Robert F. Goldsworthy Robert F. Goldsworthy, 1999-01-01 **World War II and the West It Wrought** Mark Brilliant, David M. Kennedy, 2020-04-28 Few episodes in American history were more transformative than World War II and in no region did it bring greater change than in the West Having lifted the United States out of the Great Depression World War II set in motion a massive westward population movement ignited a quarter century boom that redefined the West as the nation's most economically dynamic region and triggered unprecedented public investment in manufacturing education scientific research and infrastructure an economic revolution that would lay the groundwork for prodigiously innovative high tech centers in Silicon Valley the Puget Sound area and elsewhere Amidst robust economic growth and widely shared prosperity in the post war decades Westerners made significant strides toward greater racial and gender equality even as they struggled to manage the environmental consequences of their region's surging vitality At the same time wartime policies that facilitated the federal withdrawal of Western public lands and the occupation of Pacific islands for military use continued an ongoing project of U S expansionism at home and abroad This volume explores the lasting consequences of a pivotal chapter in U S history and offers new categories for understanding the post war West Contributors to this volume include Mark Brilliant Geraldo L Cadava Matthew Dallek Mary L Dudziak Jared Farmer David M Kennedy Daniel J Kevles Rebecca Jo Plant Gavin Wright and Richard White **Stassen Again** Steven Werle, 2015 A new investigation of the meteoric rise lifetime of achievements and unique persona of boy wonder and perennial candidate Harold E Stassen **Pacific Northwest Quarterly**, 2001 **America, History and Life**, 2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

WSU Military Veterans C. James Quann, 2005 C James Quann offers a tribute to those who have made sacrifices for their country and freedom Using oral history interviews and official records he documents the war experiences of many Washington State University military veterans at home and at the Pacific European North African and other fronts Some flew bombing missions during World War II others fought in the Guadalcanal Iwo Jima Normandy the Battle of the Bulge and other pivotal campaigns Still others saw action in Korea Vietnam or Desert Storm Included are photographs War Department citations for valor and more than sixty case studies as well as brief summaries of those killed or missing in action **Subject Guide to Books in Print**, 2001 **Britain, Nasser and the Balance of Power in the Middle East, 1952-1977** Robert McNamara, 2004-08-02 A multi archival documentary history of British policy towards Nasser's Egypt under the Churchill Eden Macmillan Home and Wilson governments The primary focus of the study is an enquiry into the causes of the Anglo Egyptian Cold War from 1952 to 1967 **Oral History Index** Meckler Publishing, 1990 Arts & Humanities Citation Index, 2002 **Catalogue II of the Regional Oral History Office, 1980-1998** Bancroft Library. Regional Oral History Office, 1999 Under Mountain Shadows William D. Frank, 2024-03-13 From her world famous dude ranch in Washington

state's Yakima County Kay Kershaw exerted tremendous influence on conservation efforts in the Pacific Northwest and tangentially on LGBTQ rights in the United States After gaining local renown in sports and aviation she established the ranch at Goose Prairie with her first partner Pat Kane a fraught undertaking in a region closely associated with the John Birch Society Operating under the guise of two spinsters Kershaw and her later life partner Isabelle Lynn guarded their privacy closely but local encroachment by the U S Forest Service and the timber industry forced them into the public arena as environmentalists In partnership with Supreme Court Justice William O Douglas Kershaw and Lynn spearheaded a decades long campaign to save the ancient forests and ecosystem of Washington's Cascade Range In the process Kay and Isabelle's devoted relationship proved a marked contrast to Justice Douglas own turbulent love life perhaps affecting his perception of the law and his precedent setting judicial opinion in *Griswold v Connecticut* 1965 which provided the basis for major LGBTQ Supreme Court decisions in the twenty first century as well as *Roe v Wade* in 1973 **The End of Empire in Uganda**

Spencer Mawby, 2020-05-14 The negative legacy of the British empire is often thought of in terms of war and economic exploitation while the positive contribution is associated with the establishment of good governance and effective modern institutions In this new analysis of the end of empire in Uganda Spencer Mawby challenges these preconceptions by explaining the many difficulties which arose when the British attempted to impose western institutional models on Ugandan society Ranging from international institutions including the Commonwealth to state organisations like the parliament and army and to civic institutions such as trade unions the press and the Anglican church Mawby uncovers a wealth of new material about the way in which the British sought to consolidate their influence in the years prior to independence The book also investigates how Ugandans responded to institutional reform and innovation both before and after independence and in doing so sheds new light on the emergence of the notorious military dictatorship of Idi Amin By unpicking historical orthodoxies about 20th century imperial history this institutional history of the end of empire and the early years of independence offers an opportunity to think afresh about the nature of the colonial impact on Africa and the development of authoritarian rule on the continent [West Point History of World War II, Vol. 1](#) The United States Military

Academy, 2015-11-03 An outstanding new military history of the first half of World War II featuring a rich array of images exclusive graphics superb new maps and expert analysis commissioned by the United States Military Academy to teach the art of war to West Point cadets Since 1836 United States Military Academy texts have been the gold standard for teaching military history and the operational art of war Now the USMA has developed a new military history series for the public featuring the story of World War II in two volumes of which this is the first The West Point History of World War II combines the expertise of preeminent historians with hundreds of maps and images many created for this volume or selected from Army collections The first volume offers a balanced narrative analyzing the rising tide of Axis conquest from 1939 to mid 1942 ranging from battlefield decisions to operational and strategic plans all set in their proper political context The closing
