#### **Scenes From A Receding Past:**

Scenes from a Receding Past Aidan Higgins,2005 Opening with a quote from Richard Brautigan I ve been examining half scraps of my childhood They are pieces of distant life that have no form or meaning Scenes from a Receding Past constructs the adolescence and early adulthood of Dan Ruttle out of a variety of scenes and reminiscences about his life in Ireland his time in a Catholic school his first sexual experiences and his brother s mental breakdown The second half of the book centers around his relationship with his future wife Olivia her past and her former lovers Calling to mind Joyce s Portrait of an Artist as a Young Man for Dan Ruttle s love hate relationship with Ireland and the stylistic innovations employed by Higgins Scenes from a Receding Past is a masterpiece from one of Ireland s greatest contemporary writers

through the institutional sources of the legal tradition The Scene of Violence considers how law and legal practices figure in the cultural field and specifically in film Ireland and France, a Bountiful Friendship Barbara Hayley, Christopher Murray, 1992-01-01 No one interested in Irish studies during the past 30 years will have missed the work of Patrick Rafroidi Whether it be romantic poets or the contemporary novel or theatre and drama he had much to say that was provocative lively and always readable His contribution to Irish studies was not only scholarly in the best and most strenuous sense but also generous lighthearted and enlivening Because he was such a friend to the Irish the memory of Patrick Rafroidi well suits the Writing from the Margins Catriona Ryan, 2015-06-18 The Irish short story tradition occupies a general theme of this book unique space in world literature Rooted in an ancient oral storytelling culture the Irish short story has underwent numerous transitions from 19th century Anglo Irish writers such as William Carleton through to the 20th century s groundbreaking impact of George Moore's The Untilled Field George Moore's work inspired the next generation of Irish Catholic writers such as Joyce Frank O Connor and Benedict Kiely who foregrounded the backbone of the Langrishe, Go Down Aidan Higgins, 2022-11-29 An eminently poetic book Langrishe Go Down Higgins s first novel traces the fall of the Langrishes a once wealthy highly respected Irish family through the lives of their four daughters especially the youngest Imogen whose love affair with a self centered German scholar resonates throughout the book Their relationship told in lush erotic and occasionally melancholic prose comes to represent not only the invasion and decline of this insular family but the decline of Ireland and Western Europe as a whole in the years preceding World War II In the tradition of great Irish writing Higgins s prose is a direct descendent from that of James Joyce and Samuel Beckett and nowhere else in his mastery of the language as evident as in Langrishe Go Down which the Irish Times applauded as the best Irish novel since At Swim Two Birds and the A Bestiary Aidan Higgins, 2004 Originally published novels of Beckett My Lost Love, Etc James Cargill Guthrie, 1865 as three separate volumes Donkey s Years Dog Days and The Whole Hog A Bestiary relates the life and times of one of Ireland's greatest contemporary writers As in his fiction Higgins's writing exquisitely captures sights smells and emotions detailing his life from childhood in County Kildare before his family s economic decline to his mother s slow agonizing death from his travels in England and South Africa to his two years spent living with a schoolmistress after the end of his first marriage In writing his memoirs Higgins exposes the sources for many of his best novels from Scenes from a Receding Past to Langrishe Go Down giving the reader a rare look into the story behind the story But A Bestiary is more than a factual expose this collection of memoirs is constructed in a novelistic way creating a work of literary art out of a life Death Sentences Garrett Stewart, 1984 This is a book about terminals and boundaries mortality and closure the infinitesimals of style and the finite limits of representational language about least and last things together It is a book to start with about three vast and familiar facts of life and art death content and form Only by their particular triangulation in the genre of prose fiction do they mark out the hypothesis of the present study that death in fiction is the fullest instance of form indexing

content is indeed the moment when content comprising the imponderable of negation and vacancy can be found dissolving to pure form Death in narrative yields by yielding to sheer style  $Paperbacks\ in\ Print\ ,1980$   $Books\ in\ Print\ ,1982$
