Polygame Lebensweisen in Vergangenheit und Gegenwart in Afrika und Europa Henry Kam Kah, Bea Lundt, 2020 Polygamy is a very complex phenomenon with a long tradition in Africa but also in Europe The anthology will contribute to the objectification of the discussion by portraying the variety of polygamous lifestyles showing the interconnections of family structure social and economic conditions cultural representations especially in fictive writing and oral tradition spiritual meaning and religious legitimation of this way of life between traditional belief Christianity and Islam Case studies from different countries in Africa south of the Sahara will be added by historic examples since antiquity in Europe up to the discussion in present times **The Uganda Martyrs and the Need for Appropriate Role Models in Adolescents' Moral Formation**

Charles Lwanga Mubiru, 2012 Uganda like elsewhere in the world is experiencing a moral decline Many in Uganda are concerned that this necessitates acquainting the nation s young people with appropriate Christian role models beginning with an understanding of God Jesus Christ and the Saints particularly the Ugandan martyrs The book s author envisages no substantial moral renewal if Ugandan adults themselves do not provide a good moral example and create a favorable moral environment Otherwise Ugandan young people will be building a personal identity through trial and error without any goalpost in sight and thus perpetuating a state of moral decline Series Theologie Vol 102 The Invisible Scissors Marc H chli, 2010 Introduction The meanings of censorship The origins and evolution of media freedom in Switzerland Media and democracy today International obligations and the freedom of the media in Switzerland National

standards The secretiveness of the military Media organisations and journalists associations Education and training in journalism Print media Radio and television The Internet progressing by fits and starts The power of advertising Playing with the truth Self censorship and blind obedience The failure of media journalism Conclusion Envisioning Social Justice in Contemporary German Culture Jill E. Talbert, 2018-11-09 The echo of Luther s hammer resounds in Asia five hundred years after the Wittenberg controversy the cross is a flashpoint in China Korea seeks ecclesiastical reform the mystical union thrives in Laos even Kant whispers in old Batavia The diversity of ideas and influences of the Reformation is as broad and fascinating as the continent resisting reduction to the postcolonial movement and demonstrating an affinity with Protestant foundations that somehow remains uniquely Asian This volume brings together the reflections of Christian academics from the continent to offer a sample of the theological work that remains largely inaccessible to the broader scholarly community with contributions in the fields of theology biblical studies philosophy and Christian higher education If the quincentennial of the Reformation has revealed anything it is the inauguration of Asia as the locus of biblical and theological scholarship for the next five hundred years
