Sceptered Isle Club:

The Sceptred Isle Club Brent Monahan, 2003-08 In 1906 Sheriff John LeBrun encounters Arthur Conan Doyle and a near impossible murder at London's Sceptred Isle Club *The St. Lucia Island Club* Brent Monahan, 2016-08-09 When retired Southern sheriff turned New York City detective John Le Brun and his wife Lordis set sail in 1910 for a long awaited honeymoon on the Caribbean island of St Lucia they expect to find relaxation in paradise However they soon discover they've been lured to the island in part to tout its attributes as a burgeoning vacation retreat to wealthy investors back home Instead of finding tranquility among the tropical island's quaint villages and sandy beaches they encounter a land teeming with racial social and economic tension The brutal murders of a local plantation owner's family find John putting his renowned detective skills to use with Lordis readily playing assistant Once again the shrewd detective must capitalize on his outsider status to stay several steps ahead of the locals many of whom seem to harbor dark motives Is the culprit one of the white landowners the exclusive St Lucia Island Club counts among its membership the descendants of former African slaves said to inhabit the island's inland jungles or someone else entirely As the body count rises John and Lordis race to uncover St Lucia's deepest mysteries including secret identities long held rivalries and who stands to profit most from the island's future The St Lucia Island Club paints a vivid portrait of the Caribbean island's scenic beauty and complicated history at the turn of the twentieth century *This Sceptred Isle* Christopher Lee, 2012-01-19 What is Britishness What allowed one small island group to rule a quarter of the world and even today to have the most spoken language after Chinese What makes Americans admire the guts traditions and loyalties of these island Anglo Saxon and Celtic peoples What is it that makes cynical Europeans and once dominated Asians look to the British for opinion literature social norms and justice The answers lie within the creation of British institutions both Commoner and Aristocracy during the past 2000 years Following the thought provoking style of the original *This Sceptred Isle* this new volume brings to life the character and frustrations so carefully studied by allies and enemies for twenty one centuries from Romans to al Qaeda Here Lee makes all the connections with institutions and changing industrial and social characteristics that even show us that Britishness is not exclusively British At a time when a major section of the British the English appear to be less and less sure who they are and who they are meant to be *This Sceptred Isle* confirms who it is we really are **Addresses Delivered Before the Canadian Club of Ottawa** Canadian Club of Ottawa, 1910 Shakespearean Addresses, Delivered at the Arts Club, Manchester, 1886 to 1912 Henry Fishwick, 1912 *The Story of the World* W.
