Saying Yes To Life Even The Hard Parts:

Saying Yes to Life Ezra Bayda, 2005-07-29 Told in blissfully simple language the thoughts and messages in *Saying Yes to Life Even the Hard Parts* provide inspiration for each day These nuggets of wisdom range from a page long reflection to a simple aphorism and stress the importance of drawing meaning from life s paradoxes opening to the unwanted recognizing the happiness in difficulty and living for now rather than later Page after page reveals truths that can be put into action in the moment yet also stand up to multiple interpretations and thorough examination Insightful and never convoluted *Saying Yes to Life Even the Hard Parts* is a great companion for life s long journey *Journey To New Beginnings* Debbie Ziemann, 2006-12 The year following my diagnosis of breast cancer having a total mastectomy and chemotherapy I felt as if I was out at sea in the midst of a storm The faster I ran from the darkness and turmoil the closer it came I was frightened but I learned to depend on the energy of the Universe I realized that the quickest way to the light was to go directly into the darkness and face my fears Accepting my new body image was very difficult along with not being able to respond to my husband touch Due to my insecurities low self esteem and self confidence I placed my marriage in jeporady Learning to rediscover myself was difficult I learned to trust in the positive energy of the Universe to help me heal Depending on myself only led me further away from where I wanted to go I needed to allow God and His angels to take me in their hands and carry me Depending on the power of the Universe established inner strength and courage to be a survivor We have a choice in how we react and respond to situations lessons that life presents to us Learning to let go of certain feeling and situations is difficult but it makes each day more peaceful and comfortable Learning there is life after breast cancer is a difficult journey Everything happens for a reason and it is up to us to learn from the lessons which are presented to us You can be a survivor when you accept that being a survivor is a state of mind which is dictated by you and not others Realizing that guilt and shame is wasted energy and that you are still loved and can love others Everyone s path in recover and rediscovery will be different and the rate in which we achieve it will be different What worked for me may not work for you We cannot compare ourselves to others We are individuals with different childhood experiences different backgrounds personalities and with different support systems I hope that *Journey to New Beginnings* gives you a sense of comfort and hope Sharing my journey has helped me heal Each year will be another path of learning experiencing the joys of living and life enjoying the extraordinary in the ordinary **Beyond Happiness** Ezra Bayda, 2011-09-13 A Zen teacher explains that true happiness can only be found by dropping our ideas about happiness and learning to live fully and fearlessly in the moment Many books have been published in recent years on happiness Ezra Bayda a remarkably down to earth Zen teacher believes that the happiness boom has been largely a bust for readers Why Because it s precisely the pursuit of happiness that keeps us trapped in cycles of dissatisfaction and suffering In *Beyond Happiness* Bayda draws on Zen teachings to question our conventional notions about what happiness is and where we can find it Most of us seek happiness in things that are external to us We imagine that

getting more money a better relationship or going on a nice vacation will finally make us happy But Bayda shows us that the deepest and most lasting form of happiness does not rely on external circumstance at all Bayda offers Zen insights and practices that point readers toward the true sources of lasting happiness mindfulness compassion gratitude and generosity

Never Turn Away Rigdzin Shikpo, 2007-09-28 Trungpa Rinpoche's great saying was Turn toward everything There's something very wholesome about turning toward things completely and openly It is sharp and uncontrived and feels genuine in a way that our ordinary projections and ways of handling things never do Book jacket

Upside-Down Zen Susan Murphy, 2006-11-13 Upside Down Zen invites readers to explore the vivid spirit of Zen Buddhism in fresh ways Recalling in another vein the warm lyrical style of Lin Jensen's Bad Dog author Susan Murphy offers a multifaceted take on the spiritual grounded in the everyday She uses her skills as storyteller filmmaker and poet to uncover the connections between Zen and Western cinema as well as between Zen and traditions as diverse as Australian aboriginal beliefs and Jewish folktales In the process she finds spirituality where it has always belonged wherever life is happening Murphy helps readers make sense of Zen koans the often oversimplified and misunderstood teaching stories of the tradition and highlights their wisdom for any reader on the spiritual path A strong new voice in Western Buddhism Murphy speaks for the many unrecorded women of Zen while bringing a lively literate approach to a sometimes daunting genre

Nightly Wisdom Josh Bartok, Gustavo Szpilman Cutz, 2007-11-28 Human beings the world over have always found the nighttime and its attendant activities of sleeping dreaming and waking up mysterious mystical and rich with meaning and metaphor The name Buddha means the one who has awakened and enlightenment itself is often portrayed literarily as the luminous full moon lighting our way through the blinding black of night Nightly Wisdom goes deep into the wealth of Buddhist inspirations on these powerful topics offering encouragement and clear teaching on lucid dreaming and Tibetan dream yoga the art of extending one's meditation practice into the boundaryless world of dreamtime gentle guidance on relaxing into restful sleep and awakening from the suffering dream of separateness as well as poetry and prose whose sources span time and space from ancient Japan and the Buddha himself to some of the brightest lights of Buddhism today A book unlike any other Nightly Wisdom is designed to be placed on the bedside table and read last thing in the evening so that one's sleep may be infused with a virtue that can be renewed in the morning and carried on throughout the day Nightly Wisdom represents perhaps the first effort to bring all of these Buddhist inspirations together in one welcoming volume and is an ideal guide for anyone who has ever dreamed of waking up to the entirety of life or wondered how best to suffuse this wisdom into that third of our lives we all spend in bed
