## **Robert Schuller My Father My Friend:**

*Robert Schuller, My Father & My Friend* Sheila Schuller Coleman, 1980      The Church Must Grow or Perish Mark T. Mulder, Gerardo Marti, 2025-04-01 To fully understand American Christianity it's essential to understand Robert Schuller. *The Church Must Grow or Perish* Robert H. Schuller and the Business of American Christianity examines Schuller's indelible imprint on the American church and how he developed a model of ministry both lauded and critiqued that transformed Christian life and community across this country. Schuller's story is the starting point for powerful trends that continue to shape much of American religion today: televangelism, seeker-sensitive outreach, megachurches, the suburbanization of white Christianity, pastoral entrepreneurship, and market-oriented Christianity in pursuit of growth. Authors Mark T. Mulder and Gerardo Marti explore Schuller's drive to develop a theology, a persona, and a set of practices that he believed were necessary to keep Christianity vibrant long into the future. They trace Schuller's career arc from his beginnings as an Iowa farm boy to his years as a charismatic Southern California preacher, one who believed that in order for the church to thrive, pastoral leaders needed to borrow from the best practices of big business, including the entertainment industry. This fascinating biography is essential reading for those who want to fully understand a transformative force in American Christianity.      *The Preacher's Wife* Kate Bowler, 2020-09-15 Although most evangelical traditions bar women from ordained ministry, many women have carved out unofficial positions of power in their husbands' spiritual empires or their own ministries. The biggest stars write bestselling books, grab high ratings on Christian television, and even preach. Bowler offers a sympathetic and revealing portrait of megachurch women celebrities, showing how they must balance the demands of celebrity culture and conservative male-dominated faiths. And black celebrity preachers' wives carry a special burden of respectability. A compelling account of women's search for spiritual authority in the age of celebrity. Adapted from jacket.      Religion in the Modern American West Ferenc Morton Szasz, 2002-01-01 When Americans migrated west, they carried with them not only their hopes for better lives but their religious traditions as well. Yet the importance of religion in the forging of a western identity has seldom been examined. In this first historical overview of religion in the modern American West, Ferenc Szasz shows the important role that organized religion played in the shaping of the region from the late nineteenth to late twentieth century. He traces the major faiths over that time span, analyzes the distinctive response of western religious institutions to national events, and shows how western cities became homes to a variety of organized faiths that cast only faint shadows back east. While many historians have minimized the importance of religion for the region, Szasz maintains that it lies at the very heart of the western experience. From the 1890s to the 1920s, churches and synagogues created institutions such as schools and hospitals that shaped their local communities. During the Great Depression, the Latter-day Saints introduced their innovative social welfare system, and in later years, Pentecostal groups carried their traditions to the Pacific coast, and Southern Baptists, among others, set out in earnest to evangelize the Far West. Beginning in the 1960s, the arrival of Asian faiths, the

revitalization of evangelical Protestantism the ferment of post Vatican II Catholicism the rediscovery of Native American spirituality and the emergence of New Age sects combined to make western cities such as Los Angeles and San Francisco among the most religiously pluralistic in the world Examining the careers of key figures in western religion from Rabbi William Friedman to Reverend Robert H Schuller Szasz balances specific and general trends to weave the story of religion into a wider social and cultural context Religion in the Modern American West calls attention to an often overlooked facet of regional history and broadens our understanding of the American experience Robert Schuller, the Inside Story Michael Nason, Donna Nason, 1983 **Excess Baggage** Zebria Coffey, 2016-01-30 When packing for a trip carrying excess baggage can make your trip more difficult than it should be Excess baggage in our lives can have the same effects it can weigh us down and place insurmountable pressure on our lives This guide explores the kind of excess baggage that a Christian may be carrying through life Author Zebria Coffey has defined it as among other things behavior that does not befit a Christian such as wrath malice jealousy anger filthy language evil desires and a lying tongue She also includes the challenge of taking on too many activities without considering the time and energy it will take to complete them We have all been guilty at one time or another of saying yes to too many projects or activities only to feel burnt out at the end Excess baggage is burdensome to us It is necessary to begin to identify and acknowledge it in our lives and then make a conscious decision to lighten our loads The message in Excess Baggage reminds us of what our most important priority in life should be putting God before all others When we put God first He directs our path in life and helps us to determine how best to handle tasks and priorities as they are presented to us **Public Papers of the Presidents of the United States, George Bush** United States. President (1989-1993 : Bush), George Bush, 1990 **Held Hostage** Ken Cooper, 2009-08-01 While Ken Cooper lived with his wife and two children and worked as publicity director for a Christian college he was leading a double life as a felon With a vivid you are there style this former gentleman bank robber takes readers on a journey through years of armed robberies the dramatic shooting that ended his career the horrors of prison and a soul ultimately finding peace Without fear or embellishment Cooper openly shares the darkest moments in his life Yet in these moments he finally meets God and ends up becoming a bright light in a horrendous prison system From adrenaline pumping true life crime to an experience of God's gentle love readers won't be able to put down this gripping memoir of transformation and God's grace An Attitude of Gratitude Keith D. Harrell, 2004-08-01 In this heartfelt memoir motivational speaker and life coach Keith D Harrell writes passionately about the lessons he's learned from his parents grandmother teachers coaches mentors and friends as he overcame stuttering to become one of the nation's top ranked professional speakers Tall skinny and shy Harrell painfully learned on his first day of school that he couldn't talk like the other students Embarrassed by the kids teasing and feeling dejected he ran home during recess where he was met by an understanding mom who wouldn't allow him to remain discouraged The lesson Harrell gained from this experience and imparts to his readers is God specializes in originals He doesn't make junk Each chapter in this

