## **Robert Altman American Innovator:**

Robert Altman, American Innovator Judith M. Kass, 1978      Robert Altman Patrick McGilligan, 1989-07-15 The most prodigal prolific and visionary director to emerge from post sixties Hollywood Robert Altman is a man whose mystique sometimes threatens to overshadow his many critically acclaimed films including MASH      **Robert Altman** Rick Armstrong, 2014-01-10 The life and work of motion picture director Robert Altman 1925 2006 are interpreted from a variety of perspectives in this collection of essays Actors historians film scholars and cultural theorists reflect on Altman and his five decade career and discuss the significance of music history and genre in his films Two actors who have appeared in some of the filmmaker s most important works are prominently represented with a statement from Elliot Gould MASH The Long Goodbye California Split and an essay by Michael Murphy McCabe and Mrs Miller Nashville Tanner 88 The collection ends with an essay on the importance of death in the director s final productions The Company 2003 and Prairie Home Companion 2006 by noted Altman scholar Robert T Self      **The Cinema of Robert Altman** Robert Niemi, 2016-03-01 In a controversial and tumultuous filmmaking career that spanned nearly fifty years Robert Altman mocked subverted or otherwise refashioned Hollywood narrative and genre conventions Altman s idiosyncratic vision and propensity for formal experimentation resulted in an uneven body of work some rank failures and intriguing near misses as well as a number of great films that are among the most influential works of New American Cinema While Altman always professed to have nothing authoritative to say about the state of contemporary society this volume surveys all of his major films in their sociohistorical context to reposition the director as a trenchant satirist and social critic of postmodern America depicted as a lonely wasteland of fraudulent spectacle exploitative social relations and unfulfilled solitaires in search of elusive community      **A Companion to Robert Altman** Adrian Danks, 2015-06-22 A Companion to Robert Altman presents myriad aspects of Altman s life career influence and historical context This book features 23 essays from a range of experts in the field providing extensive coverage of these aspects and dimensions of Altman s work The most expansive and wide ranging book yet published on Altman providing a comprehensive account of Altman s complete career Provides discussion and analysis of generally neglected aspects of Altman s career including the significance of his work in television and industrial film the importance of collaboration and the full range and import of his aesthetic innovations Includes essays by key scholars in Altman studies bringing together experts in the field emerging scholars and writers from a broad range of fields Multi disciplinary in design and draws on a range of approaches to Altman s work being the first substantial publication to make use of the recently launched Robert Altman Archive at the University of Michigan Offers specific insights into particular aspects of film style and their application industrial and aesthetic film and TV history and particular areas such as the theorisation of space place authorship and gender      **Robert Altman's Soundtracks** Gayle Sherwood Magee, 2014-10-01 American director Robert Altman 1925 2006 first came to national attention with the surprise blockbuster M A S H 1970 and he directed more than thirty feature films in

the subsequent decades Critics and scholars have noted that music is central to Altman's films and in addition to his feature films Altman worked in theater opera and the emerging field of cable television His treatment of sound is a hallmark of his films alongside overlapping dialogue improvisation and large ensemble casts Several of his best known films integrate musical performances into the central plot including *Nashville* 1975 *Popeye* 1980 *Short Cuts* 1993 *Kansas City* 1996 *The Company* 2003 and *A Prairie Home Companion* 2006 his final film Even such non musicals as *McCabe and Mrs Miller* 1971 have been described as in fellow director and protégé Paul Thomas Anderson's evocative phrase as musicals without people singing Robert Altman's Soundtracks considers Altman's celebrated innovative uses of music and sound in several of his most acclaimed and lesser known works In so doing these case studies serve as a window not only into Altman's considerable and varied output but also the changing film industry over nearly four decades from the heyday of the New Hollywood in the late 1960s through the Indiewood boom of the 1990s and its bust in the early 2000s As its frame the book considers the continuing attractions of auteurism inside and outside of scholarly discourse by considering Altman's career in terms of the director's own self promotion as a visionary and artist the film industry's promotion of Altman the auteur the emphasis on Altman's individual style including his use of music by the director critics scholars and within the industry and the processes tensions and boundaries of collaboration

*Robert Altman* Frank Caso, 2015-10-15 Known as an iconoclast and maverick film director Robert Altman has consistently pushed against the boundaries of genre From refashioning film noir in *The Long Goodbye* the western in *McCabe Mrs Miller* the psychological drama in *Images* science fiction in *Quintet* and the romantic comedy in *A Perfect Couple* he has always tested the limits of what film can and should do In this book Frank Caso examines the development of Altman's artistic method from his earliest days in industrial film to his work in television and feature films Altman is one of those directors whose films audiences can easily recognize but what exactly are the distinctive elements that have become his signature Caso identifies more than twenty such elements in Altman's style tracing some such as his use of free hand cameras and engagement with Christian imagery to the beginning of his career Caso also examines Altman's unsettling mix of offbeat comedic tone with a predominance of violence murder and death showing how their counterpointing effects rendered his films at once naturalistic and otherworldly Exploring these and other aspects of the Altmanesque style Caso maps the innovations that have made Altman a master filmmaker Enriched with illustration throughout *Robert Altman* will appeal to fans of this distinctive American auteur or anyone interested in ground breaking cinema

