Scarlett Rhett And A Cast Of Thousands:

Scarlett, Rhett, and a Cast of Thousands Roland Flamini, 1975 Inside story of *Gone With The Wind* *Scarlett, Rhett, and a Cast of Thousands* Roland Flamini, 1978 Inside story of *Gone with the wind* *Legacy of Disunion* Susan Mary Grant, Peter J. Parish, 2003-03-01 The conviction that the American Civil War left a massive legacy to the country has generally been much clearer than the definition of what that legacy is Did the war as Ulysses S Grant believed bequeath power intelligence and sectional harmony to America or did it as many have argued sow racial and regional bitterness that has blighted the nation since 1865 What exactly was the legacy of disunion This collection explores that question from a variety of angles showcasing the work of twelve scholars from the United States and the United Kingdom The essays ponder the role of history myth and media in sustaining the memory of the war and its racial implications in the South Abraham Lincoln's legacy and the war's consequences in less studied areas such as civil military relations constitutional and legal history and America's ascent on the international stage By juxtaposing American and non American interpretations this stimulating volume sheds light on aspects of the war's legacy that from a purely American viewpoint are sometimes too close for comfort Perhaps the greatest legacy of the Civil War is its ongoing debate and continuing fascination worldwide
