Robert Owen Of New Lanark:

Robert Owen Ian L. Donnachie,2000 The hagiography generated by his disciples did neither his name nor reputation much good since they transformed the Social Father of their movement into the Father of Socialism a sobriquet that ill fits him yet it sticks to this day Ian Donnachie s study is the first full biography of Owen for over fifty years **BOOK JACKET**

Robert Owen and New Lanark The Open University, This 12 hour free course explored the ideas of Robert Owen and a range of social issues he sought to address in the early 1800s **Robert Owen's Experiment at New Lanark** Ophélie Siméon,2017-10-16 This book provides an account of how in the years 1800 1825 enlightened entrepreneur and budding reformer Robert Owen used his cotton mill village of New Lanark Scotland as a test bed for a set of political intuitions which would later form the bedrock of early socialism in Britain Drawing from previously unpublished archival sources this study shows that New Lanark was not merely on the receiving end of Owen s innovative brand of industrial paternalism but also acted as a major source of inspiration for many aspects of his social system including his desire to remodel society along communitarian lines This book therefore reaffirms the centrality of New Lanark as the cradle of socialism in Britain and provides a contextualised social history of Owen s ideas tracing direct continuities between his early years as a paternalistic businessman and his later career as a radical political leader In doing so it eschews the myth of New Lanark as a unidimensional model village and addresses the ambiguities of Owen s journey from paternalism to socialism **Life and Last Days of Robert Owen, of New Lanark (Classic Reprint)** George Jacob Holyoake,2018-01-17 Excerpt from *Life and Last Days of Robert Owen of New Lanark* Looking down into the earth into which poor Robert Owen s coffin was thrust the words of the poet were never so applicable they have made him a grave too cold and damp For a soul so warm and true Of all who ever breathed the breath of life Robert Owen was the man of largest heart of head most wise continually throughout the course of a long life sedulously zealously thinkingly with ever open purse in hand generously devotedly intent on devising how best and soonest to mitigate the misery incidental to the destiny of man Col H Clinton About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Robert Owen Robert A. Davis, Frank O'Hagan, 2014-10-23 This text offers a major reassessment of the life and thought of the distinguished 19th century industrial philanthropist and educational reformer Robert Owen In a period when Owen s radical new visions for learning and teaching adult and vocational pedagogy and social transformation are receiving fresh and global attention Robert Davis and Frank O Hagan place Owen s thought right at the heart of the Enlightenment advocacy of popular democratic mass education Tracing both the ancestry and the legacy of Owen s reforming spirit they also offer a critical appraisal of the relevance of his ideas for the development of education at all levels and stages in the challenging contexts of international 21st century education
