Why Asking Donors For Money Causes Donors To Give Less Lindsay Walton, 2018-10-03 Treating your donors as members of a community rather than as individual units MATTERS Human beings have limited interest in supporting others by giving money However they have an intense interest in supporting others through sharing resources In fact there are 6 Key Resource Categories that you can count on donors giving from if you ask What category they choose to give from will simply depend on who you are and what you are asking for at the time Traditional fundraising tools and practices focus on leveraging donor PSYCHOLOGY the inner workings of an individual s mind and as a result consistently only gain access to 17% of what a donor community is interested in giving Understanding the power of donor SOCIOLOGY the dynamic workings of people s minds when they live in community with others changes everything Knowing more about these principles can help you gather more resources than you ever thought possible
