The Frumious Bandersnatch Ed McBain, 2004-01-02

It should have been the night that launched a new pop idol Tamar Valparaiso is young and beautiful with the body and voice of an angel and the stage is set for her to launch her debut album Bandersnatch on a luxury yacht in the heart of the city. But halfway through her performance while the partygoers look on helplessly masked men drag Tamar off the stage and into a waiting speedboat. Detective Steve Carella is just showing up for the graveyard shift when news of the kidnapping comes in. Working disjointedly with a Joint Task Force that calls itself The Squad Carella and the men and women of the Eight Seven must find Tamar before time or indeed her very life runs out. In this brilliant look at the music industry Ed McBain once again combines his mastery of the form with the fast-paced dialogue and intricate plotting that have become his signature.
