Sayings Of Muhammad:

Sayings of Muhammad ,1968 **The Sayings of Muhammad** Sir Abdullah al-Mamun Suhrawardy,Allama Al-mamun,Muhammad,1990 This collection of the sayings of the Prophet was highly praised in its earlier edition and it has now been carefully revised and classified It is published in the earnest hope that it will serve in some degree to remove misconceptions as to the meaning and message of the religion of Islam particularly with regard to tolerance in Islam and the status of women It is also hoped that it will promote still further the goodwill and understanding between the East and West

Al-Hadith: Sayings of the Prophet Muhammad Prophet Muhammad,2020-09-28 Knowledge of ahadith is essential in an effort to understand Islam They contain rules and regulations when implemented would give cause to a better understanding of everyday life This is applicable to the individual of a society and also to the society as a whole The messages within the ahadith are for the benefit of both individual and society Among many missions of the Prophet peace be upon him one was to set a pattern of conduct The conduct of the Last Messenger peace be upon him can be found in the voluminous sahihs We should make an attempt to abide by these rules It is unnecessary to mention that research of Islam is beyond the scope of a single individual a task unattainable in a man s lifetime not to say impossible To narrow my scope I had decided to restrict myself to ahadith even this is a large area of study within Islam I decided on making a small collection of ahadith This decision resulted in a minor project that essentially consisted of reading diverse Islamic literature and reading different aspects of Islam I could of course have bought one of many voluminous compilations of ahadith but I was convinced that I would learn more by finding and compiling them myself and indeed it has been a most fruitful experience During the compilation I was becoming aware of the meaning and importance of ahadith and soon realised that others too could benefit from this compilation With this in mind I was determined to share this collection with my fellow Muslims All ahadith in this collection have been so to say copied from my source a Every hadith is followed by the Arabic source it can be found in e g Bukhari Muslim along with the source I have written it from e g Sayings of Muhammad by Prof Ghazi Ahmad If the reader feels uncertain about a particular hadith she he can easily trace it to my source All the footnotes in the ahadith are not my insertions but the author s of my sources The titles which are given to the ahadith are also titles found in my source they too are not my insertions The same applies for brackets or found within some ahadith These comments do not apply to the titles marked as Introduction and Introduction to Ahadith The ahadith are all randomly compiled The ahadith have been written down as I have encountered them in relevant literature Since I have used different literature there have come cases where two authors use the same title e i marriage hence the title will appear twice This is not to be regarded as a misprint There is no personal preference as to the choice of authors I have obtained them from libraries and the local mosques A problem which was encountered was when two authors wrote on the same subject matter but from different sahihs both sahihs had their own wordings but giving the same meaning I have tried to keep these sort of ahadith to a minimal as I wished to have as

many diverse topics as possible Faith knowledge marriage sex divorce rights of wives husbands and hospitality are a couple of areas covered in this compilation I have to the very best of my abilities tried to be as careful as possible when writing from the source this in order not to endanger the real meaning of the ahadith nor to give cause to misinterpretations As far as spellings are concerned I have thoroughly checked it The spellings of Arabic names and places have been written exactly as I have encountered them in the source One of my sources Hayaat ul Muslimeen written by Mohammad Ashraf Ali Thanvi has consistently used the term Rasulullah when addressing Prophet Mohammad peace be upon him The Arabic term sallallahu alayhi wasallam has also been used throughout the book For the ease of non Muslim readers I have replaced the Arabic Rasulullah by Muhammad and sallallahu alayhi wasallam by may the blessings and peace of Allah be upon him I have treated similarly the terms radiallahu anhu and radiallahu anha They have been replaced by Allah be pleased with him and Allah be pleased with her I have used the term peace be upon him throughout the compilation as most authors have used similar attributes The same author has also mentioned the narrators Arabic names for most ahadith I have done likewise

Light in the Heavens Muḥammad ibn Salāmah Quḍā'ī, 2016. Sayings of the Prophet Muhammad wielding an authority second only to the Qur'an. The words of Muhammad, 11632 God's messenger and prophet of Islam, have a special place in the hearts of his followers. Wielding an authority second only to the Qur'an, Muhammad's hadith are cited by scholars as testimonial texts in a vast array of disciplines including law, theology, metaphysics, poetry, grammar, history, and medicine, and are used by Muslims to one another in their daily lives. Assembling Muhammad's words has been a major preoccupation for scholars throughout the fourteen centuries since his death, resulting in an abundance of compilations. Among the legally grounded collections which aimed to guide the community in its practice of religious law and ritual worship, one which stands out in particular is *Light in the Heavens* (Kitab al-Shihab) by al-Qadi al-Qudā'i, a Shafi'i judge in the Fatimid court in Egypt. The collection's overall conceptualization is distinctively ethical and pragmatic, and offers humanitarian lessons and practical insights with universal appeal. From North Africa to India, generations have used *Light in the Heavens* as a teaching text for children as well as adults, and many of its 1200 sayings are familiar to individuals of diverse denominations and ethnicities. For Muslims who consider Muhammad's teachings the fount of wisdom and the beacon of guidance in all things mundane and sublime, these sayings provide a direct window into the inspired vision of one of the most influential humans to have walked the Earth.
