the original first published in 1861 **Scarlet Cavern** Vonna Harper,2005-04 When she spotted a video on the Internet of her best friend being sexually abused model and businesswoman Shana Galliher contacted Recovery Inc to help rescue Lindsay from a place called Scarlet Cavern From the moment she spotted her operative Ranger Shana knew she was in danger with the seductive and dangerous man If she d ever met a more nakedly sexual creature she couldn t remember What she couldn t possibly comprehend was Ranger s connection to Scarlet Cavern and he wasn t about to tell her Instead he focused on introducing her to the dangerous and seductive world in a way she d never forget and maybe never recover from At first Ranger is very hesitant to introduce Shana into the lifestyle maintained by the owners of Scarlet Cavern Yet her determination to save her friend makes him realize she will find a way into the bowels of hell with or without him Finally knowing he has no choice Ranger agrees but on his conditions Shana must undergo training in the dark world of bondage and underground movies She must learn to lean on Ranger to become in essence his sex slave What she doesn t anticipate is her growing attraction to Ranger and his growing need to have her in his life The training is intense sometimes painful but extremely arousing And it is only the beginning Sovereigns The New Beginning Markain White,2012-01-13 In the isolated town of Coven s Hallow things have always been simple The children played all day and the adults worked and took care of them The teenagers however were caught in their own world of parties relationships and everything else that goes with being young adults Now for a destined group of teenagers things are going to become even more difficult As the New Year is brought in an ancient destiny unfolds that is shared between the teens Four groups of friends who barely know each other are whisked away and told that they are children of a prophecy long ago foretold and they are charged with the task of battling demons and monsters of evil and magnificent power Some readily embrace their destiny some are hesitant to even imagine the meaning of it and some fall away from what they are meant to do Their teachers and mentors the Watchers try their best to help the teens learn and work together but at times it seems impossible Working together with people they barely know and understand or have been in heated rivalry with doesn t make their task any easier Relationships are tested lines are crossed and no one is safe from the stretching arms of evil Will the heroes be able to handle the pressure that comes with being children of destiny and modern day teenagers especially when they come to realize their worst enemies are themselves Follow our heroes on their journey to save their friends family and the universe *Pagan Holiday* Tony Perrottet,2009-05-06 The ancient Romans were responsible for many remarkable achievements Roman numerals straight roads but one of their lesser known contributions was the creation of the tourist industry The first people in history to enjoy safe and easy travel Romans embarked on the original Grand Tour journeying from the lost city of Troy to the Acropolis from the Colossus at Rhodes to Egypt for the obligatory Nile cruise to the very edge of the empire And as Tony Perrottet discovers the popularity of this route has only increased with time Intrigued by the possibility of re creating the tour Perrottet accompanied by his pregnant girlfriend sets off to discover life as an ancient Roman The result is this lively blend of
