Robert Motherwell on Paper Robert Motherwell, 1997 **Robert Motherwell On Paper** Robert Motherwell, 1997 The Abstract Expressionist artist Robert Motherwell 1915 1991 was best known as a painter but he also created a remarkable body of works on paper The drawings prints and collages in this book show a more intimate side of his visual sensibility they reveal the very personal handwriting of the artist as he responded to the subtleties of paper both as a medium and a material Motherwell was in fact a most extraordinary draftsman as this volume testifies Reproduced in color and in a generous format are more than a hundred of the artist s finest works on paper The book is published to accompany an exhibition at the Miriam and Ira D Wallach Art Gallery at Columbia University an exhibition that was conceived and developed in discussions with the artist during the final year of his life For this celebration of Motherwell s creative legacy David Rosand has gathered a distinguished group of contributors Together their essays on different aspects of Motherwell s work create a complex picture of a multifaceted artist

Metamorphoses and Twombly's love of Keats and his collaboration with Octavio Paz Twombly's art reveals both his distinctive relationship to poetry and his use of quotation to solve formal problems A modern painter he belongs in a critical tradition that goes back by way of Roland Barthes to Baudelaire Reading Cy Twombly opens up fascinating new readings of some of the most important paintings and drawings of the twentieth century The Prints of Robert Motherwell Stephanie Terenzio, Robert Motherwell, Dorothy C.
