Either you think – or else
others have to think for
you and take power from
you, pervert and

assembles over thirty interviews with one of America's greatest novelists the author of *The Great Gatsby* and *Tender Is the Night*. Although most of these are not standard interviews in the modern sense the quotes from Fitzgerald and the contemporary journalistic reaction to him reveal much about his writing techniques artistic wisdom and life. Editors Matthew J. Bruccoli the foremost Fitzgerald scholar and Judith S. Baughman have collected the most usable and articulate pieces on Fitzgerald including a three part 1922 interview conducted for the *St. Paul Daily News*. Fitzgerald 1896-1940 died before the authorial interview became a literary subgenre after World War II. Although Fitzgerald enjoyed his celebrity as is clear in these pieces he had a poor sense of public relations and provided interviewers with opportunities to trivialize him. As a result Fitzgerald was often treated condescendingly in the press. Seven of his interviews five printed before 1924 have flapper in their headlines. In the Jazz Age a term Fitzgerald coined he was regarded as a spokesman for rebellious youth as a playboy as an authority on sex and marriage as an expert on Prohibition and as an immensely popular writer for his work published in the *Saturday Evening Post*. Yet his literary ambitions were sizable and his impact on American fiction immeasurable. Matthew J. Bruccoli is Jefferies Professor of English at the University of South Carolina. He has written or edited thirty volumes on Fitzgerald including the standard biography *Some Sort of Epic Grandeur: The Life of F. Scott Fitzgerald*. Judith S. Baughman who works in the department of English at the University of South Carolina has written the *F. Scott Fitzgerald* volume in the *Gale Study Guides* series and has edited *American Decades 1920-1929*. *Oxford Treasury of Sayings and Quotations* Susan Ratcliffe, 2011-10-13. Contains quotations proverbs and phrases from throughout history and around the world grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth. Includes a list of themes and a keyword index.

F. Scott Fitzgerald on Silent Film Martina Mastandrea, 2022-08-15. F. Scott Fitzgerald on Silent Film recalibrates the celebrated author's early career and brings fresh understanding to the life of one of America's truly great literary figures. Scholars have previously focused on Fitzgerald's connection with Hollywood when he worked in Tinseltown as a screenwriter in the 1930s. However this ground breaking research reveals the key role that Silent Hollywood played in establishing Fitzgerald's burgeoning reputation in the early to mid 1920s. Vividly written and drawing on a wealth of new sources this book documents Martina Mastandrea's exciting discovery of the first film ever adapted from a work by Fitzgerald.

Higgs, 2014-10-17 From the worship of Michael Jordan to the downfall of O J Simpson it has become clear that sports and sports heroes have assumed a role in American society far out of proportion to their traditional value In this powerful critique of present day American popular culture Robert J Higgs examines the complex and increasingly pervasive control that sports wield in shaping the national self image He provides a thoughtful history and analysis of how sports and religion have become intertwined and offers a stinging indictment of the sports religion media education complex Beginning with the place of sports in Puritan life Higgs traces the contributions of various individuals and institutions to the present circumstances in which sports and religion are joined He discusses the transfer of the Puritan ideal to the New World and then moves to the revolutionary period of the national hero and manifest

destiny through the classic period of education for a sound mind in a sound body to the imperial phase of American supremacy In the process of tracing this history Higgs makes clear the growing influence of muscular Christianity from circuit riding evangelists to pulpit pounding televangelists from Billy Sunday to Billy Graham from the YMCA to the Fellowship of Christian Athletes Finally he arrives at our present Low Roman or bread and circuses period in which sports simultaneously serve the purposes of entertainment religious proselytism distraction of the masses and political propaganda all under the colorful banner of Christian knighthood as seen in the stadium revivals of Billy Graham and the sporting enthusiasm of Jerry Falwell In brief sports and Christianity have followed similar paths In the beginning they were nationalized then Hellenized then Romanized and in our own time televised The result is that spectator sports have become the reigning American religion one sharply at odds with a traditional shepherd ethos This well written and innovative book makes clear the dangerous power wielded by the sports religion media education complex over the minds and energies of the American people It is a call for recognition and reevaluation of our present situation that will concern anyone interested in the future of American culture **F.
