*Wholly Woman, Holy Blood* Kristin De Troyer,2003-04-01 Addresses central questions regarding the ways that religion regards the role of women

*The Arcturus Probe* Jose Arguelles,1996 Arcturus is the name given to the star system some thirty seven light years from our own It includes at least a half dozen planetary bodies and is many times larger and much older than our own star and its system Arcturian involvement with our system began over three million years ago when a space colony a galactic space station was established on Velatropa 24 4 otherwise known as Mars With its 40 000 year warm cycles Mars

provided the perfect experimental way station If anything went wrong at least those on the Arcturus system would not be affected or so it was thought Some of those in command of the Martian project had not considered carefully enough the inexorable efficacy of karma the law of cause and effect By the time strange events began to transpire on Mars little did anyone on Mars or Arcturus reckon the strange consequences of forgetting about each other's mutual existence Thus unfolds the tale of the Arcturian experimental way station V 24 4 otherwise known as Mars

**Visionary Shamanism** Linda Star Wolf, Anne Dillon, 2011-10-19 Shamanic practices to access your spiritual blueprint communicate with the universal mind and transform in to your highest spiritual self Explains how to tune in to imaginal cells to heal the past activate the shaman within and download information from the future Includes shamanic breathwork practices and rituals to open access to your spiritual blueprint the hologram of who your highest best self is meant to be and be more potent and powerful in the present We are in a highly transitional time on Earth as old structures break down in preparation for the new world that is coming The accelerated pace of this time of spiritual evolution is forcing each of us to awaken the shaman within and reach our highest potential as quickly as possible We no longer have the luxury of learning only from the past we must also download information from the future in order to be fully present fully conscious in our most embodied and best self now Incorporating the wisdom teachings of Seneca Wolf Clan Grandmother Twylah Nitsch with shamanic journeys and shamanic breathwork practices Linda Star Wolf and Anne Dillon explain how to heal the past learn from the future and activate the imaginal cells within our human energy field Imaginal cells are the energies of what has already happened and will happen stored in the blueprint of the invisible world By tuning in to these imaginal cells you can open access to your spiritual blueprint the hologram of who your highest best self is meant to be and accelerate your evolutionary potential in this lifetime Including information received by Star Wolf from the future the book explores how to develop a communication link with the universe receive guidance from the universal mind and draw information from the future to be more potent and powerful in the present live in harmony with one another and the planet and fully prepare yourself for the new world to come

**Megaliths, Music, and the Mind** Linda Eneix, 2024-05-24 What drove the building of the first megalithic monuments and lifestyle changes that launched Western civilization This exploration of the human experience of special sound in ancient ritual and ceremonial spaces brings a new perspective for anyone with an interest in prehistory and human development in its most pivotal days From G bekli Tepe in Anatolia to megalithic temples in Malta to passage tombs in Ireland the world's oldest buildings and the newest scientific research combine for a look at the Western Neolithic Revolution that goes where no one has gone before With original photos and illustrations Megaliths Music and the Mind assembles content from the worlds of archaeology architecture anthropology ethnomusicology genetics neuroscience physics and more Fascinating pieces of evidence are set side by side resulting in a stunning premise This book is a core overview focused on the rediscovery of an ill understood sensory element of developing culture with hope for therapeutic application in the modern world Material from the out of