heartfelt book begins with a quote from the Bible and concludes with a touching and insightful life lesson Harrell's story encompasses his years of speech therapy the awkwardness of being a foot or two taller than his elementary school teachers his father's tough love the anguish of his parents divorce gaining confidence through playing basketball and eventually being scouted by the NBA and then watching his dream evaporate He goes on to recount the trials he underwent in the corporate world as he sought out his true passion and how he built a fledgling business into a million dollar enterprise eventually receiving enormous acclaim as a professional speaker Harrell's faith in God and unflagging attitude propelled him to success as he enthusiastically tackled each obstacle that beset him along his path In *An Attitude of Gratitude* he presents this story as an inspiring source of encouragement for anyone who has ever experienced setbacks and wants to learn how to become better equipped to handle each challenge as it arises [Just a Girl](#) Karen Ann Harden, 2020-06-21 Sanctuary Trauma in other words trauma caused by those closest to us in our home environment where we are supposed to be safe often goes undetected This is a story about how it is possible to embrace our childhood wounds that have shaped us and redefine our story moving into adulthood so we do not pass on abusive cycles within our own home She also names out the challenges we may have to reach out to those children who are hurting and who need us most when their home environment is in chaos To challenge the old story of What is wrong with you to What happened to you This book takes you on a journey a soul journey First to understand the dynamics of an unsafe home and how it can affect a child's perception of life through the eyes of Karen's shared experience and secondly to understand the effort it takes to move out of the path of being a victim to an empowered path of being your truest self Karen encourages others to take this journey with her to seek understanding and to reflect on your own life's journey toward healing and ultimately to change the story of your life **Soul Winners** David Clary, 2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In *Soul Winners* journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party's most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation's landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary's narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought evangelicalism into the highest precincts of business and politics

Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life In His Name E. Christopher Reyes,2014-05-16 Today almost all the major Christian sects tell their followers what they can or cannot read The truth could be disastrous to their faith In 1562 the Vatican established a special censoring office called Index Expurgatorius whose sole purpose was to prohibit the publication of Erroneous Passages of the Early Church Fathers which carried statements opposing their modern day dogma The Word is whatever the Christian Church says it is and when Vatican archivists came across genuine copies of the Church Fathers they corrected edited added abridged condensed and supplemented them according to the Expurgatory Index Index Expurgatorius Vaticanus R Gibbings ed Dublin 1837 The Literary Policy of the Church of Rome Joseph Mendham J Duncan London 1830 2nd ed 1840 The Vatican Censors op cit p 328 But throughout history few but the great thinkers of society understood this symbiotic relationship of politics and religion and those who spoke out became stigmatized by both the powerful priesthood and the ruling oligarchy You sniveling priest you are imposing delusions upon society for your own aggrandizement Voltaire French philosopher rationalist free thinker \_\_\_\_\_ All developed societies are but an extension of the political views of the ruling oligarchy upon the many the suffering poor If every criminal and inhumane act ever committed were traced to its root cause that root would be buried deep in religion Sherry Matulis activist 1931 \_\_\_\_\_ The most infamous Catholic of the all time one of history's great mass murderers Hitler realizes the symbiotic relationship between children and religion and puts it succinctly in the twentieth century The state must declare the child to be the most precious treasure of the people As long as the government is perceived as working for the benefit of the children the people will happily endure almost any curtailment of liberty and almost any deprivation Adolf Hitler Mein Kampf **A Divine Connection With A Message From God Volume II** Michael Gagliardi,2013-05-22 This book series A Divine Connection With A Message From God volume II subtitle Michael Yes Lord You Have Been Redeemed You will learn and discover the real meaning of what it truly means to be redeemed by God at the cross at Calvary I will also walk you through several of what I truly believe were real personal divine connections with God in Heaven when He spoke to me about Him redeeming me and about my walk and talk with Jesus here on earth and how He healed me before He had to return Back to Heaven to again return Why God chose me to reveal this certain things to me I don't fully know Maybe because my heart mind and soul were and is open to receive it or maybe I guess He knows that I will do something with it according to His will in Christ Jesus I truly feel that the Holy Spirit wants me to share it with as many people as possible before His second coming Well during the reading of this particular book series volume II you will also learn and discover how the precious shed blood of Jesus at the cross at Calvary has and will continue to give you victory over any and every situation you face here on Earth until you enter the Kingdom of Heaven *Be Happy Attitudes for Children* Sheila Schuller Coleman,1988-07 MY APRIL FOOL WIVES Olin Joseph Tunnell,2012-08-06 In MY APRIL FOOL WIVES Olin Joseph Tunnell shares his personal story of divorce and

recovery with insights for confronting all kinds of losses in life Tunnell was married twice to women who were both born on April 1 He often jokes that only an April fool would marry him He is a Methodist minister who was damaged emotionally and professionally after his first wife of fifteen years divorced him He reflects on important lessons that he learned All forms of loss in this life provide opportunities for recovery and joyful living An excerpt from his book reads If you re hurting I want to share a message offering peace and reconciliation No matter how much anger erupts from divorce there are future possibilities beyond your pain and suffering if you have faith and trust God s word Today Tunnell is friendly with his first wife and he and his second wife have been together for thirty three years His journey is a triumphant testimony of how it is possible to overcome tragedies and begin anew Brilliant in its honesty and truth MY APRIL FOOL WIVES is a thoughtful look into the reality of divorce and an inspiring story of courage forgiveness and faith
