Robert Kennedy A Memoir:

Robert Kennedy; a Memoir Jack Newfield,1969 Analyzes and chronicles Robert Kennedy and his politics in the five and one half years between the gunshots in Dallas and Los Angeles *Robert F. Kennedy* Jack Newfield,1969 **RFK: A Memoir** Jack Newfield,2009-06-17 As one of the most complex charismatic and controversial figures of our times Robert Kennedy occupies a remarkable and paradoxical place in the American imagination On the right he has been idolized by Rudy Giuliani and memorialized by Attorney General John Ashcroft who renamed the Justice Department after him On the left his admirers say he represented the last hope of revitalizing the liberal tradition But who was Robert Kennedy To acclaimed reporter Jack Newfield who worked closely with him during his last years RFK was a human being far different from the myths that surrounded his name Part of him was soldier priest radical and football coach But he was none of these He was a politician His enemies said he was consumed with selfish ambition a ruthless opportunist exploiting his brother s legend But he was too passionate and too vulnerable ever to be the cool and confident operator his brother was In this haunting and memorable portrait we see what kind of man died when Robert Kennedy was shot And what kind of leader America lost

Robert Kennedy Evan Thomas,2013-02-05 He was Good Bobby who as his brother Ted eulogized him saw wrong and tried to right it saw suffering and tried to heal it And Bad Bobby the ruthless and manipulative bully of countless conspiracy theories Thomas s unvarnished but sympathetic and fair minded portrayal is packed with new details about Kennedy s early life and his behind the scenes machinations including new revelations about the 1960 and 1968 presidential campaigns the Cuban Missile Crisis and his long struggles with J Edgar Hoover and Lyndon Johnson **Robert Kennedy** James Hilty,2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy s assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power **Bobby Kennedy** Larry Tye,2017-05-09 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough The Washington Post NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN s American Dynasties The Kennedys We are in Larry Tye s debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics

But Kennedy's enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy. In Bobby Kennedy Larry Tye peels away layers of myth and misconception to capture the full arc of his subject's life. Tye draws on unpublished memoirs, unreleased government files and fifty-eight boxes of papers that had been under lock and key for forty years. He conducted hundreds of interviews with RFK intimates, many of whom have never spoken publicly, including Bobby's widow Ethel and his sister Jean. Tye's determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and controversial member of the Kennedy family. Praise for Bobby Kennedy: A compelling story of how idealism can be cultivated and liberalism learned. Tye does an exemplary job of capturing not just the chronology of Bobby's life but also the sense of him as a person. Los Angeles Review of Books Captures RFK's rise and fall with straightforward prose bolstered by impressive research. USA Today Tye has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail. Michiko Kakutani The New York Times Nuanced and thorough RFK's vision echoes through the decades. The Economist

Robert F. Kennedy and the Shaping of Civil Rights, 1960-1964 Philip A. Goduti, Jr., 2012-11-08 From the 1960 John F. Kennedy presidential campaign to the signing of the Civil Rights Act of 1964, Attorney General Robert F. Kennedy and the Department of Justice worked tirelessly to change the climate of civil rights in the nation. This book explores how the Kennedy brothers and leaders such as Martin Luther King Jr., John Lewis, and James Meredith among others pushed for change at a critical time. Through an analysis of White House memoranda, speeches, telephone conversations, and recorded discussions, as well as secondary sources, this study explores Robert Kennedy's role in key events of the civil rights movement, which include the Freedom Rides in 1961, the Ole Miss crisis in 1962, and the Birmingham campaign and March on Washington in 1963. The combined efforts of the Kennedys and these leaders helped change the atmosphere in the nation to one of acceptance and opportunity for African Americans and other minorities.

