# Robert Elee The Christian

**R. David Cox**

## **Robert E. Lee The Christian:**

**Robert E. Lee** William Jackson Johnstone,1933 Examines the religious and spiritual character of Robert E Lee in his conduct and relations with his family associates friends and enemies      **General Robert E. Lee, the Christian Soldier** Judith White McGuire,1873      **The Religious Life of Robert E. Lee** R. David Cox,2017-04-12 The first close examination of how Robert E Lee s faith shaped his life Robert E Lee was many things accomplished soldier military engineer college president family man agent of reconciliation polarizing figure He was also a person of deep Christian conviction In this biography of the famous Civil War general R David Cox shows how Lee s Christian faith shaped his crucial role in some of the most pivotal events in American history Delving into family letters and other primary sources some of them newly discovered Cox traces the lifelong development of Lee s convictions and how they influenced his decisions to stand with Virginia over against the Union and later to support reconciliation and reconstruction in the years after the Civil War Faith was central to Lee s character Cox argues so central that it directed and redirected his life especially in the aftermath of defeat      *General Robert E. Lee, the Christian Soldier* Judith W. McGuire,2015-06-26 Excerpt from General Robert E Lee the Christian Soldier This little volume has been prepared by a lady of Virginia at the request of a few Christian men who have deeply revered and heartily loved the character of General Robert E Lee Looking upon him as a very high type of manhood they have desired that his testimony to the truth of Christianity and the example and teaching of his life so single hearted so clear so eloquent in behalf of duty of virtue and of religion should be as widely influential and as effective as possible Until in the course of Providence sectional animosity in this country culminated in fury and great questions of state were referred to the arbitrament of the sword there was no man who stood so fairly in the eyes of the whole American people or who had so sure and unquestioned a title to their esteem and affection as General Lee About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The Christian Testimony of General Robert E. Lee** Edward DeVries,2016-08-10 Military achievement was only a small portion of the life story of General Robert E Lee General Lee also served as the president of a Christian College a Bible Society President and he was instrumental in the founding and or construction of over 60 churches His character and strong Christian faith documented in this 17 chapter book 161 sources are listed in the endnotes      **General Robert E. Lee After Appomattox** Franklin Lafayette Riley,1922      **Robert E. Lee the Christian** William Jackson Johnstone,1993      **Christianity in America** G. Wright Doyle,2013-07-17 Was America founded as a Christian nation What role has the

Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy **Robert E. Lee, the Christian** William J.

Johnstone,2013-10 **Great Military Leaders** William T. Worthington,2002 Great Military Leaders A Bibliography with Vignettes **Handbook for the Christian Faith** James M. Dawsey,2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like minded Protestants concerns are deeper than shrinking denominational membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be

*Christian Nation* ,1925 **A Shared Christian Life** Ben Witherington III,2012-08-01 This book is for is for everyday Christians who seek to love God and offer charity toward others by celebrating spiritual practices in their congregation It is meant to encourage you to be an integral part of the body of Christ working and serving together loving God with hearts but also with hands and feet to be formed as a disciple of Jesus Christ In the Wesleyan tradition we believe that Christian formation happens best when two or more are gathered So focus is the body of Christ gathered worshiping sharing learning fellowship taking Holy Communion and doing works of piety and charity together In addition a relationship with God is not primarily an individual s lonely personal quest for transcendence It is not about becoming more self centered more self focused but it is about becoming more self forgetful The book outlines spiritual practices that involve individual and congregational transformation through learning and loving fellowship and worship by being lifted up in spirit and being enlightened in mind A normal Christian life needs balance not only between work and rest and play but also between worship

