The Experimental Turn in the Moroccan Novel, 1976-1989 Anouar El Younssi, 2024-12-03 The Experimental Turn in the Moroccan Novel 1976 1989 examines the trajectory of the Moroccan experimental novel and makes a link between its emergence in the early mid 1970s and the Arab defeat in the six day war with Israel in 1967 Drawing on works by Mu ammad Barr dah Abdull h al Arw A mad al Mad n and others the book contends that the Moroccan experimental novel reflects an historic turning point and transitional cultural landscape It further shows that the experimental novel laid the ground for a different vision of literature an important feature of which was the intent to surpass the traditional realist model as executed by Moroccan novelist Abdulkar m Ghall b 1919 2017 and Egyptian Nobel laureate Naj b Ma f 1911 2006 This new vision of literature seeks to create new discursive spheres for the treatment of the social and the political This book will be an important contribution to debates around Moroccan Arabic Maghrebi literature as well as to the field of literary experimentalism more broadly

The Cultural Politics of Tel Quel Danielle Marx-Scouras,2010-11-01 [The nouveau roman and Writing in Britain After Modernism](#) Adam Guy,2019-12-10 The nouveau roman and Writing in Britain After Modernism recovers a neglected literary history In the late 1950s news began to arrive in Britain of a group of French writers who were remaking the form of the novel In the work of Michel Butor Marguerite Duras Robert Pinget Alain Robbe Grillet Nathalie Sarraute and Claude Simon the hallmarks of novelistic writing discernible characters psychological depth linear chronology were discarded in favour of other aesthetic horizons Transposed to Britain's highly polarized literary culture the nouveau roman became a focal point for debates about the novel For some the nouveau roman represented an aberration and a pernicious turn against the humanistic values that the novel embodied For others it provided a route out of the stultifying conventionality and conformism that had taken root in British letters On both sides one question persisted given the innovations of interwar modernism to what extent was the nouveau roman actually new This book begins by drawing on publishers' archives and hitherto undocumented sources from a wide range of periodicals to show how the nouveau roman was mediated to the British public Of central importance here is the publisher Calder Boyars and its belief that the nouveau roman could be enjoyed by a mass public The book then moves onto literary responses in Britain to the nouveau roman focusing on questions of translation realism the end of empire and the writing of the project From the translations of Maria Jolas through to the hostile responses of the circle around C P Snow and onto the literary debts expressed in novels by Brian W Aldiss Christine Brooke-Rose Eva Figs B S Johnson Alan Sheridan Muriel Spark and Denis Williams the nouveau roman is shown to be a central concern in the postwar British literary field

[Historical Dictionary of French Literature](#) John Flower,2013-01-17 Almost all of us know French literature even if we don't know French because it is probably the second largest and certainly the most translated into English And even if we don't read we would have seen film and television versions think Count of Monte Cristo and even a musical rendition Les Mis So this is a particularly interesting volume in the

literature series since it covers French literature from the earliest times to the present It is also a particularly rich literature espousing ever genre from poetry to novel to biography to drama and adopting every style including realism and surrealism and expressing the views of all classes and political stands with recently strong feminist and gay strains Obviously the core dictionary section includes among its panoply of often substantial and detailed entries hundreds of authors dozens of significant works the various styles mentioned above and many others events that have impacted literature such as the Dreyfus Affair and the Algerian War and literary prizes The chronology manages to cover about 1 200 years of literary output And the introduction sets it all out neatly from one historical and literary period to the next The bibliography broken down by period and author directs us to further reading in both French and English

Robert Rauschenberg and Surrealism

Gavin Parkinson,2023-03-23 The art of Robert Rauschenberg 1925 2008 is usually viewed as quite distinct from Surrealism a movement which the artist himself displayed some hostility towards However Rauschenberg had a very positive reception among Surrealists particularly across the period 1959 69 In the face of Rauschenberg s avowals of his own literalism and insistence on his art as facts this book gathers generous evidence of the poetic metaphorical allusive associative and connotative dimensions of the artist s oeuvre as identified by Surrealists and thus extrapolates new readings from Rauschenberg s key works on that basis By viewing Rauschenberg s art against the expansion of the cultural influence of the United States in Europe in the period after the Second World War and the increasingly politicized activities of the Surrealists in the era of the Algerian War of Independence 1954 62 Robert Rauschenberg and Surrealism shows how poetic inference of the artist s work was turned towards political interpretation By analysing Rauschenberg s art in the context of Surrealism and drawing from it new interpretations and perspectives this volume simultaneously situates the Surrealist movement in 1960s American art criticism and history

Defective Inspectors: Crime-fiction Pastiche in Late Twentieth-century French Literature Simon Kemp,2017-07-05 Crime fiction is a popular target for literary pastiche in France From the nouveau roman and the Oulipo group to the current avant garde writers have seized on the genre to exploit it for their own ends toying with its traditional plots and characters and exploring its preoccupations with perception reason and truth In the first full length study of the phenomenon Simon Kemp s investigation centres on four major writers of the twentieth century Alain Robbe Grillet b 1922 Michel Butor b 1926 Georges Perec 193682 and Jean Echenoz b 1947 Out of their varied encounters with the genre from deconstruction of the classic detective story to homage to the roman noir Kemp elucidates the complex relationship between the pasticheur and his target which demands an entirely new assessment of pastiche as a literary form
