thegateway2h,2009-12-28 The Sermons contained in this book have been written by the author and preached to a live congregation They can be used in their original form or as part of a sermon Some of the Sermons are as follows Because I Live A message delivered by Jesus Christ to his disciples concerning his return to heaven and the coming of the Holy Spirit Cleanse me of my Sins A message based on the story of David and Bathsheba and the dreadful sin of adultery and murder More importantly it focuses on the love and forgiveness of the Lord Lay Hands on Her A message that demonstrates the importance of having faith in God when we seek his intervention in times of need This message addresses two versions of faith One that has to be encouraged and the other that operates in desperation Holy Spirit Baptism A message on the Baptism of the Holy Spirit It addresses the types of Baptism as taught in the Bible and how they are administered Who is Jesus A very controversial message concerning the deity of Jesus Christ When we ask the question we still get conflicting answers which have even caused division among those who claim to be Christians This is a very enlightening message The Sower the Seed A message about the Word of God and the heart of man The Black Women Oral History Project.
