Access to Justice 4 Vols Cappelletti, 1979-12-01 The Florence Access to Justice Project T p *Robert Shaw* Christopher Shaw Myers, 2025-05-27 Robert Shaw the iconic star of Steven Spielberg's Jaws comes boisterously to life in an up close and personal biography that reveals the brilliant actor esteemed playwright prize winning novelist and loving and hard living family man as never before Robert Shaw unforgettably commanded attention as the weathered seaman Captain Quint in the blockbuster sensation Jaws But what came before and after that landmark film is as dramatic as the hunt for the great white shark itself Capturing the many facets of the vibrant generous and sometimes polarizing man is his nephew Christopher who explores the forces that shaped a dynamic personality including Robert's indomitable mother his deeply troubled father and his activist sister Joanna with whom Robert shared an unbreakable bond Out of the traumatic events of their childhood in the Orkney Islands and Cornwall Mrs Shaw pushed her children to pursue their dreams For Robert that dream was acting and writing Despite a storied career on the British and American stage as both performer and playwright and a string of hit films including From Russia with Love A Man for All Seasons The Sting and The Taking of Pelham One Two Three international celebrity eluded Robert until he was summoned to star in a little horror film called Jaws What happened on screen was unforgettable What happened off screen was chaos Now Christopher Shaw Myers reveals the true story of the making of the classic Jaws would become both an artistic success and a worldwide triumph for Robert Shaw Tragically for a man shadowed

by his father's demons it would also signal the beginning of the end Drawing on family recollections personal letters scrapbooks recordings extensive interviews and a lifetime of his own memories Christopher paints a unique intimate and honest portrait of a man he was proud to call his uncle Finding Robert Robert J. Stevens, Catherine E. Stevens, MS, 2015-08-20 Diagnosed with attention deficit hyperactivity disorder oppositional defiance disorder and pervasive developmental disorder in the early 1990s Robert Stevens was an exceptionally intelligent child who could not function in a mainstream environment Being the problem child of every play group sports league and extracurricular activity he joined Robert had no friends no internal means of self control no off switch and as his parents Robert and Catherine Stevens were warned perhaps no real future Thinking it for the best Robert's parents did what the experts told them to do Despite having a remarkably high IQ Robert was placed in a special education program under a psychiatrist's care and on several powerful medications including Ritalin and Prozac Unfortunately nothing worked quite as intended and Robert suffered from nearly every side effect these drugs had to offer Robert's parents saw they were losing him Witnesses to Robert's drastic mood swings and anxious displays they did not know whether they were seeing their son or the results of the medications he was taking While initially helpful the special education class began to create its own world of problems with Robert taking a step backwards for each step forward Desperate the Stevens family turned to holistic therapies Amazingly Robert began to show improvement Wondering why their son's doctors had discouraged such strategies Robert and Catherine started researching new approaches on their own Using nontraditional approaches Robert was found By third grade he was off all medications attending a mainstream school making friends and simply being himself Finding Robert chronicles one family's journey through the world of developmental disorders It depicts the struggles faced examines the decisions made and offers a thorough analysis of the therapies utilized Amid sadness and confusion with strength and resolve Robert and Catherine regained their son and undertook a mission to change the way we look at these conditions Catalog of Copyright Entries.

Zach Williams**,2019-05-04 FORTY MINUTES TO BATON ROUGE examines the life and tragic death of LSU head football coach Robert Bo Rein at age 34 The fact that Rein never actually coached a day at LSU muddies the emotional waters and creates an unfortunate chasm between those who knew him and those who never got the chance Sadly after only 42 days at the helm the evening of January 10 1980 took a tragic and unfathomable turn While returning to Baton Rouge from a Shreveport recruiting trip Rein and his pilot Lewis S Benscoter turned a 40 minute junket into a three hour 1 000 mile odyssey that 40 years later still has us scratching our heads Rein s twin engine Cessna 441 would plunge 40 000 feet into the Atlantic Ocean 100 miles off Cape Charles VA For LSU the sadness resembled a new friend they had just met and abruptly lost For NC State the loss was devastation and utter disbelief And for Ohioans they had lost a beloved son **For Younger Readers; Braille and Talking Books** ,2006 The Fall & Rise of Robert O. White ,1993 The Good Father Mark O'Connell,2015-03-31 Fathering is one of the most basic and profound human activities Yet in addition to its many joys fatherhood is often freighted with longing sadness anger and misunderstanding Most of us men and women alike are acutely aware of how difficult it is to father well year after year until and even after children are grown At the same time the essential relationships between men and women and their children are under stress these days as never before subject to the pressures of work money divorce remarriage and adoption As a result many fathers struggle with deep uncertainties about their parenting abilities Meanwhile society s definitions of masculinity appear ever more fluid negotiable and unreachable in today s media saturated culture which endlessly exposes men and women to a stream of images celebrating violence war hypermasculinity athletic ability corporate competition alternative life styles metrosexuality and triumphant materialism Who men might rightfully ask are we expected to be Do various pop cultural definitions of masculinity really reflect what it is to be a man What in men s true natures helps them be good fathers Can aggression be useful What masculine traits do fathers need to guard and guard against How do men love their children and how is being a father very different from and no less

essential than being a mother And how can women understand how men experience fatherhood This is the rich social reality that Dr Mark O Connell a psychotherapist and father of three addresses in his provocative brilliant and wise book Drawing on both his professional case histories and personal experience O Connell describes the internal conflicts that many men feel about the difficulties of being a father but which they are often unable to discuss easily Such issues include questions about authority discipline intimacy physical contact and sexuality In ways that are distinctly masculine O Connell says fathers communicate standards insist on respect for others instigate necessary confrontations and even engage in the kind of rough and tumble play that enlivens the developing neural structures in a child s brain O Connell contends that fathers play a crucial role in conveying the rules expectations and inevitabilities of life and he describes how men can help their families by understanding and embracing their own masculinity Men are different from women and must be allowed to parent differently as well The Good Father however is not just a very readable book for fathers struggling to find their best selves in relation to their spouses and children Women will want to read The Good Father as well All men and women have complex and important relationships with their fathers whether or not those men were good fathers Dr O Connell reveals how men and women alike bring these relationships to their parenting and how we so often need to untangle these generational knots Filled with reassuring common sense The Good Father opens a path toward happier more satisfying relationships for the entire family while helping men become the good fathers they deeply want to be
