Redecision Therapy Carolyn E. Lennox, 1997-03-01 Editor Carolyn Lennox characterizes the redecision therapist as a director in an improvisational theater Guided by the client s personal contract for change the therapist helps the client select and rewrite old scripts in which he or she was cast as victim By keeping the dialogue moving and assisting the client in confronting negative messages the therapist supports revision of the last act so that the self can be experienced as triumphant protagonist and the victory can be carried over into everyday life This compendium of contributions from twenty two experienced redecision therapists first addresses issues of theory how to negotiate a clear contract for change how to identify client impasses how to access the client s potential for creativity what transactional analysis calls the natural child and then illustrates applications of the theory in the treatment of depression anxiety bulimia PTSD and so forth in individuals and groups and in private HMO and hospital settings Closing chapters discuss redecision therapy training and supervision The book s thoroughly accessible approach to brief action oriented therapy will be welcomed by students and practitioners alike as what Dr Lennox gracefully terms teachable and learnable

magic **Group and Team Coaching** Christine Thornton, 2016-05-17 Group and Team Coaching offers a new perspective on the secret life of groups the subconscious and non verbal processes through which people learn and communicate in groups and teams Updated with new research and including a wealth of vignettes and case studies it will be essential reading for coaches who work with groups and teams as well as leaders commissioning coaching the second edition features new guidance for leaders and managers an updated introduction and new expanded practical sections on working with teams working on the phone and supervising and being supervised The author uses key concepts from psychology group analysis and systems theory as well as her own extensive experience to give practical advice including The invisible processes of group dynamics Pitfalls of team coaching and how to avoid them How to design coaching interventions Common dilemmas Ethics and supervision *Masculinity Meets Humanity* Shahieda Jansen, 2023-12-01 In this book the author a clinical psychologist reflects on her psychotherapy experiences with male clients as she debunks the myth of male alexithymia the inability to recognise and express emotions Men are apparently disengaged from wellness practices as they are perceived to be reluctant to seek mental health care An ubuntu inspired personhood discourse of trust empathy and transformation theoretically underpins the author's clinical practice The integration of the culturally familiar philosophy of ubuntu challenges the hegemony of strictly modern Western psychological discourses and theories Although the book is not a manual for how to do therapy with men neither a panacea for all male related challenges it can ignite empathic insights and kindle gender sensitive responses to male concerns locally and internationally Women who are frequently the targets of gender based violence primarily committed by men may play a significant role in the rehabilitation and healing of men Men are usually excluded from psychosocial interventions but this book makes the case that prioritising the wellbeing of boys and men is critical to creating a society that is safe for everyone men women children and the broader public Print editions not for sale in Sub Saharan Africa **Psychodynamic Group Psychotherapy** J. Scott Rutan, Walter N. Stone, Joseph J. Shay, 2014-06-16 Regarded as the definitive practitioner reference and text this accessible work addresses how to set up therapy groups and make them work A wealth of clinical material illustrates the components of effective group therapy and the mechanisms and processes of change Practical topics discussed include patient selection and preparation leadership issues communication of affect in groups dealing with difficult patients time limited groups and facilitating successful terminations A chapter length case example with commentary from each author brings an entire group session to life and explores ways to handle common dilemmas New to This Edition Incorporates current theory psychodynamic and interpersonal and supporting clinical and neurobiological research Every chapter revised and updated Chapter length case example is entirely new Chapter on Frequently Asked Questions includes many new issues *A Handbook of Contemporary Group Work Practice* Carolyn Knight, Geoffrey L. Greif, 2024 Group work remains a vital intervention for a wide range of clients facing an array of personal social and environmental challenges From groups for individuals with substance abuse

problems or for children who have been abused to advocacy groups for parents of children with developmental disabilities and neighborhood associations that seek to improve the quality of life in the local community groups are empowering to members at the individual and societal level Deconstructing Group Work for Human Service Professionals Dominique Moyse Steinberg, Eileen C. Lyons, 2022-11-04 Spotlights the skills of social group work this handbook offers practical guidance and theoretical knowledge enabling the reader to facilitate groups of varying types with increased clarity purpose and confidence The reader is helped to understand what skill to employ when and why New or veteran group facilitators are reminded to empower group members to both employ their strengths and engage in mutual aid the fundamental value and methodology that underlies social group work Specific skills help group members to coalesce as a cohesive group and optimize their capacity to reach their goals whether exploring therapeutic answers or accomplishing work tasks This book illustrates that there are basics to the method of human service work with groups that can help you to feel more at ease with and more effective at working with people in groups The group work method is delineated for you outlining 1 skills of working with groups ways of thinking or doing to make things happen 2 practice principles the moral reasoning that underlies what you choose to think and do in your practice and 3 theoretical underpinnings for those choices why your choices will achieve desirable ends Anecdotal material and skills in action provide explicit examples of what skills look like in real time Social work students and academics as well as students and professionals working in the fields of youth work counseling mental health clinical social work and related health subjects will find this book of interest **Leading Peer Support and Self-Help Groups: A Pocket Resource for Peer Specialists and Support Group Facilitators** Charles Drebing, 2016 There were more visits to peer support self help groups last year than there were visits to the offices of mental health professionals Peer support groups have exploded in popularity as the public and the healthcare community recognize that they provide an effective complement to formal care and improve the chance that many participants will have better healthcare outcomes Few peer support self help group leaders have more than minimal training in how to lead a group successfully This is unfortunate as leading a self help group is often challenging This pocket resource is designed to provide easy access to key information and strategies to help Peer Specialists and other lay group leaders develop and expand their group facilitation skills so they can lead healthy thriving peer support groups Vulnerable Populations Suzanne M. Sgroi, 1988 Describes the latest clinical methods and advances in the treatment of these victims Individual chapters treat play therapy time limited group therapy for adolescents stages of recovery and sexual abuse avoidance training Annotation copyrighted by Book News Inc Portland OR
