Hogg's Instructor ,1856 **Titan** ,1856 *Stefan Stambolov and the Emergence of Modern Bulgaria, 1870-1895* Duncan M. Perry,1993 Little known in the United States but increasingly important in the affairs of

southeastern Europe Bulgaria is a land with a stormy history No less stormy is the story of Stefan Stambolov who ruled the country during some of its most turbulent years Duncan M Perry s biography of Stambolov the first in English in the twentieth century illuminates the life motives and personality of this major figure Perry begins with Bulgaria in the tumultuous years immediately following its founding in 1878 After the ousting of the country s first prince Stambolov enters the stage as the fiery young lawyer who restored him to the throne Although the prince promptly abdicated Stambolov stepped into the breach and led the nation during the interregnum Perry traces this patriotic politician s transformation into an authoritarian prime minister He shows how Stambolov stabilized the Bulgarian economy and brought relative security to the land but not without cost to himself and his regime Perry depicts a man whose promotion of Bulgaria s independence exacted its price in individual rights a ruler whose assassination in 1895 was the cause of both rejoicing and sorrow Stambolov thus emerges from these pages as a complex historical figure an authoritarian ruler who protected his country s liberty at the cost of the people s freedom and whose dictatorial policies set Bulgaria upon a course of stability and modernization An afterword compares the Bulgarian liberation era of Stambolov with the communist era dictator Todor Zhikov analyzing similarities and differences

good enough and that's why he decided to include the original novel's final chapter. This fan novel also includes the song Chocolate Rain and the dictionary from the original novel. Elvis decided not to design the book's cover. He used a fan art created by CrocScaah as the official book cover.

Russian Economic Development over Three Centuries Masaaki Kuboniwa, Yasushi Nakamura, Kazuhiro Kumo, Yoshisada Shida, 2019-11-04. This book aims to provide a comprehensive statistical picture of the Russian economic development covering the Imperial Soviet and New Russian periods. The authors have reconstructed Russian socio-economic statistics from both published and archival materials. The book gives concise descriptions as well as new insights on the Russian economic development. Compiled such that estimations by the authors are kept to a minimum and extensive explanations and notes on the sources, the definitions, the statistical methodologies, the problems and inconsistencies of the original data, and the pitfalls of interpreting the time series are given, makes this a standard reference book of the Russian economic history. It will be of value to economists, scholars of collectivist economics, and scholars of Russia and the Soviet experience.

Apocalypse, Revolution and Terrorism Jeffrey Kaplan, 2018-09-21. This book focuses on religiously driven oppositional violence through the ages. Beginning with the 1st century Sicari, it examines the commonalities that link apocalypticism, revolution, and terrorism occurring in Judaism, Christianity, and Islam, past and present. It is divided into two sections: This was Then and This is Now, which together examine the cultural and religious history of oppositional violence from the time of Jesus to the aftermath of the 2016 American election. The historical focus centers on how the movements' leaders and revolutionaries from earlier times are interpreted today through the lenses of historical memory and popular culture. The radical right is the primary but not exclusive focus of the second part of the book. At the same time, the work is intensely personal in that it incorporates the author's experiences in the worlds of communist Eastern Europe, in the Iranian Revolution, and in the uprisings and wars in the Middle East and East Africa. This book will be of much interest to students of religious and political violence, religious studies, history, and security studies.
