Langbein, 2003-02-06 The adversary system of trial the defining feature of the Anglo American legal procedure developed late in English legal history For centuries defendants were forbidden to have legal counsel and lawyers seldom appeared for the prosecution either Trial was meant to be an occasion for the defendant to answer the charges in person The transformation from lawyer free to lawyer dominated criminal trial happened within the space of about a century from the 1690s to the 1780s This book explains how the lawyers captured the trial In addition to conventional legal sources Professor Langbein draws upon a rich vein of contemporary pamphlet accounts about trials in London's Old Bailey The book also mines these novel sources to provide the first detailed account of the formation of the law of criminal evidence Responding to menacing prosecutorial initiatives including reward seeking thieftakers and crown witnesses induced to testify in order to save their own necks the judges of the 1730s decided to allow the defendant to have counsel to cross examine accusing witnesses By restricting counsel to the work of examining and cross examining witnesses the judges intended that the accused would still need to respond in person to the charges against him Professor Langbein shows how counsel manipulated the dynamics of adversary procedure to defeat the judges design ultimately silencing the accused and transforming the very purpose of the criminal trial Trial ceased to be an opportunity for the accused to speak and instead became an occasion for defense counsel to test the prosecution case **Lady Ashby's Major Scandal** Myretta Robens, 2018-07-31 Emotionally satisfying first class writing not to be missed author author of FLIRTING WITH DEATH Patricia Grasso A memorable heroine and a sexily honorable hero make for a delightful romance author of THE DUKE'S DAUGHTERS series Megan Frampton Lady Ashby has a pressing problem Widowed at a young age Isabel Ashby yearns to marry again this time to a young handsome titled husband and live a nice quiet life with two or three cherubic children Having limited choices among the gentlemen of her acquaintance Isabel decides to orchestrate a compromising position for herself to entrap the Earl of Caenby into marriage But it all goes dreadfully wrong when she ends up unwittingly catching Major Sidney Chamberlayne instead Major Chamberlyane has a stoic solution Sidney Chamberlyane is a second son a military man of honor who is far more comfortable on the back of a horse than in a ballroom flirting with ladies of the ton But when Sidney is caught in a passionate kiss with the delectable Lady Ashby he can do nothing less than marry her With their marriage off to a stormy start both Isabel and Sidney wade through the murky waters of mistrust But as they begin to recognize the changes in their feelings will the winds of scandal and gossip drag them down into dangerous depths or will truth and love guide them home **A Snowbound Scandal** Jessica Lemmon, 2018-08-01 In this steamy contemporary romance when a snowstorm traps a

The American Political Scandal David R. Dewberry, 2015-08-13 In this holistic examination of political scandal in the United States David Dewberry argues convincingly that such scandals follow a consistent narrative centered largely on media coverage and politician performance rather than the actual corruption or ethics violation committed In making this argument he also provides an analytical framework for understanding the patterns underlying scandals regardless of their unique political contexts Dewberry dissects four major examples Teapot Dome Watergate Iran Contra and Clinton Lewinsky and explores the roles of various constituencies involved in creating reacting to and mediating the scandal What is the true role of journalism within the context of scandal What persuasive techniques do politicians employ to develop and perpetuate scandals What motives and values bring scandals to a close In addition to the core cases Dewberry incorporates briefer examples from contemporary and ongoing controversies including Anthony Weiner's sexting scandal money and sex in Congress how cover ups have gone digital and Chris Christie's Bridgegate The result is a fascinating and thoughtful look at the relationships among political discourse free speech and democracy
