Robert Schuller His Story:

Robert Schuller Michael Nason, Donna Nason, 1983 **Robert Schuller** Michael Nason, 1985 **My Journey** Robert H. Schuller, 2002-10-22 Dr Robert H Schuller s career has spanned more than five decades and his ministry of hope has touched the hearts and souls of millions around the world From one great story to the next this disarmingly honest autobiography shows us a side of the great preacher that we haven t seen before Here are stories of the events people and encounters that shaped his inspiring life and made him the ultimate possibility thinker Robert H. Schuller Tells You how to be an Extraordinary Person in an Ordinary World Robert Harold Schuller, 1985 The people you will meet in this book are life changers They are heroic men and women who took their defeats infirmities disasters and depressions and turned them into works for the Lord They changed their lives for the better and their stories will change your life if you allow yourself to believe and adopt their powerful remedies for ordinary human existence *A Legacy of Success* Donna Schuller, Robert Harold Schuller, 2000 When Dr Robert Schuller retires his son Robert Anthony also an ordained minister will be his successor at the Crystal Cathedral And perhaps one day Dr Schuller s nineteen year old grandson Robert V will also continue in their footsteps By laying a solid spiritual foundation for his children Dr Schuller has created a legacy of ministry A Legacy of Success describes successes and failures passed through three generations The stories have been carefully gathered by Donna Schuller the author of this book The Schuller family story is woven throughout *Robert Schuller's Life Changers* Robert Harold Schuller, 1984-06-15 Anecdotes from the sermons of the popular TV evangelist offer humor inspiration and simple illustrations of basic Christian principles Prayer Robert H. Schuller, 1996 The world s most recognizable television minister guides his readers along the path of prayer in his first spiritual autobiography In a nondenominational book meant for all audiences Dr Schuller uses his own life story to how how prayer has been the supreme essence of his spiritual journey as well as an exciting adventure in knowing God and being His instrument The Glass Church Mark T. Mulder, Gerardo Martí, 2020-04-17 For most of his life the megachurch ministry of Robert H Schuller in Orange County California displayed an apparent strength that betrayed none of the fractures that lay below the success oriented surface Yet when tested and stressed in the late 2000s the ecclesial structure s accumulated fragility proved to be catastrophic Drawing on extensive data gathered from archives interviews and ethnographic observation The Glass Church examines the spectacular collapse of The Crystal Cathedral to better understand both the strength and fragility of Schuller s ministry The apparent success of the ministry obscured the many tensions that often threatened its future Certainly all churches depend on a mix of constituents charisma and capital yet the size and ambition of large churches like Schuller s Crystal Cathedral exert enormous organizational pressures to continue the flow of people committed to the congregation to reinforce the spark of charismatic excitement generated by high profile pastors and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives The constant attention to expand constituencies boost charisma and stimulate capital among

megachurches produces an especially burdensome strain on their leaders By orienting an approach to the collapse of the Crystal Cathedral on these three core elements constituency charisma and capital The Glass Church demonstrates how congregational fragility is greatly accentuated in larger churches a notion we label megachurch strain such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter relationship among these elements
