

Robert Lax

Nicolas Humbert

Robert Lax:

Pure Act Michael N. McGregor, 2015 Best known for his friendship with famed twentieth century Trappist monk and writer Thomas Merton Robert Lax was an influential writer and inspirational figure in his own right Driven by a deep desire to be faithful to both God and his art Lax roamed restlessly for decades working for The New Yorker and Time writing scripts in Hollywood traveling with the circus and editing a literary journal in Paris before settling among fishermen and sponge divers on a remote Greek island where he finally felt at home In Pure Act author Michael N McGregor who knew Lax for fifteen years draws from a wide range of unpublished writings and little known published works to reconstruct Lax's inner and outer life his private struggles and public triumphs This intimate biography fifteen years in the making presents a comprehensive view of the poet's origins creative ideas spiritual beliefs journeys and relationships The artful interweaving of information from people who knew Lax at Columbia University and in Olean New York City and Europe adds a depth of understanding not previously available And Pure Act offers rare insight into why Lax fled his beloved island of Kalymnos amid rumors of spying during Greece's Cyprus crisis Seamlessly incorporating in depth research McGregor's exploration of the relationship between Lax's life and his writing greatly enhances the value of this insightful study His examination of the concept of pure act is central to understanding the link between Lax's poetics and his pursuit of a true life Throughout its pages Pure Act reveals a man endeavoring to simplify his life in the same way he was simplifying his poetry A model of creative purity Robert Lax's entire life was centered on coming to know his authentic self and his relationship with his Creator creation and humanity

Poems (1962-1997) Robert Lax, 2013-11-05 A collection of out of print and previously unpublished work from a lesser known yet highly influential American poet

Robert Lax Robert Lax, 2004 An appreciation of the life and work of American poet Robert Lax a native of Olean New York in writings and in photographs

A Thing That is Robert Lax, 1998-12-28 Robert Lax is one of the most original and important American poets of this century His work is firmly rooted in the American avant garde tradition a generation of artists that includes John Cage William Burroughs and the Abstract Expressionist painters This is his first volume of all new poems to be published in America since the 60s Much as Bowles chose Tangier Lax chose the Greek islands After working in the 40s and 50s as an editor for the New Yorker a film critic for Time and a Hollywood screenwriter Robert Lax left the United States for permanent residence abroad where for 35 years he has written the minimalist poetry that has won him acclaim among an ever widening circle of artists and writers around the world An early and continuing practitioner of abstract minimalist and experimental concrete poetry he has not wavered in his vision of creating a body of work with a purity that is radical in its asceticism and singleness of purpose

The ABCs of Robert Lax Robert Lax, 1999 Poetry Essays Interviews Letters He's good isn't he commented Samuel Beckett and little else need be said of Robert Lax The ABCs of Robert Lax assembles a truly panoramic array of essays on Lax's writings with extensive interviews examples of his correspondence and key texts from his previously unpublished poems

prose and autobiographical reflections this book provides both text and context Written in relative isolation on the islands of Kalymnos and Patmos Lax's poetry has been consistently championed by such writers as Thomas Merton Mark Van Voren Susan Howe and Denise Levertov and by artists musicians and filmmakers all things bade him all things invited him to join from Tractatus VI The ABCs of Robert Lax bids us invites us into the vivid experimental world of a poet who is in Jack Kerouac's words a Pilgrim in search of beautiful Innocence writing lovingly finding it simply in his own way Some Short Notes of Robert Lax Robert Lax,1985 *33 Poems* Robert Lax,1988 Limited Edition Booklet with Poem by Robert Lax Robert Lax,2019 **Less** Julie Johnstone,2009 *Robert Lax - Line by Line* Robert Lax,2020 **The Way of the Dreamcatcher** Steve Theodore Georgiou,2002 On the holy island of Patmos where St John wrote The Book of Revelation nearly 2 000 years ago a young man experiences his own revelations with the help of a spiritual mentor Robert Lax the man Thomas Merton once said was born with the deeper sense of who God was These warm wonderful insights are for anyone searching for wisdom **In the Beginning was Love** Robert Lax,2015-09-09 *Tertium Quid* Robert Lax,2005-01-01 Robert Lax 1915 2000 was a very singular poet A minimalist before we knew what that was or had a name for it A writer in love with silence and almost empty pages An American living on a Greek island A life long friend of Thomas Merton the sometimes Trappist poet and also the New York abstractionist Ad Reinhardt with both of whom Lax attended high school His poetry and journals have been published throughout the world Circus Days and Nights Robert Lax,2009-06-02 Though many hold him to be one of the greatest American poets of this century Lax has maintained a low profile living and writing in seclusion on the Greek island of Patmos In Circus Days Nights Lax's three great long poems on the circus Circus of the Sun Mogador's Book and Sunset City are collected together for the first time placing this early masterwork in the position within American literature that it so richly deserves Each of the three poems in this collection expresses a reverence for the acts of daring beauty and grace that make the circus the singular event it is What also emerges is the drawing of a link between this world of the circus wherein a tent is erected acts are performed and then the tent is disassembled only to be re erected the next day and Lax's faith As Denise Levertov has said the radiant security of Lax's faith appears in his work as a serenity of tone **Speaking Into Silence** Robert Garlitz,2011-11 **Robert Lax** Robert Lax,2005 **On & by Robert Lax** Robert Lax, Gerhard van den Bergh,1995 A Line in Three Circles Sigrid Hauff,2009 Robert Lax 1915 2000 was a close friend of Thomas Merton Ad Reinhardt and the beatniks After his studies at Columbia University he worked for Time Parade and The New Yorker and then published his first book Circus of the Sun As Jubilees roving editor he travelled a lot and finally decided to stay in Greece where he found the quietness he needed for his poetic work Living a solitary life on Greek islands he became one of the great loners of American literature The process of his mental spiritual and artistic development is what makes Lax's life most interesting The Inner Biography stresses on his search for his own way of life with references to his texts and poems He made his daily life a ritual transposing his experiences into his poetry life has something to do with art

its just a matter of finding the special point at which the two of them get together His deliberate slowness his spirituality his charisma and his poetic work impressed everybody who met Robert Lax The book also contains a short biographical synopsis of Laxs life and a comprehensive catalog 635 entries of the works of Robert Lax Postcard Drawings of Robert Lax Robert Lax,1983 Robert Lax, Poet Nicolas Humbert,2000