*Altman on Altman* David Thompson, 2011-04-07 In *Altman on Altman* one of American cinema's most incorrigible mavericks reflects on a brilliant career Robert Altman served a long apprenticeship in movie making before his great breakthrough the Korean War comedy *M A S H* 1969 It became a huge hit and won the Palme d'Or at Cannes but also established Altman's inimitable use of sound and image and his gift for handling a repertory company of actors The 1970s then became Altman's decade with a string of masterpieces *McCabe and Mrs Miller* *The Long Goodbye* *Thieves Like Us* *Nashville* In the 1980s Altman struggled

to fund his work but he was restored to prominence in 1992 with *The Player* an acerbic take on Hollywood *Short Cuts* an inspired adaptation of Raymond Carver and the Oscar winning *Gosford Park* underscored his comeback Now he recalls the highs and lows of his career trajectory to David Thompson in this definitive interview book part of Faber's widely acclaimed *Directors on Directors* series Hearing in his own words in *Altman on Altman* just how much of his films occur spontaneously as a result of last minute decisions on set is fascinating For film lovers this is just about indispensable Ben Sloan Metro London **American Film Now** James Monaco, 1979 "Short Cuts" and American Life and Society in Early Nineties Hasti Sardashti, 2011-10-27 Prior and during the time Altman's *Short Cuts* was developed and shaped Americans experienced over a decade of Republican administration represented by Reagan and Bush extreme right wing national policies and an ill economy On 9 November 1989 with the fall of Berlin Wall America and whole world experienced one of the most extreme changes in the history of the twentieth century the end of the cold war and the beginning of a new post Cold war era Hardly anyone could have foreseen the end of communism in the Soviet Union and in Eastern Europe during that time The demise of the Soviet Union left the United States the sole remaining superpower a position that carried its own risks and problems With this extreme change of dichotomy between the two world powers on which was the base of the national and international politics for more than fifty years and also a major coping mechanism for the people by splitting between the Good and Bad God and Evil Communism and Democracy in late 1980s and early 1990s it came to a break down of the known structures which were experienced as very frightening by American people I wonder if *Short Cuts* was an attempt by Robert Altman in the early 90s to comfort all these anxious and helpless people who were confused and who couldn't understand why things happen to them what happened to them and asking themselves why What did we do wrong What if this did not happen and that happened The Robert Altman's *Short Cuts* and *American Society and American Life in the Early Nineties* is an attempt to examine all these notions and understand what is about *Short Cuts* making it to become such a timeless and unique movie Fifty Hollywood Directors Suzanne Leonard, Yvonne Tasker, 2014-11-20 *Fifty Hollywood Directors* introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster By exploring the historical cultural and technological contexts in which each director was working this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights Each entry discusses a director's practices and body of work and features a brief biography and suggestions for further reading Entries include Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history Hollywood and the development of the role of the director *Focus On: 100 Most Popular Former Roman Catholics* Wikipedia contributors, *American Catholic Arts and Fictions* Paul Giles, 1992-06-26 Examines how secular transformations of religious ideas have helped to shape the style and substance of works by American writers filmmakers and artists from Catholic backgrounds *Guide to American*

*Cinema, 1965-1995* Daniel Curran, 1998-05-26 This is not an attempt to list the greatest films of the period nor the greatest actors and directors but an attempt to give a representation of the times Introduction p xii

**The Political Companion to American Film** Gary Crowdus, 1994 The Political Companion to American Film is an encyclopedic collection of critical essays offering provocative social and political commentary on the work of filmmakers from Woody Allen to Darryl Zanuck and other film personalities from Charles Chaplin to John Wayne film genres from crime Movies to World War II Animated Propaganda Cartoons racial and ethnic portrayals from African Americans to Native Americans social issues from Big Businessmen to the Small Town theoretical and critical issues from the Auteur Theory to Postwar American Film Criticism economic and industrial issues from Conglomerates to the Studio System and much more The Political Companion to American Film features the writing of some of America's leading film critics and authors many of whom are specialists who have literally written the book on their subjects and has been edited by Gary Crowdus Editor in Chief of *Cineaste* America's leading magazine on the art and politics of the cinema The expertise and critical insights of these contributors are conveyed in a colorful comprehensible and jargon free prose style and many of the essays include recommended bibliographies The Political Companion to American Film will enrich the cinematic experience for the average moviegoer as well as the film scholar

**Lost Illusions** David A. Cook, 2002-03-15 This volume examines the development of film and the film industry during the 1970s and the political and economic background that influenced it

**A Concise Companion to Postwar American Literature and Culture** Josephine Hendin, 2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive

**American Film and Society since 1945** Leonard Quart, Albert Auster, 2018-04-19 From Steven Spielberg's *Lincoln* to Clint Eastwood's *American Sniper* this fifth edition of this classic film study text adds even more recent films and examines how these movies depict and represent the feelings and values of American society One of the few authoritative books about American film and society *American Film and Society since 1945* combines accessible fun to read text with a detailed insightful and scholarly political and social analysis that thoroughly explores the relationship of American film to society and provides essential historical context The historical overview provides a capsule analysis of both American and Hollywood history for the most recent decade as well as past eras in which topics like American realism Vietnam counterculture revolutions and 1960s films and Hollywood depictions of big business like Wall Street are covered Readers will better understand the explicit and hidden meanings of films and appreciate the effects of the passion and personal engagement that

viewers experience with films This new edition prominently features a new chapter on American and Hollywood history from 2010 to 2017 giving readers an expanded examination of a breadth of culturally and socially important modern films that serves student research or pleasure reading The coauthors have also included additional analysis of classic films such as *To Kill a Mockingbird* 1962 and *A Face in the Crowd* 1957 *Take One* ,1978 *The Columbia Companion to American History on Film* Peter C. Rollins,2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as *The Birth of a Nation* 1915 *Roots* 1977 *Apocalypse Now* 1979 and *Saving Private Ryan* 1998 how much is entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject *The Columbia Companion to American History on Film* is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message