sacraments doing and learning It needs balance between being alone with God and time with significant others     Baptized in Blood Charles Reagan Wilson, 1980 Charles Reagan Wilson documents that for over half a century there existed not one but two civil religions in the United States the second not dedicated to honoring the American nation Extensively researched in primary sources Baptized in Blood is a significant and well written study of the South s civil religion one of two public faiths in America In his comparison Wilson finds the Lost Cause offered defeated Southerners a sense of meaning and purpose and special identity as a precarious but distinct culture Southerners may have abandoned their dream of a separate political nation after Appomattox but they preserved their cultural identity by blending Christian rhetoric and symbols with the rhetoric and imagery of Confederate tradition Civil religion has been defined as the religious dimension of a people that enables them to understand a historical experience in transcendent terms In this light Wilson explores the role of religion in postbellum southern culture and argues that the profound dislocations of Confederate defeat caused southerners to think in religious terms about the meaning of their unique and tragic experience The defeat in a war deemed by some as religious in nature threw into question the South s relationship to God it was interpreted in part as a God given trial whereby suffering and pain would lead Southerners to greater virtue and strength and even prepare them for future crusades From this reflection upon history emerged the civil religion of the Lost Cause While recent work in southern religious history has focused on the Old South period Wilson s timely study adds to our developing understanding of the South after the Civil War The Lost Cause movement was an organized effort to preserve the memory of the Confederacy Historians have examined its political literary and social aspects but Wilson uses the concepts of anthropology sociology and historiography to unveil the Lost Cause as an authentic expression of religion The Lost Cause was celebrated and perpetuated with its own rituals mythology and theology as key celebrants of the religion of the Lost Cause Southern ministers forged it into a religious movement closely related to their own churches In examining the role of civil religion in the cult of the military in the New South ideology and in the spirit of the Lost Cause colleges as well as in other aspects Wilson demonstrates effectively how the religion of the Lost Cause became the institutional embodiment of the South s tragic experience     The Congregationalist and Christian World ,1904     *Robert E. Lee* Ruth Hill, 2019-12-20 In Robert E Lee Ruth Hill presents a nuanced biographical exploration of one of America s most emblematic figures delving into the complexities of his character and the circumstances that shaped him Hill s literary style is scholarly yet accessible blending rigorous historical analysis with vivid storytelling that brings the Civil War era to life The book situates Lee within the broader context of Southern society Confederate ideology and the moral quandaries faced by leaders during a contentious chapter in American history offering readers a multifaceted portrait of leadership loyalty and ethical conflict Ruth Hill a historian with a specialization in Civil War studies draws upon extensive research and primary sources to construct her narrative Her academic background and personal interests in biography and military leadership have informed her perspective on Lee emphasizing not only his

military prowess but also the humanity behind the legend Hill seeks to challenge prevailing myths about Lee's character presenting a balanced view that considers his virtues and flaws alike This book is essential for both scholars and general readers interested in American history as it sheds light on the life of a controversial figure whose legacy continues to provoke debate Hill's insightful analysis encourages readers to grapple with the moral ambiguities of leadership and the enduring impact of the Civil War on contemporary America      **Getting to God** Joni S. Sancken, Luke A. Powery, John

Rottman, 2023-02-14 During times of deep trouble God generates new and creative ways to break through the fear and pain to get to us even as we seek to get to God Recent crises are unparalleled and world changing Life is a terminal condition What we say on Sunday morning matters Nothing is more important than communicating the power and presence of the living God who for us and our broken dying world is strength hope healing and salvation And yet the age old challenge of how to name God in our world looms large Amidst the immense challenges of preaching today three preachers and teachers of preaching show a way forward by walking readers through a sermon creation process for specific challenging circumstances that gets to God This book demonstrates how preachers can proclaim God's grace in our world today by building on the theological grammar and preaching method proposed by Paul Scott Wilson Sancken Powery and Rottman lead by example showing preachers how to contextualize a theologically rich approach to preaching expand the horizon of ministry and equip preachers with a vital practice that of learning to look for and name God's active presence in our world      *Robert E. Lee*

Allen C. Guelzo, 2022-08-09 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of Gettysburg comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty      **The Christian Advocate**, 1927      REFLECTIONS OF A CONFEDERATE SOLDIER: Duty - Honor - Courage MICHAEL L.

GODFREY, 2012-02-01 This incredible book documents the personal saga of a Confederate soldier from Texas who fought

with General Forrest and other southern heroes It s a true account of Obed Christian s encounters against the Union Army in the south containing original letters and documented eye witness accounts Through handwritten letters my Great Grandfather depicts the massive destruction of cities and hardships encountered by military existence The stunning eyewitness account of his brother s death horrifying massacre at Ft Pillows and bloody combat at Harrisburg recaptures the devastation of the Civil War Unique and rare this book is a MUST READ for all Civil War enthusiast Students of history will marvel at the captivating personal memoirs and heart warming letters Military scholars will be enlightened informed and illuminated by brilliant wartime maneuvers and eye witness accounts Finally it belongs on the library shelf of every researcher and historical society
