Thousands of people were driven into exile by Germany s National Socialist regime from 1933 onward For many German speaking artists and writers Paris became a temporary capital The archives of these exiles became displaced objects scattered stolen confiscated and often destroyed but also frequently preserved This book assesses previously unknown source material stored at the Moscow State Military Archive RVGA since the end of the war and offers new insights into the activities of German speaking exiles in the 1930s in Paris and Europe Against the backdrop of current debates surrounding displaced cultural goods and their restitution this work seeks to facilitate a transnational interdisciplinary scientific dialogue **Miss Frazer's Adventure** Alexandra Ivy,2016-08-02

Dear Reader Long before I wrote my sexy paranormal romances I wrote traditional Regency romances as Debbie Raleigh Now I m thrilled to have them made available once more as fresh and adventurous as ever To avoid the taint of her mother s scandalous reputation Miss Kate Frazer stifles her naturally high spirits to become a model of propriety But when she is rewarded with a suitor who cares only for her dowry and leaves her waiting at the altar on her wedding day Kate determines that she will live as she chooses Her first adventure will be a trip to London under an assumed name to enjoy the city s

delights And woe to anyone who stands in her way particularly her fianc Lucius Calfield wasn't looking forward to wedlock with the tediously suitable Kate Frazer Still he is chagrined when a violent storm makes him late for the ceremony But embarrassment turns to astonishment when he finds that his fianc e has vanished entirely And that is the least of the surprises his unaccountably changed and unexpectedly irresistible bride has in store I've fallen in love with these timeless books all over again and believe that you will too Alexandra Ivy The Wedding Clause Alexandra Ivy,2017-02-14 Dear Reader Long before I wrote my sexy paranormal romances I wrote traditional Regency romances as Debbie Raleigh Now I'm thrilled that one of my favorites is available once more as fresh and delightfully surprising as ever Molly Conwell's life has been quite unremarkable until she learns the startling details of her late employer Lady Woodhart's will The sum of 30 000 pounds will be divided equally between the deceased's grandson Viscount Hart Woodhart and Molly if they wed If one or the other fails to appear then the present party receives the entire fortune Molly has no intention to wed Hart but if she inherits the money she could help her brother regain his proper place in Society Besides she's convinced that her prospective groom who has always accused her of being a fortune hunter will not present himself As Molly embarks on a daring charade she discovers a fierce opponent in Hart and an even fiercer desire for this dangerously handsome man who may prove impossible to resist I'm newly captivated by this tale of unexpected love and believe you will be too Alexandra Ivy Monarchy and Matrimony Susan Doran,2002-11 Challenges traditional view of Elizabeth as intrinsically hostile to marriage Comprehensive coverage of all the marriage negotiations First to look at marriage negotiations in political context rather than solely from the perspective of Elizabeth's personality and image Based on extensive archival research in Britain France and Spain Draws conclusions about Elizabeth's ability as a ruler **How to Cheat the Marriage Mart** Millie Adams,2022-09-27 A sexy compromised marriage story His plans to fool the ton Thwarted by a country debutante George Claremont Marquess of Curran has cultivated his rakish reputation to enable his covert work helping children in England's workhouses Now the destruction of these institutions hinges on a well laid marriage proposal But stepping into the wrong room at a ball and into a compromising situation with the prim Kitty Fitzroy threatens his plan to cheat the marriage mart Or might he have found the perfect accomplice From Harlequin Historical Your romantic escape to the past Society's Most Scandalous Book 1 How to Woo a Wallflower by Virginia Heath Book 2 How to Cheat the Marriage Mart by Millie Adams Book 3 How to Survive a Scandal by Christine Merrill **A Scandalous Courtship** Barbara Reeves,1994-03-01 When Virina Baret's soldier husband perishes in the Peninsular Campaign Evan Ryder the Eighth Earl of Maitland at last feels free to voice his long felt affections for the lovely lady Reprint **Unfaithful** Carol Faulkner,2019-09-20 In her 1855 fictionalized autobiography Mary Gove Nichols told the story of her emancipation from her first unhappy marriage during which her husband controlled her body her labor and her daughter Rather than the more familiar metaphor of prostitution Nichols used adultery to define loveless marriages as a betrayal of the self a consequence far more serious than the violation of a legal contract Nichols was not alone

In *Unfaithful* Carol Faulkner places this view of adultery at the center of nineteenth century efforts to redefine marriage as a voluntary relationship in which love alone determined fidelity After the Revolution Americans understood adultery as a sin against God and a crime against the people A betrayal of marriage vows adultery was a cause for divorce in most states as well as a basis for civil suits Faulkner depicts an array of nineteenth century social reformers who challenged the restrictive legal institution of marriage redefining adultery as a matter of individual choice and love She traces the beginning of this redefinition of adultery to the evangelical ferment of the 1830s and 1840s when perfectionists like John Humphrey Noyes founder of the Oneida Community concluded that marriage obstructed the individual's relationship to God In the 1840s and 1850s spiritualist feminist and free love critics of marriage fueled a growing debate over adultery and marriage by emphasizing true love and consent After the Civil War activists turned the act of adultery into a form of civil disobedience culminating in Victoria Woodhull's publicly charging the Reverend Henry Ward Beecher with marital infidelity *Unfaithful* explores how nineteenth century reformers mobilized both the metaphor and the act of adultery to redefine marriage between 1830 and 1880 and the ways in which their criticisms of the legal institution contributed to a larger transformation of marital and gender relations that continues to this day

Trinch, 2003 In the American legal system valid witness testimony is supposed to be invariable and unchanging so defense attorneys highlight seeming inconsistencies in victims' accounts to impeach their credibility This book offers an examination of how and why victims of domestic violence might seem to be changing their stories in the criminal justice system which may leave them vulnerable to attack and criticism *Latinas Narratives of Domestic Abuse* Discrepant versions of violence
