Roaring 20s 1920 1930 1920 1930:

Philadelphia Organized Crime in the 1920s and 1930s Anne Margaret Anderson, John J. Binder, 2014-06-02

Philadelphia Organized Crime in the 1920s and 1930s explores a little known but spirited chapter of the Quaker City's history. The hoodlums, hucksters and racketeers of Prohibition era Philadelphia sold bootleg booze, peddled illicit drugs, ran numbers and operated prostitution and insurance rings. Among the fascinating personalities that created and contributed to the Philadelphia crime scene of the 1920s and 1930s were empire builders like Mickey Duffy known as Prohibition's Mr Big and Max Boo Boo Hoff dubbed the King of the Bootleggers, the violent Lanzetti brothers who ran their own illegal enterprise, mobster Harry Nig Rosen Stromberg a New York transplant and the arsenic widows poison ring which specialized in fraud and murder. Bringing to light rare photographs and forgotten characters, the authors chronicle the underworld of Philadelphia in the interwar era. The upheaval caused by the gangs and groups herein mirrors the frenzied cultural and political shifts of the Roaring Twenties and the austere 1930s. The Roaring Twenties Thomas Streissguth, 2009. Covers the social, political and economic history of the 1920s including developments in science from astrophysics to laboratory science to discoveries and inventions, the creation of new professional sports leagues, the labor union movement, censorship and writers, artists and moviemakers. This volume captures the complexities of the 1920s. American Literature in Transition, 1920-1930 Ichiro Takayoshi, 2017-12-28. American Literature in Transition 1920 1930 examines the dynamic interactions between social and literary fields during the so called Jazz Age. It situates the era's place in the incremental evolution of American literature throughout the twentieth century. Essays from preeminent critics and historians analyze many overlapping aspects of American letters in the 1920s and re-evaluate an astonishingly diverse group of authors. Expansive in scope and daring in its mixture of eclectic methods, this book extends the most exciting advances made in the last several decades in the fields of modernist studies, ethnic literatures, African American literature, gender studies, transnational studies and the history of the book. It examines how the world of literature intersected with other arts such as cinema, jazz and theater and explores the print culture in transition with a focus on new publishing houses, trends in advertising, readership and obscenity laws.

Houston in the 1920s and 1930s Story Jones Sloane, 2009. Houston was already a dynamic city when it experienced an exciting period of accelerated growth in the 1920s and 1930s. The Roaring Twenties began with a national ban on alcohol and ended abruptly with the stock market crash of 1929, but the prominent and influential Jesse Jones ensured the city's part in the economic collapse was minimal. Despite the country's financial woes, Houston's downtown was booming. Skyscrapers set new records in height, forever changing the skyline and appearance of the city. The introduction and widespread use of air conditioning tamed the stifling heat and humidity for which Houston was known. The National Democratic Convention of 1928 showed the rest of the nation what a modern metropolis Houston had become. This entertaining new book illustrates how Houstonians lived, worked and played during both the good times and the bad in the early 1900s. *The Roaring*

Twenties, 1920-1930, 1991-01-01 A look at America's young people fads jazz business prohibition and more about the era known as the Roaring Twenties *America in The 1920s* Michael J. O'Neal, 2009 Details the Roaring Twenties in American history discussing presidents the Eighteenth Amendment Nineteenth Amendment expatriate writers the Ku Klux Klan the Harlem Renaissance restricted immigration the National Football League and more The Modern World John Farndon, 2018-01-01 Step back into the recent past and discover the moments that defined the modern world The century took off with the Wright brothers historic flight then swung between two devastating world wars while people's revolutions around the globe shook up society and transformed politics Discover how the Russian Revolution overthrew the tsars the Cold War split Europe suffragettes won the right for women to vote Nelson Mandela became South Africa's first black president and more Cool illustrated maps show what was happening in different places at the same time including milestones such as talking pictures and television the moon landing and the World Wide Web United States of America / Соединенные Штаты Америки. Пособие по страноведению Юрий Голицынский, 2019-09-05 **Human and Ecological Risk Assessment** Dennis J. Paustenbach, 2017-05-22 Human and Ecological Risk Assessment Theory and Practice assembles the expertise of more than fifty authorities from fifteen different fields forming a comprehensive reference and textbook on risk assessment Containing two dozen case studies of environmental or human health risk assessments the text not only presents the theoretical underpinnings of the discipline but also serves as a complete handbook and how to guide for individuals conducting or interpreting risk assessments In addition more than 4 000 published papers and books in the field are cited Editor Dennis Paustenbach has assembled chapters that present the most current methods for conducting hazard identification dose response and exposure assessment and risk characterization components for risk assessments of any chemical hazard to humans or wildlife fish birds and terrestrials Topics addressed include hazards posed by Air emissions Radiological hazards Contaminated soil and foods Agricultural hazards Occupational hazards Consumer products and water Hazardous waste sites Contaminated air and water The bringing together of so many of the world's authorities on these topics plus the comprehensive nature of the text promises to make Human and Ecological Risk Assessment the text against which others will be measured in the coming years **Looking Back at the Jazz Age** Nancy von Rosk, 2016-09-23 From Britain's Downton Abbey and Dancing on the Edge to Woody Allen's Midnight in Paris and Baz Luhrmann's The Great Gatsby the Jazz Age's presence in recent popular culture has been striking and pervasive This volume not only deepens the reader's knowledge of this iconic period but also provides a better understanding of its persistent presence in our time Situating well known Jazz Age writers such as Langston Hughes in new contexts while revealing the contributions of lesser known figures such as Fannie Hurst Looking Back at the Jazz Age brings together an international and interdisciplinary group of scholars who draw on a wide range of academic fields and critical methods New Historicism biography philosophy queer theory psychoanalytical theory geography music theory film studies and urban studies The volume includes provocative new

readings of the flapper an intricate examination of the intersections between literature and music as well as some reflections on the twenty first century s preoccupation with the Jazz Age Building on recent scholarship and suggesting avenues for further research this collection will be of interest to scholars and students in American literature American history American studies cultural studies and film studies

Introduction to The Eras Tour Gilad James, PhD, The Eras Tour is a historical exploration of the progress and evolution of art over time The tour is structured as a chronological journey through the various epochs of art from the prehistoric era to the contemporary era It is a comprehensive overview of the cultural social and technological innovations that have led to the creation of the unique art forms we enjoy today The tour also highlights how the various eras interconnect with one another showcasing how interpretations and theories have changed over time and how they have influenced art as a whole Visitors on The Eras Tour will learn about prehistoric art and its significance in the evolution of human cognition and communication The tour will then move on to explore ancient civilizations of Greece and Rome showcasing how they mastered the skills of art sculpture and painting The Eras Tour also looks at the Renaissance that saw the birth of the individualistic and humanistic ideals that shook up the art world Finally the tour will lead to modern art where artists seek to push the envelope and challenge conventional views of art The Eras Tour provides an immersive and enlightening experience that uncovers the mysteries and wonders that fuelled the evolution of art throughout human history
