Scarlet Sunrise:

Scarlet Sunrise Leigh Bristol, 1987 *Every Waking Hour* J. T., C. H. Christopher, 2016-11-02 J T Christopher is a hardworking husband and father His writing was inspired by his lovely wife and he now writes poetry as the inspiration comes This is his first published book *Bone War* Steven Harper, 2024-09-17 A brave half troll must stop an evil elf queen from destroying the world in this epic fantasy trilogy finale by the author of *Blood Storm* The three Fates tend the sacred Garden which orders all lives both mortal and immortal But everything is thrown out of order when the evil elf queen abducts one of the fates The future of every being including Death herself is now in jeopardy There is only one hero who can defeat the elf queen Danr the half troll But first Danr must first find the fabled Bone Sword With it he can free the Fate and destroy the evil queen Unfortunately he must do so without the help of his companions as they are busy hunting down a dangerous creature with a terrifyingly familiar face Danr and Aisa must go it alone and they must hurry before the Garden dies and all is lost But even if they do succeed Danr may still need to make his greatest sacrifice yet Praise for Iron Axe Steven Harper created a world that I never got tired of exploring The Qwillery Harper s reinterpretations of trolls giants and fae folk give this series opener a fresh feeling while his nods to Norse mythology and folklore root it strongly in fantasy tradition Readers will be eager to see what s in store for Aisa and Danr Publishers Weekly The story holds all of the adventure magic and mystery I have come to expect from the genre It follows a hero s journey with energy and artfulness Wicked Little Pixie

McArthur, 2012-11 The worlds are changing In a world far from our own where magic and myth are one in the same a declaration of war is announced The announcement sets in motion a chain of events that tear into the very fabric of time and space An ancient legacy has returned to the magical world of Ivane which had been thought long extinct Since anyone can remember there have always been two lines of magic The first is the essence

of the Sorceress It has been ten years since the last reincarnation of the Sorceress ten years since very her essence has poisoned an undeserving woman But suddenly it has returned Now to fight off the evil three heroes are called upon to help vanquish the essence for good Legend tells of the one who can manage this seemingly impossible feat The one who can achieve this is graced with the essence s lighter equivalent the Summoner Aliz Dominio a beautiful gifted young mage from the Alinta Aces Gogora s only army joins forces with Eddy Seamer Eddy is a tough but loveable bladesman and they are joined by one of their mentors Keryn Blackhart a patriotic perfectionist who cannot be beaten with a rifle Together they embark on a quest that pans the wondrous world they have all grown up in Only the Summoner can call forth the ancient sceptre of the Gods This ancient artefact is said to hold the power to vanquish the Summoner s evil counterpart and restore peace if only for a while But something is different this time around and deep in Aliz s heart a horrible truth is beginning to emerge In old times a prophecy was made It spoke of the two ancient lines of magic and how they once belonged to the one who the people of Ivane consider God It tells of the two lines of magic reuniting in one being who will ultimately become a God among men As Aliz and her friends reach their target the heart wrenching truth is exposed The true identity of the Sorceress is revealed and the events that follow are truly catastrophic When one inherits the essence of the Sorceress their soul is twisted and corrupted beyond imagining The darkness within becomes too strong and is unleashed releasing chaos in its never ending pursuit for power It is a wicked burden to bear and when Aliz inherits this unwanted gift her soul is thrust into oblivion and she emerges as the new goddess forever thirsty for dominance Now it is up to Aliz s boyfriend Eddy and his new friend Keryn to help Aliz The only option seems bleak and Eddy drowns in despair But in a world where anything is possible can there be a way to pull somebody back from the abyss Do our heroes try and spit in the face of destiny Or can destiny be changed And if they do change destiny then what