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A.E.'s Biography, best-selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures, from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

The Kennedys Thomas Maier, 2003-10-15 A meticulously researched chronicle of five generations of the Kennedy dynasty explains how their Irish Catholic roots informed their lives and political beliefs and reveals how the immigrant experience shaped both their remarkable success and many tragedies. 100,000 first

printing *1968 in America* Charles Kaiser, 2018-04-01 From assassinations to student riots this is a splendidly evocative account of a historic year a year of tumult of trauma and of tragedy Arthur Schlesinger Jr In the United States the 1960s were a period of unprecedented change and upheaval but the year 1968 in particular stands out as a dramatic turning point Americans witnessed the Tet offensive in Vietnam the shocking assassinations of Martin Luther King Jr and Robert Kennedy and the chaos at the Democratic National Convention in Chicago At the same time a young generation was questioning authority like never before and popular culture especially music was being revolutionized Largely based on unpublished interviews and documents including in depth conversations with Eugene McCarthy and Bob Dylan among many others and the late Theodore White's archives to which the author had sole access *1968 in America* is a fascinating social history and the definitive study of a year when nothing could be taken for granted Kaiser aims to convey not only what happened during the period but what it felt like at the time Affecting touches bring back powerful memories including strong accounts of the impact of the Tet offensive and of the frenzy aroused by Bobby Kennedy's race for the presidency The New York Times Book Review *The Kennedy Family* S. J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wannabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching

The Kennedys: America's Emerald Kings Thomas Maier, 2009-03-25 Meticulously researched both here and abroad *The Kennedys* examines the Kennedy's as exemplars of the Irish Catholic experience Beginning with Patrick Kennedy's arrival in the Brahmin world of Boston in 1848 Maier delves into the deeper currents of the often spectacular Kennedy story and the ways in which their immigrant background shaped their values and in turn twentieth century America for over five generations As the first and only Roman Catholic ever elected to high national office in this country JFK's pioneering campaign for president rested on a tradition of navigating a cultural divide that began when Joseph Kennedy shed the brogues of the old country in order to get ahead on Wall Street Whether studied exercise in cultural self denial or sheer pragmatism their movements mirror that of countless of other albeit less storied American families But as much as the Kennedys distanced themselves from their religion and ethnic heritage on the public stage Maier shows how Irish Catholicism informed many of their most well known political decisions and stances From their support of civil rights to Joe Kennedy's tight relationship with Pope Pius XII and FDR the impact of their personal family history on the national scene is without question and makes for an immensely compelling narrative Bringing together extensive new research in both Ireland and the United States several exclusive interviews as well as his own perspective as an Irish American Maier's original approach to the Kennedy era brilliantly illustrates the defining role of the immigrant experience for the country's foremost

political dynasty **Robert Kennedy** Judie Mills,1998-01-01 Chronicles the life of Robert Kennedy from his birth into the Kennedy clan through his tenure in the United States Senate and as Attorney General to his assassination in 1968

American Values Robert F. Kennedy, Jr.,2018-05-15 With rich detail compelling honesty and a storyteller's gift RFK Jr describes his life growing up Kennedy in a tumultuous time in history that eerily echoes the issues of nuclear confrontation religion race and inequality that we confront today With emotion and striking detail RFK Jr recalls both the private joys and very public pain of his childhood Independent Catholic News In this powerful book that combines the best aspects of memoir and political history the third child of Attorney General Robert Kennedy and nephew of JFK takes us on an intimate journey through his life including watershed moments in the history of our nation Stories of his grandparents Joseph and Rose set the stage for their nine remarkable children among them three U S senators Teddy Bobby and Jack one of whom went on to become attorney general and the other the president of the United States We meet Allen Dulles and J Edgar Hoover two men whose agencies posed the principal threats to American democracy and values We live through the Cuban Missile Crisis when insubordinate spies and belligerent generals in the Pentagon and Moscow brought the world to the cliff edge of nuclear war At Hickory Hill in Virginia where RFK Jr grew up we encounter the celebrities who gathered at the second most famous address in Washington members of what would later become known as America's Camelot Through his father's role as attorney general we get an insider's look as growing tensions over civil rights led to pitched battles in the streets and 16 000 federal troops were called in to enforce desegregation at Ole Miss We see growing pressure to fight wars in Southeast Asia to stop communism We relive the assassination of JFK RFK's run for the presidency that was cut short by his own death and the aftermath of those murders on the Kennedy family RFK Jr also shares his own experiences not just with historical events and the movers who shaped them but also with his mother and father with his own struggles with addiction and with the ways he eventually made peace with both his Kennedy legacy and his own demons A lyrically written book that provides insight hope and steady wisdom for Americans as they wrestle as never before with questions about America's role in history and the world and what it means to be American Arthur J. Goldberg David Stebenne,1996-05-30 This book is the first

