Sitting Bull, Prisoner of War Dennis C. Pope,2010

After his surrender at Fort Buford in what is now North Dakota the United States Army transported Sitting Bull and his followers down the Missouri River to Fort Randall roughly seventy miles west of Yankton There the famed Hunkpapa leader remained for twenty two months until September 1883 During that year and a half Sitting Bull conducted tribal business met with dignitaries and visitors and interacted with those who imprisoned him Dennis Pope has written a dramatic account of that time and those relationships taking the reader inside Sitting Bull s camp to see the day to day reality of captive life for this powerful man and his people Pope paints an insider s view of the events of these months using extensive research primary accounts from eye witnesses and the observations and writings of a reporter from the Saint Paul and Minneapolis Pioneer Press The combination of sources presents an almost minute by minute description intimately depicting the great chief s character beliefs and thought processes Sitting Bull Prisoner of War fills a gap in the great chief s story allowing readers to explore a previously little known episode of his life

Looking for Alaska Peter Jenkins,2014-03-18

More than twenty years ago a disillusioned college graduate named Peter Jenkins set out with his dog Cooper to look for himself and his nation His memoir of what he found A Walk Across America captured the hearts of millions of Americans Now Peter is a bit older married with a family and his journeys are different than they were Perhaps he is looking for adventure perhaps inspiration perhaps new communities perhaps unspoiled land Certainly he found all of this and more in Alaska America s last wilderness Looking for Alaska is Peter s account of eighteen months spent traveling over twenty thousand miles in tiny bush planes on snow machines and snowshoes in fishing boats and kayaks on the Alaska Marine Highway and the Haul Road searching for what defines Alaska Hearing the amazing stories of many real Alaskans from Barrow to Craig Seward to Deering and everywhere in between Peter gets to know this place in the way that only he can His resulting portrait is a rare and unforgettable depiction of a dangerous and beautiful land and all the people that call it home He also took his wife and eight year old daughter with him settling into a home base in Seward on the Kenai Peninsula coming and going from there and hosting the rest of their family for extended visits The way his family lived how they made Alaska their home and even participated in Peter s explorations is as much a part of this story as Peter s own travels All in all Jenkins delivers a warm funny awe inspiring and memorable diary of discovery both of this place that captures all of our imaginations and of himself
