Robert E. Lee Frederick Maurice, 2013-10 This is a new release of the original 1925 edition **Robert E. Lee** Frederick Maurice, 2013-10 This is a new release of the original 1925 edition Robert E. Lee Allen C. Guelzo, 2022-08-09 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of Gettysburg comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty *Robert E. Lee* Brian C. Melton, 2012-04-06 This biography provides a concise accurate and lively account of one of the best known yet least understood figures of the Civil War Robert E Lee depicting him as a human being instead of a legend making him accessible as a person Robert E Lee A Biography takes one of the best known and least understood figures of the American Civil War down from his pedestal as an iconic legendary hero and transforms him into a human being that 21st century readers can easily relate to Author Brian Melton clearly separates fact from the idealized lore and fiction created after the Civil War by members of what has been termed the Lee cult Through the book's thorough clear and accessible presentation and its inclusion of accurate historical details for example Lee's status as an incurable flirt General Lee becomes a fascinating and compelling mortal man Intended for both high school students and the general public this biography will offer a thorough and unbiased examination of Lee's life and military career Readers will be able to clearly trace the steps that led Lee to prominence both before and during the Civil War and discover how his actions helped shape the American military