biography ever written of Arthur J Goldberg the former labor lawyer Secretary of Labor under Kennedy and Supreme Court justice which post he resigned at the request of Lyndon Johnson to become U S Ambassador to the United Nations who played a leading role in American political life from World War II until the end of the 1960s Goldberg who never wrote memoirs himself shared his thoughts about his life and work with Stebenne in a series of conversations which took place occasionally from the fall of 1981 through to Goldberg's death in 1990 He also allowed Stebenne access to his papers including those held under seal in presidential libraries and at the Library of Congress Based upon these unique sources and written to be accessible to a wide audience Arthur J Goldberg is both the story of a leading American liberal and a history of modern American liberalism **Robert F Kennedy Biography** Sabastian Damien,2021-11-19 Robert Francis Kennedy was

born in Brookline Massachusetts on November 20 1925 as the seventh child of Rose and Joseph P Kennedy a close knit and competitive family I was the seventh of nine children he later reflected and you have to struggle to survive when you come from that low After serving in the Navy during WWII he went to Milton Academy and earned a bachelor s degree in government from Harvard University in 1948 Three years later he graduated with honors from the University of Virginia Law School The Kennedy family dinner table where his parents engaged their children in talks of history and current events was perhaps more significant for his education I can t recall a mealtime when the discourse wasn t dominated by what FDR was doing or what was going on in the globe Robert Kennedy recalled Robert Kennedy married Ethel Skakel daughter of Ann Brannack Skakel and George Skakel founder of Great Lakes Carbon Corporation in Greenwich Connecticut in 1950 Robert and Ethel Kennedy had eleven children together later in life He began his political career as the campaign manager for his older brother John s successful Senate candidacy in Massachusetts in 1952 This book gives you an in depth look into Robert F Kennedy s biography and timeline progresses for decades even till his death Scroll up and add to Cart Now

The Last Campaign Thurston Clarke,2008-05-27 Tells the story of Robert F Kennedy s 1968 Presidential campaign **Robert F. Kennedy and the Death of American Idealism** Joseph A. Palermo,2008 At the forefront of the social movements and political crises that gripped America in the 1950s and 1960s Robert F Kennedy saw advised and led the United States through some of the most epochal events in the 20th century This newest edition in the Library of American Biography Series chronicles the life of Robert F Kennedy from his time as a boy growing up amidst the turmoil of the Great Depression and World War II to his rise as a central figure in the national debate on communism poverty civil rights and the war in Vietnam The titles in the Library of American Biography Series make ideal supplements for American History Survey courses or other courses in American history where figures in history are explored Paperback brief and inexpensive each interpretative biography in this series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life At the same time each biography relates the life of its subject to the broader themes and developments of the times

Thirteen Days: A Memoir of the Cuban Missile Crisis Robert F. Kennedy,2011-04-25 A minor classic in its laconic spare compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history Arthur M Schlesinger Jr During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba few people shared the behind the scenes story as it is told here by the late Senator Robert F Kennedy In this unique account he describes each of the participants during the sometimes hour to hour negotiations with particular attention to the actions and views of his brother President John F Kennedy In a new foreword the distinguished historian and Kennedy adviser Arthur Schlesinger Jr discusses the book s enduring importance and the significance of new information about the crisis that has come to light especially from the Soviet Union

Bobby Kennedy Chris Matthews,2017-10-31 Bobby Kennedy was a personal hero to a multitude of Americans As the train carrying

his body headed to Washington whites and blacks alike stood along the tracks saluting him They loved him as a fellow patriot who believed a great country could also be a good one Chris Matthews the host of MSNBC's Hardball has discovered what made him who he was Drawing on extensive research and intimate interviews Matthews shines a light on all the important moments of Bobby's life his upbringing his start in politics his crucial role fighting for civil rights as attorney general and his tragic run for president Dust jacket flap
