legend in literature, history, folklore, archaeology, art, and music. Written by an international team of over 130 authorities, no other work approaches this A-Z guide to the legends of King Arthur and his knights of the Round Table for breadth and depth of coverage. This is the ultimate source for reliable information on topics as diverse as the Grail, Tristan and Isolde, Lancelot, and Guenevere, Arthurian operas, the historicity of Arthur, and more.

**Adapting the Arthurian Legends for Children** Barbara Tapa Lupack, 2004-01-02 For centuries the Arthurian legends have fascinated and inspired countless writers, artists, and readers, many of whom first became acquainted with the story as youngsters. From the numerous retellings of Malory and versions of Tennyson for young people to the host of illustrated volumes to which the Arthurian Revival gave rise, from the Arthurian youth groups for boys and eventually for girls run by schools and churches to the school operas, theater pieces, and other entertainment for younger audiences, and from the Arthurian juvenile fiction sequences and series to the films and television shows featuring Arthurian characters, children have learned about the world of King Arthur and his Knights of the Round Table.

**Reading Programs for Young Adults** Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work, the place to research an assignment or find a book for a report, but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units such as *Cartoon Cavalcade*, *Log On at the Library*, *Go in Style*, *Cruising the Mall*, *Space Shots*, *Teens on TV*, and 44 others that are designed for young adults. Each includes a display idea, suggestions for local sponsorship, prizes, a program, game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games, or

scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs      **A Seven Year Cycle Reading Plan** C.S.
